BedTime Stories From God's Heart Book Two of Twelve c. 2019

365 Stories of Courage, Love, Heroes, and God-Incidences! Introduction: Special Thanks!

<u>I wish to give God All the Glory for this Booklet of Short BedTime Stories!</u> <u>Read John 14:26-27. Memorize one verse a day, repeat it together!</u>

I began writing this after my dear friend and sister Jip passed away from cancer, yet the Lord knew it was a big job, so the Holy Spirit began to send help in many ways. One is brother James Meletiou, a Greek brother in Knoxville, Tennessee, Jmeletiou@BellSouth.net

James already had many short stories and testimonies already done to share and encourage others! Some of his stories are used in this booklet. The Public Library , Ibiblios.org and the Guttenburg Project are other sources of free, difficult to find Christian testimonies. We wish to share and preserve for future generations rare Christian stories to be an encouragement and strengthening to faith in God the Father, Jesus Christ and the precious Holy Spirit!. I give special THANKS to all my family and friends who helped me, prayed for me and love me during this season.

David Fairweather, a Canadian missionary to heathen America (Cuba too), was part of the London, Ontario Toronto church revival beginnings, and poured out his life in prophecy and pray over the Knoxville and Cleveland TN area, before returning to Canada to see his family before going home to the Lord. I have dedicated a couple stories about David in Book Two. He was a Messianic Jew, the only one not afraid to go into the local mosques in our area with me to share Jesus with the imans!

Bill Lee, one of the greatest Christian ceramic potter in all history, and a great intercessor, went home to be with the Lord this year. I was in the UK, in London at the Albert & Victoria Museum's top floor collection of priceless ceramic work and Bill Lee's work surpassed any I saw in that place.

Many great pastors, like David Anderson a Chinese Australian, went home to the Lord, and many have just "disappeared" like Malaysian pastors, Raymond Koh, and Himly & wife. See "Citizens Action Group Enforced Disappearence" aka C.A.G.E.D.

Note To Friends, Parents, and Grandparents:

This is not your "Typical" Bedtime Story Book! It is meant to make you laugh together, also cry together, to create a few memories and projects together you might not make time to do otherwise. Its meant to take about 15 minutes per night, but then once a week, on Friday, expect a "project" you will both enjoy and plan 30 minutes....or so.

I intend to fulfill many purposes writing this, to help you create a legacy for your family, a keepsake of heritage, a place to record life changes, prayers and answers to prayers! After living in China many years, I returned to a country that had forgotten to put a *missions section* in their bookstores! So I am attempting to fix it.... *my way*.

Life is too short to see it wasted, so let us make the most of every opportunity to spread the love of God, even in the face of hatred, to uphold clear moral boundaries because hell is a real place and (thankfully heaven too), to promote God's desire that no one should be lost, but rather all possible be saved!

Grant Father God that we might be godly, grateful, gracious and guided by Your loving Heart. In Jesus' Name. Amen

#1 David Fairweather
A Canadian Jewish
Intercessor Who Loved
Jesus and Changed
America Forever.
I John 5:4

Did you know Jesus was Jewish? Yes! Many Jewish people don't even know this and just think he was "Christian" but never think of him as Jewish, born in Israel, spoke Hebrew, Aramaic, probably Greek and Latin too! How many languages do you know? Write them down here. How many languages do you WANT to know, write them here too.

My dear brother David Fairweather was Jewish, but was not raised a very "orthodox" Jew, yet did the typical Jewish festivals that many Jewish people participate in somehow growing up in Canada. David loved the "Shofar" a long ram's horn, and he would blow it pointing the end towards the person's stomach, and it would touch something inside that person and help them heal! When my son, Philip turned 13, we had a "bar Mitzvah" a coming of Adult Age Ceremony, and David came and blew the Shofar over Philip! We prayed over him, and then poured candy, hugs and blessings over him! (Listen to a Shofar online!)

David also created a "Holy Garden Pray Place" called the Canopy, out at the picnic table outside him place people would just come for prayer anytime they needed it and it was his "prayer office". He kept hours, and if it rained, we would bring an umbrella!

The trees that shaded this place formed the "canopy" and we had communion bread and grape juice every time we met in this place. It was low budget too! (Remember to do your memory verse together!)

In this place, some people ran to meet God, and others ran away from God, yet the main thing was God had shown up and calling people to decide, for Him or against Him? Yes God we want more, do you?

#2 Scott & Mary Olsen, Friend's for Eternity Intercessors See www.godainicafe.com

Scott and Mary liked the "CoffeeShoppe International Cafe" in Flagstaff, AZ that existed from 1990 -1997 because of many reasons. It was located downtown in an 2nd Floor old Bar, and we had "open mic" free music every Friday and Saturday night, as a "non-alcoholic alternative" to the local bar scene. We had a "potluck" meal and loved and honored Jesus without all the "religious" trappings! Single parents had a place to bring their kids to play so they could also relax and meet other hopefully "safe" and less toxic people who where trying to heal from many issues. It was very multi-cultural, with Spanish and Native Americans, Muslims from the NAU college, and an assortment of other nations from the Amtrak train station down the street. During one Thanksgiving Potluck, we had 30 nations eating Turkey together, singing Country Western Gospel songs led by "Bill Kernan". (see the next story about Bill)...It was a taste of heaven, and on that nite, "God even did a miracle just like the "loaves and fishes" and what seemed to be a small "potluck" fed everyone with food extra for many to take home! Bill said, "I kept taking roast chicken from the pot, and it never went empty!" Scott and Mary always came to encourage, support, guide, and have fun seeing just what God would do next. They prayed for us, even as the Cafe was transplanted to China!

Memorize 1 Peter 1:7

"True Gold fears no fire." Zhen Jin Bu Pa Hou Lian.. Chinese Proverb Scott & Mary Olsen were (spiritually still are) the kind of people who are real family, true leader seasoned encouragers. Like if you are climbing a mountain you need wise "anchor people" below you holding the ropes!We did it together, house churches, cafe and even punk outreaches! They led by example, they helped many others of course, not just me, yet their investment of time and love and gifts, said everything, it said "we really care, we really do love you", they were intercessors not just in prayer but in action. They cared in the midst of their own struggles and spiritual attacks coming against them in many areas, Mary fighting cancer...I remember two of our most precious times together was sitting on the floor singing Jewish worship songs together, also out at their cabin at the foot of the San Francisco Peaks, and playing a dulcimer harp, worshiping the Lord together...

It was not the length of time, but the high quality of the time that mattered, that was like a spiritual implant that stayed with you and sustained you once you went back to Asia, a spiritual patch of healing that kept giving you life sustaining hope and joy over the day to day battles, and we also were praying for them too, it was mutual, though I always felt they were far beyond me in every Christian quality, and they understood "risk-taking"

In the New Testament, there were many "fellowships" in a city, yet really only One true church per city. So I would always let people know we are sent out by the Holy Spirit from the love of the "church in Flagstaff"., some Canyon Chapel, some Vineyard, some Christ's Church, some Trinity Heights Methodist, some Navajo/ Hopi/White Mountain Apache Jesus lovers, some Cafe and house churchers, collective individuals who loved us and Jesus, to His glory. Once, in Nepal, I met Dr. Dick Matern, he and his Navajo wife, Willie, a nurse, had been laboring in the Lutheran Niwas for Jesus 28 years, and he had a picture of Flagstaff on the wall! "I'm from Flagstaff but they have forgotten me." and I said, "I'm from Flagstaff, God has not forgot." So Scott and Mary never forgot me and my family and I will never forget them either! Thank you God for the Olsen family, all Glory be to God.

#3 The Martyrs of Cordoba: Stories from N. Africa & Spanish Secret Victory :

A Martyr Movement:

How Did Spanish Christians Resist Islam while Many other places like N. Africa, Turkey and Malaysia were over-run?

If a country said "You can't speak the truth about an evil person or thing or we will kill you. Would you still speak out? Over 50 Muslim countries in the world have a "Blasphemy Law" gagging their people to ever say anything negative about Islam, even if it was truth, would you?

Kenneth Wolf's research c. 1988 of the Christian Martyrs in Muslim Spain, we discover that from AD 711 to into AD 850's, a great breakthrough shook the Muslim world. A Christian of that day named Eulogius, records how Islam had a "Blasphemy Law" in place, that whoever would dare speak out against their "Prophet Muhammad" would be put to death. Yet many well known and very respected Christians who faithfully served their Muslim captors, openly, publicly and willingly out of the love of salvation for the Muslim neighbors, "broke the law" outlining how deceived their Muslims friends are by this false Prophet, and that they would gladly die to unmask the Islamic lie than allow them to suffer in hell following Muhammad or the Quran.

No priest encouraged these martyrs, they were all touched by the Holy Spirit to step up, and the Cordoban church in fact was upset that they were doing this, seeking "compromise" for the sake of peace at the expense of truth that lead many Muslims to follow Jesus as their Lord. In a deeper spiritual way, the martyrs "broke" the spiritual stronghold Islam had on the entire culture. All know Muhammad was degenerate according to Islam's own historical narratives, how he had a 6 year old wife, and took his own son, Zaid's wife as his own! "In what manner can he be considered one of the prophet's how can he avoid being punished by a curse from heaven...one after another stood up, boldly spoke, died, then another...

(Memorize Luke 19:10..who did Jesus come to seek!)

Pastor, Raymond Koh of Malaysia, Martyred or Disappeared?

#4. The Problem of ENFORCED DISAPPEARANCE by Anti-Christian, Islamic Governments.

After WWII, the idea was that Colonialism had ended, and that they would have a shared new government among the Malaysian peoples, Malay, Hindu, Muslim, Christian, Chinese, Buddhist, and everyone would live in harmony and equality.

Yet, British sealed 20 years documents from the original Coup of May 13, "The unspeakable Black Day of Malaysia" show how its was now a Pan-Islamic Colonialism now afoot! Federal Troops were deceived, Malay Islamic troops maneuvered into place, and then they began killing every Chinese person they could find in the streets! Some people I know remember every detail, "We were watching a movie at a theater that night, and we heard yelling and they stopped the movie, we looked at a crowd of Malay beheading a Chinese man in the street just outside! So we hid in the movie place for three days before stepping outside!" Some Malay helped their Chinese friends and hid them, others coveted their property, killing whole families to claim their rightful "spoil". Finally, instead on standing firm and saying, "We will be a United on Love of Country"it became a Country "united" on Islamic corruption, oppression, inequality, lies, and deception. It can never prosper, only implode.

Raymond Koh, I pray you are alive, if you are martyred, may God keep His promise to UnCover every Covered Thing. Those Muslims sick of Islam's oppression came to you for help, and I know you didn't turn them away. (Memorize Galatians 3:27, have you put on Christ?)

Don't stop a Donkey that isn't yours" Afghan Proverb (Mind your own Business), except when God calls you to be a hero and help others!

#5. Which Jesus?

Are you sure these stories are written for children? Yes, Moses asked the Jewish people to keep "remembering" that what happened before, can certainly happen again, so He commanded them to have a "improve your Memory Test" individually and nationally often! In fact daily, with special Exams! If your children fail this Exam? Who is to blame? Deut.11:19...

Galatians 1:8

"But though we, or an angel from heaven, should preach unto you any other gospel other than that which we preached unto you, let him be anathema. (accursed)".

(Not "OK, you believe what you want and I believe what I want and everything is fine, let's just be nice"., but rather, we need to discern the spirit of truth and the spirit of error, and sit with the "sinners and tax collectors" in love seeing the truth is explained well, Then you will see the wheat and the chaff divide, and Then even later the wheat and the tares divide even more, till God calls forth His precious Harvest.)

So Muslims? Are they a false gospel said to be delivered by an angel? Ask an Imam if his so called prophet had a six year old wife? One billion people lost in Satan's lies! Not my Jesus! He didn't abuse children.

So Mormons? Are they a false gospel said to be be delivered by an angel? Ask one of the "elders" if their so called prophet killed people in a gun fight before killing him? They want us to OK their man to be the USA leader? 14.8 million deluded people? Brigham Young, LDS leader had 51 wives! Sorry, Not my Jesus! He didn't kill nor molest his enemies, he loved them enough to warn them of coming destruction.

Please find and follow the real Jesus, His real gospel, His real Spirit!

Fun Assignment for a Serious Task:

"Soul Treasure Hunt Night" every home group, young and old will Join in this Hunt, every team has two hours to do all the tasks, but must also follow up to win. Some will go to mosques, and ask, "Is it true your Prophet had a six year old wife?" others to LDS, asking, "is it true your prophet killed people before they killed him?" Why? The follow up is to invite them to your church to worship and ask questions! Those who bring the most to church that month win to His Glory! (Memorize Luke 18:16 regarding Little children!)

#6. Th Golden Balance By Adoniram & Ann Judson, "A Memoir of the Life and Labors of Rev A. Judson,

 $\mathbf{D}.$

THE following tract has been frequently alluded to in the preceding Memoir. Its circulation has produced great effect on the Buddhist population.

THE GOLDEN BALANCE, TRANSLATED FROM THE BURMAN.

In the time of the prophet Elijah, a thousand years before the manifestation of the Lord Jesus Christ, the Israelites were divided, some worshipping the Eternal, and some worshipping the god Baal. Upon this, Elijah taught the religion of the Eternal, in an assembly of priests and people, and said, "Ye men of Israel, how long halt ye between two opinions? If the Eternal be God, worship him, but if Baal be God, worship him." In like manner the teacher desires to say, Ye Talings and Burmans, how long halt ye between two opinions? If the Eternal be God, worship him; but if Gaudama be God, worship him.

If we desire to know which of two religions is the true one, there is a way of knowing. How shall we know? The excellent is the true. The king, for instance, is the most excellent. If we found a person more glorious than he whom we had esteemed the king, we should have to conclude that he whom we had esteemed the king was not the king, but only a tributary prince, or perhaps a rebel; and that the more excellent personage only was the king. So in the case of God. The Supreme, the most excellent of beings, only deserves to be called God. If we should find a being greater or more excellent than he whom we have esteemed God, we must conclude that he whom we first esteemed God is not God, and that the greater, the more excellent being, alone is God. In regard to the law of God, and the ministers of God, the same mode of reasoning holds good.

"Many a man little to be great, yet few men great enough to be little." Christian Proverb

Memorize Galatians 4:16.

Part 2. "The Golden Balance". A. Judson's most effective Tract in which he saturated Burma, contrasting Buddha, and the One True Eternal God.

THE GOLDEN BALANCE.

If, therefore, we desire to know whether the religion of Jesus Christ, or the religion of Gaudama, is the true one, we must first inquire which has the more excellent God.

Do you think that Gaudama is the most excellent, who was possessed of divinity forty-five years? Or is the Eternal the more excellent, who is possessed of divinity without beginning or end, through the endless duration of successive ages?

Do you think that Gaudama is the more excellent, who being in time past, by his own nature, a sinner, and subject to transmigration, has been a quail, a monkey, and all other brute creatures; has suffered hell beyond all calculation; was obliged to perform the greatest austerities to explate his sins in a small degree; and though at last, for a time, he obtained divinity, could not get free from the consequences of his own sin, but had to endure the sixteen great results of guilt, even while he was deity? Or is the Eternal the more excellent, who, through time present, past, and future, is never subject to illness, old age, or death, but, being possessed of endless life, enjoys, without intermixture of misery, the pure wealth and happiness of Deity?

Do you think that Gaudama is the more excellent, who, being afraid to encounter the results of guilt, and in order to avoid them, forsook the whole creation, and destroying his own body and soul, plunged into the utter perdition of nigban, whence, through all future ages, he will never emerge to life ; where he can confer no favor, can save no creature, can enjoy no happiness, and cannot ever come to light, or ever more Or is the Eternal the more excellent, who, being appear? possessed of an eternal nature, exists unchangeable, indestruclible, through endless ages?

Do you think that Gaudama is the more excellent, who, though his disciples have promoted him to the supremacy, was of the race of the Hindoos' black Ku-lahs * within the sixteen

* The strength of this piece consists in ascribing nothing to Gaudama and his religion, but what the Burmese generally know and acknowledge, though some of the expressions are rather more plain and glaring than they are accustomed to. The position, however, that 38 *

#7. David Anderson, Chinese/Aussie Hero!

(Memorize Ephesians 3:12).

John Song? He was known as the "Billy Graham" of China prior to WWII. Watchman Nee? Chinese martyr! Wang Ming Dao! Pastor Samuel Lamb! Yes you might have heard of these great men, but who is "David Anderson"?

I first met David in 1995, this man was a former leader in the PLA Army, fighting Americans in Vietnam. Yet, his Mother was a Chinese Christian in prison for her faith, and do you know what she was doing? Preaching the gospel in prison, and praying for her son, David to be saved. Over 20 year she was in prison, yet David did finally give his life to Jesus and married a Christian woman from Australia!

David was a very bold Christian, and all the men who knew him knew he had become a Christian, all the soldiers he led respected him for his courage and love for his country and his people! The men all later became leaders in their communities, and many perhaps also became Christians too.

Once he and his wife were walking through the city, and a large blue China dump truck didn't see her and ran over his wife! As she lay on the road, the double tire marks could be seen across her back! He ran and bent over her thinking she was surely dead, a large crowd gathered, aghast...Then, she MOVED, she turned over, and said, "I'm alright." She got up! And then David started Praising God and sharing about the power of God in Christ, and the crowd all accepted Jesus!

Later, his Mom was released from prison, and they got her to Australia to spend her remaining days, while David continued to go back and forth to share Jesus and help the house churches grow strong leaders!

Once they had a terrible earthquake in the rural area to the North of the Province, so he filled his vehicle full of food, blankets, and then headed to help. The Army stopped him, and when he got out, they all saluted him, and he ordered them to stand aside, since he and others were going to help, no one stopped them!

> In these deserts, let me labor, on these mountains, Let me tell, How He died, the blessed Savior, To redeem a world from waiting hell, Woe to me, if I waiver, so dear Lord, help me labor, Let me tell of Jesus' love, let me tell...

#8 Black History Month: African Heritage Missionaries for Jesus.

"Sow me Anywhere Laud" In that New Field 2x, Don't care how you sow me, In that new field, Just that my Savior hold me, In that new field."

_In "Bound for the Promised Land," by Katie Clifford Larson, we learn the detailed story about Harriet Tubman, a Portrait of a great African American Hero and Abolitionist, but we also learn how, the white Quaker community worked with her to keep the "Underground Railroad" working effectively together to save hundreds of people seeking freedom.

God's Kingdom is a multi-ethnic, multi-racial, global Kingdom, ever seeking to bring the Gospel to the places Jesus is still unknown. When we get to heaven, it will shock many how beautifully culturally diverse a place it is, with "every tongue, tribe and nation" will be present praising God before the throne! (Rev.7:9).

Have you heard of Eliza George, she had it made in her day as a leader at Central Texas College, in 1911, Waco, Tx, then the Lord came to her and she had a Vision of black Africans passing before the Judgment Seat of Christ, weeping, moaning, saying, "No ONE ever told us You died for us!" so she told the president of the college of her Vision, and he said "Don't let yourself be carried away with that foolishness, You don't have to GO over there to be a missionary—we have enough Africa over here!" two more years of struggle with God before she quit her teaching job to go spend the rest of her days in Liberia. In her resignation speech, she read a original poem, "M African brother is Calling me; Hark, Hark! I hear his voice...Would you say STAY when GOD said GO!" so she left Dec. 12, 1913 and she touched all Liberia with her lifelong sacrifice for those lost deepest in the dark jungles.

In 1786, John Marrant, a free black from New York City became a missionary to the First Nations Peoples of the USA and Canada! He preached Jesus to the Cherokee, Creek, Catawar, and Housaw tribes to name a few. How many African American missionaries do you know in yout city? State? Nation? (Memorize Ephesians 3:20 together).

In 1823, Betsey Stockton went to the distant Sandwich Islands (present day Hawaii) to share Jesus by sailing around the tip of South America, 5 months and no stop along the way!

In 1885, Amanda Berry Smith went to Africa, Bessie McDowell to Angola, Robert Hill, to Monrovia, Moses Henkle to the Wyandott Indians in 1819, and many more, did you know? #9. Bill Kernan: Christian Country Western Gospel Songwriter. *"I could never get a break in the USA for my music, but today I found out I have been #1 on the Country charts of Australia for years!"*

Bill told me he was going through a hard time and as he drove down the road "God told me, Go to Flagstaff, AZ", and since he had never been to AZ, and felt it was clearly, the Lord, he went and then I met Bill. I was not a Country Music fan, but I liked to harmonize, and he moved into the "CoffeeShoppe International" and we began writing and singing music together every week at our "open mic" nights.

My favorite recording was done on "Father's Day" in honor of God our heavenly Father, and God loved our singing and many people got blessed, healed and saved in that "old second floor former bar", and miracles happened all the time! Linda Green was a single mom, with 4 daughters, she was blind due to diabetic sight loss, and she had a braille Bible and a seeing eye dog. We were both from a season of being in the "Church of Christ" yet talked about, "does God heal today?" She said, "Either way, I am content with my life in Christ." It was about a week later, I heard a knock on the door, and when I answered it, it was Linda, and she said "I can SEE! I had been claiming healing verses the night before, and when I woke up in the morning, I could see! I had lost m sight for 4 years, but I got my dog, got in the car, and drove from Phoenix to Flagstaff, just to tell you since we had been talking about it, and I didn't even wear my eyeglasses! I think He healed me just to help US know, he still does miracles!" Praise God! Yes, God keeps doing these miracles both large and small all the time! Are we attentive to His work?

Bill used his gifts to glorify God and bless others in Jesus' love, so with down what you want to do with the gifts He has given you? (Memorize Ephesians 5:19).

> "... And the leaves of the Tree (of Life) were for the healing of the Nations..." Rev.22.2

#10 Dr. Dick & Willie Matern

The Lutheran Niwas Of Kathmandu, Nepal

Signs, Wonders, Miracle, Deliverance

Nepal: 1993. Every year we had a "Perspectives 16 week class in World Missions" and this year, it seemed that the Lord wanted Bruce and I to go to Nepal to visit and encourage the local Nepali pastors. THEN, we found out four others were also going to Nepal from our small city of Flagstaff, AZ? We hadn't discussed it among our selves, so it was the Holy Spirit making a divine arraignment! One couples assignment was to stand in line during a "once a year ceremony" in order to pray for the King. Others was to pray at all the gates of the city, etc. When we got to Nepal, it was like being on an ancient planet. All the Temples as you looked closer had very bad pictures on the outside! In one building, they had a statue of a giant cow laying down, and many people were in line bringing it offerings! They were worshipping a Cow! In fact, they said, if you are driving a car, and kill a person, you can pay the family money and they will let ou go, BUT if you hit a Cow, you go right to prison! Monkeys were running around, cows walked by you roaming the alleys, and then outside the hospital, lay many dead people! The good Doctor Matern said, "There are the poor people who didn't know of our free clinic!"

This was a Hindu Kingdom! The first Christians preaching the gospel in this country were beheaded! God spared old Pastor Kartuk, and they had a church of 1000, everyone took off their shoes and sat on the floor, the men on one side, the women on the other, and if they wanted to be "baptized" and become a Christian instead of a Hindu, they had to sign a document that they were not being bribed or manipulated in this decision. Poor Dr. Matern served these people for 28 years, and then their visa was revoked and they had to leave since too many became followers of Jesus in this season. Yet, God seemed to judge the nation for this rejection, since Maoists overran and killed the King and all his court, and chaos reigned yet it seems Dr. Matern was delivered out of this mess and returned to the Navajo Rez with his Native American wife and daughter to help their First Nation family in Arizona. They were also spared from the earthquake that also hit the country and destroyed many of the temples that had the obscene pictures on the outside of them. Pray for Nepal! (Memorize Ephesians 5:20).

Ephesians 6:18.

When I went to the Albert and Victoria Museum in the UK, I went to the top floor and looked at the Ceramic section which was vast, "Then I thought, "Bill's work glorifies God, and is just as good or better than most pieces here!" This is the problem with art, it's laborers do it for the sake of creating, rather for the value people place on it later after they depart for heaven. Then the value climbs as an investment into the millions of dollars, yet while the artist is alive, no one bothers to help purchase what they make and they suffer to pay the bills month to month, unless they have a benefactor! Kings and Queens helped Musicians, Artists, yet who bothers today to help them? God wants the "church" to invest in the artists! In the Old Testament, God appointed the artists and musicians as part of His worship, so one of the areas we plan to focus on in our "Sanctuary" of Land in Mutton Hollow, is to have a place, a "studio" to create for God's alory, music and art. A sacred, holy space. A healthy place too. A place to grow fruit, organic veggies, experiment with solar, compost and clean water and a medicinal garden, with a great kitchen to cook healthy fresh soups and foods. Yes, food is an "art" especially healthy food. Some chickens, a few geese to eat the bugs around the fruit trees, and you have a low maintenance, high quality, place to live and create and teach for God and others. True teaching is "mentoring". I met many great business cooks who had a cafe, yet they never passed on their famous recipes, and when they died, the family closed the cafe! Why? He was afraid someone would steal his secrets and he would be out of business, yet he didn't pass the "blessing on" to his children, his grandchildren, his church, his community? So sad, so we must become good at "mentoring" both at home, and as we share Jesus in other places and cultures though our art, and music. Will you pass on the gifts God gives you? What are your gifts?

What are your parents gifts you want them to share with you?

What gifts does God want you to share with others?

14 God Calling!
* 1 in 30 are working in the
"unreached/unengaged"
peoples where they are most needed!
REAL Missionaries Needed!
Will
YOUGO?

There are many missionaries on the field, South Korea (2019) has been the largest sending country next to the USA, and China is well on the way to passing both countries up! Per size and capital, Mongolia is small but leads the world in the high number of its people are preaching Jesus to a lost and dying world! YET, it is far short of the great and ever growing population needs before us! 7 billion people and growing! The saddest problem is that for every 30 missionary on the field, only one in 30 is reaching a "unreached people group" and the rest are working among people already saved! The other 29 of the 30 need to repent, turn the "work" over to the local people they have been training, then ask God to show them the "unreached" peoples He wants them to reach! Guess what! These people are "unreached" for a reason! They live in REMOTE, ISOLATED, UNCOMFORTABLE, DANGEROUS, HARD TO GET TO, PLACES! Guess what? God doesn't want you to GO for a week to have a nice "look see", He wants you to GO and spend the rest of your life, learning their language,then translating the Bible into their language, learning to LOVE these people with the love of Jesus, helping them see Jesus IN YOU daily, casting all your former dreams away, so they can be Your dream that God is calling you to share His love with the rest of your life, and IF you reach this unreached people for Jesus, you raise up disciples, then, pass the work to them and GO as the Lord leads to the NEXT unreached people group! Its easy to GO FIND THEM...pray this prayer..."Lord, show me the unreached, unengaged" people group YOU wish me to to GO reach for You, In Jesus' Name" Amen... Now go onto Google and start looking at the lists...many in the Hindu world! Buddhist work, and the most challenging group still, is the Muslim world! In the year 1808, Dr. Morrison, left the USA for China, and in 1814 he published the New Testament in Chinese! It took him 6 years to get to that place, then Tsai Ako, his first convert was baptized, and in 1818, the whole Bible was finished! Now in 2019, we have over 100 million Chinese Christians, and of those 10,000 want to become missionaries to the lost, yet they need to reach over ONE BILLION Muslims with their own languages! If you work hard, it might take 10 years to just get started! Dr. Morrison worked 27 years in China before he died, he only saw the "few", yet Jesus new he was the pioneer for the 100 million written next to his name as "saved!" What is "success to you? How many will You help win to Christ? Please GO! (Memorize Matthew 28:19,20).

#15 Travels to Africa? (Memorize Acts 15:26)

Bro.Bill Kernan, use to joke and sing "If I sing "Lord, don't send me to Africa, then He surely will! So I will sing "Lord, don't send me to Hawaii!..with a smile!" So it was kind of humorous, that the Lord did send Bill to the Island just west of Hawaii, called Japan! The Japanese brought him over to teach their people how to build American style homes! On his days off, he went to the Tokyo bars, and sang Country Western Gospel songs which the Japanese all loved, and this is how he preached the Gospel in Japan too!

China realizes that Africa has the most natural riches "resources" of any country in the world, yet lacks the suave socally to develop it. Zimbabwe likewise was at one time known as the bread basket of all Africa, able to produce enough food via the "white farmers" know how to feed the entire country, and never have a lack, except, the black Africans killed off the "white farmers" took back "their" land and no one learned how to run a farm, and everyone went backwards, to starving again! If only, they could have worked together for the good of a greater cause, yet Greed drives people more often than Generosity!

When I went to Mali, with Bro Bruce, we landed in Bamako, the capital city. Abbu, a giant man walked through the crowded airport to the only two white guys, us! He said, "I am Abbu, I have come for you, please give me your passports! So we did, wondering if we might never see them again, yet he brought them back stamped and we bypassed the mob and were on our way to Keyes. Over 300 Muslims from Mauritania had escaped slavery and decided to become Christians when their chief had accepted Jesus! They had fled for their lives south to Mali. The Fulani Christians are a beautiful people, they just face one beast more dangerous than any other animal in Africa, the mosquito. Yes, one bite and you die! Cerebral Meningitis kills half of all children born in Africa. The Chief told me, "If we have 10 children, we see it as a miracle if 5 survive." So mosquito nets help, don't let the scorpions crawl in your warm shoes at night helps too, so tie them above your hammock. Ironically, I got West Nile Virus fever and almost died, in AMERICA! Williams Arizona! I had the worst flu I thought, high fever, headache, lost 20 lbs, but with my wife and friends praying, God spared me.

David Livingstone drew many pictures of his travels, (see below) from being attacked by Wilde-beast, to almost being drown by angry Hippos! Yet, God asked, "who will God to Africa for me?" David Livingstone must of JUMPED UP and yelled, "Lord, over here, ME, ME, SEND ME! I will Go!" Will you Go?

#15 The Torn Veil: The Testimony of a former Pakistani Devout Muslim and How she was Healed by Jesus and became a true Follower of God.

Memorize Philippians 1.10

Gulshan Esther was born in 1952 to a wealthy and important Muslim family of Jhang In the Punjab, Pakistan. She was paralyzed on one side of her body from the time she Was six months old. When she was 19 years old, Jesus (Isa, Al Masih) appeared to her Healed her! Despite the evidence that a very great miracle had taken place in her body, Her family members started persecuting her in a very short time---just because she Would not give any other glory for the healing, only Jesus by the will of God.

Since this miracle, God has used her testimony to help countless Muslims come to Faith in Jesus, leaving Islam and leading many others out to the reality of what it Means to be a true follower of Jesus!

Gulshan's mother died at a young age. When Gulshan was 16 years old, her father Also died, as she shares "It was the night after my father died that a voice told me To read about Jesus in the Holy Quran. I did this for three years and prayed to Jesus More and more desperately until He appeared to me in my room, touched me and And healed me!"

She read in the Quran that Jesusdid many miracles, healed many people, and even Raised the dead. For three years, she did not cease praying for her healing, till one Night at 3am in the morning Jesus appeared to her and healed here! This has not Only happened to Gulshan only, but this is the reason why over 15 million Muslims All over the world in the last 10 years have come to faith in Jesus, because he is the Ever-living Prophet, not a abrogated dead prophet, Jesus is the Kalamatu-allah, the Word of God, his Eternal Word, born of a virgin, untouched by Satan, died (Mutafika) And raised by God, firstborn from the dead, never to die again! Go online and Hear her story, Gulshan and millions are now free in Jesus! Gulshan. the Torn Veil part 2.

She shares, "When the house grew quiet, after the last prayer call, that was the time I reserved for my reading the holy Quran. The passages I sought had all to do with the Prophet Jesus. But I found it puzzling. If He was such a powerful healer, why was there so Little about Him in the Quran? He was the only prophet in the Holy Quran who gave sight To the blind, and who raised the dead---and who was coming again. For years I had read The Holy Quran devotedly and prayed regularly, but I had gradually lost all hope in my Condition that it would change. Now, however, I began to believe that what was written About Jesus was True---that He did miracles, that He was ALIVE---and that He could Heal me! "Oh JESUS, son of Mary, it says in the Holy Quran, that you have raised the dead, and healed the lepers and done miracles! So, HEAL ME TOO.!" Praying this prayer increased my hope. After each prayer I added, "Oh, JESUS, Son of Mary, heal ME." I was Drawn to this shadowy, secondary figure in the Holy Quran who had the power that Mohammed himself Never claimed." Finally, after three years of constantly praying for Healing (all the time being confined to her bed or wheel chair), she describes her very Special encounter with Jesus saying,"

"What happened is something that I find hard to put into words...The whole room Filled with light, and the light grew in brilliance. It frightened me. I then became Aware of figures in in long robes, standing in the midst of the light, some distance from my bed. There were twelve figures in a row, and the figure in the middle, the 13th was larger and brighter than the others.

Oh God, I cried, and the persperation broke out on my forehead. I bowed My head and prayed "Oh God, who are these people, and how have they Come here when all the windows and doors are shut?" SUDDENLY a voice Said, "GET UP. This is the Path you have been seeking. I AM JESUS, son of Mary, to whom you have been praying and NOW I am standing in front of You. You get up and come to me." I started to weep "oh, Jesus, I'm crippled And I can't get up." He said, "Stand up and come to Me. I AM JESUS." When I hesitated, He said it again a second time. Then as I still doubted He said it for a third time, "Stand up!" And I, Gulshan Fatima, who had Been crippled on my bed for 19 years, felt new strength flowing into my Paralyzed limbs. I put my foot on the ground and stood up. Then I RAN A few paces and fell at the feet of the vision. I was bathed in the purest Light, and it was burning as the sun and moon together! The light shone Into my heart and into my mind and many things became clear to me At that moment. Jesus put His hand on the top of my head and I saw a Hole in His hand from a ray of light struck down upon my garment so That the green dress looked white. He said, "I am Jesus. I am Immanuel. I am the Way, the Turth, and the Life. I am alive, and I am coming soon. See, from today you are My witness. What you have seen now with your Eyes, you must take to my people. My people are your people...

Yes, Jesus IS the Last Prophet, he is much more that a Prophet.

17 Buddha Prophecied Of the Coming of Jesus!

Like John the Baptist to the Jewish Nation, Buddha was the Same for Jesus Christ to the Asian Nations.

Memorize Philippians 2:5.

Wat Phra Sing in Chiang Mai Province has a certified copy of the accurate translation of the Original, which is in the book of the district headman, the Religious Encyclopidia, Volume 23. book #29. This was confirmed October 13, 1954, (Buddhist era 2497) Phra Sriwisutthiwong is the Deputy Abbot and Director of Wat Pho Museum, Wat Pho Temple, Thailand. See http://bibleprobe.com/buddhatoldofjesus.htm also www.thaivisa,com/forum/topic/153879-buddha-and-jesus-your-opinion-on-an-article/.

About 500 years before Christ, Buddha prophesied about the coming of a "Holy One" who Would come---one who would lead the people away from the old way, and introduce a new Way. (Dao). Once an old Brahman priest asked Buddha, "What should we do to be (saved)?" The Buddha answered, "...look for another Holy One who will come and help the world and all of you in the future." Many think Jesus was a foreigner, but Jesus came from Ancient Israel of West Asia. All Asia can trace its roots back to the great Tower of Babel, and the Great Exodus from the Golden Cradle. Then the Brahman priest asked, "What will Be the characteristic of the Holy One be like? The Buddha answered, "The Holy One who will keep the world in the future will be like this:

"In the Palm of his hands and in the flat of his feet will be the design of a disk, in his Side will be a stab wound; and his forehead will have many marks like scars. The Holy One will be the Golden Boat who will carry you over the cycle of rebirths all the Way The Highest Heaven (Nirvana). Do NOT look for salvation in the old Way, (i.e. trying To merit salvation counting acts). There is no salvation in it alone. Quit the old Way, And there will be a New Spirit like the Light of a lightening bug which will come down From the sky, above to live in all your hearts, and you will be victorious over all Your enemies, Nobody will be able to destroy you. If you die, you will not come back To be born in this world again. You will go to the highest heaven (Nirvana). "

These same things are found in the Old Testament Prophets of Israel see Isaiah 53: also Zechariah 12:10, Daniel 2:14, also Chapter 7. he is called the "Prince of Peace."

Asoka, born 304 BC, was the son of King Bindusara, and the grandson of King Chandragupta The famous founder of the Maurya Dynasty. Known as a very violent warrior, anointed as a King over an older brother at age 36, he murdered his 99 half brothers, and was enthroned 268 BC, dying in the year 232 BC. The Kalinga Wars cost him 10,000 of his close men, and 100,000 Kalingan warriors fell. Then Asoka changed, he embraced the non-violence of Buddha. He visited all the ancient Holy places, Lumbini Garden, the birth place of Buddha, then, the Boddhi Tree at Boddh Gaya, he built 84,000 Stupas like temples. Then he inscribed stone pillars that said people should follow the Holy way of true Piety.

Asoka, also was born before Jesus, but pointed others to the One Buddha said would come later, named Jesus, the Christ which means anointed one! Asoka taught "all people were to essentially be equal and all should observe the Dharma (live a piety holy life) including himself, he gave all his wealth away to reduce poverty, even his last piece of cherry plum fruit before he died. He taught we must all be for each other, and work together for God.

Many cultures have stories of the coming Jesus, not just Buddha, and his follower Asoka. The Magi of Persia who studied the stars, all knew the King of all History had been born, and they knew to follow the star from Persia all the way over to Israel to find Him!

God loves the Kings of all the Hindu and Buddhist nations and has sent Jesus Himself to speak to many in dreams and visions, also to many of the monks. One Burmese Monk was even raised from the dead by Jesus. His name was Athet Pyan Shinthaw Paulu. Born in 1958, in the town of Bogale, on the Irrawaddy Delta, area of southern Myanmar (formerly Burma). His parents were devout Buddhists and named him "Thitpin, which means Tree in English". At the age of 16, he started working on a fishing boat, and became the boat leader on the Upper Mainmahlagyon Island which means "Beautiful Woman Island". 100 miles southwest of Yangon (Rangoon) the nation's capital city.

At age 18, he was sent to a Buddhist monastery to be a novice monk, and was given a new Buddhist name U Nata Pannita Ashinthuriya and lived at the Mandalay Kyaikasan Kyaing under the head monk, U Zadila Kyar Ni Kan Sayadaw, the most famous monk in all the country of Myanmar. This great monk died in a car wreck in 1983. Then this young monk got very sick too. The doctors said he had both Yellow fever AND malaria at the same time, and to go home and prepare to die. The young monk got weaker, and weaker and then died. They had prepared to cremate him and were having a ceremony, he had been dead three days. Yet during this time he was in another world..."I was in a very powerful storm. The King of Hell named Yama the Destroyer came to me...he showed me the lake of fire, and many Holy people I knew were in torment in the flames...then later Jesus' holy ones came to me in this place, and told me I was being given another chance...I didn't even know much about Jesus then.." all I remember was sitting up in my casket to everyone's shock! I shared this with all that knew me, and they gave me the name "Paul who Came back to Life" i.e. Athet Pyan Shinthaw Paulu.. Jesus allowed me to come back to follow Him and share this story!

#18 The Living Buddha Of Tibet finds Jesus:

Also Gladys Aylward & The Tibetan Lamasery

Memorize Philippians 2:7

The "Living Buddha" was very famous in China, his picture was in hundreds of homes, and they worshiped and prayed to him. One day, he was on a trip, and he met a Christian, the Christian had been given a vision the night before so he shared with the Living Buddha, this strange vision...

"Please do not get in that car today for your trip, last night in my vision You were in a car accident, its better to wait or go another way!" The Living Buddha thought, what does this Christian know, and left in the car. Later, down the road, they lost control on a sharp turn, the driver and another person were killed, but the Living Buddha was only injured alittle, and he thought,

"How did the Christian God know and try to warn me, and I am a Living Buddha?"

So at this point, the Living Buddha got a Bible, and began reading it daily for the first time, and then he meet some local Christians, and then he gave his life to follow Jesus!. He told the leaders of the Buddhist people, tell them to take my picture down and not to worship me anymore as a god, tell them to worship the true God and who Jesus the only begotten firstborn from the dead never to die again, resurrected Jesus is!" Later in a Bill Johnson meeting in Singapore, he went forward and was baptized into Christ, born again, never to die, Christ living in Him to the glory of God.

The Dali Lama has announced that he might be the last of the Lamas, perhaps more have become Christians than we all really know!

#19. Gladys Aylward & Dr. Huang in the Lamasery: 1935-1940.

High in the mountains of China, there was a lamasery and the monks brought back a paper from the village in the valley which said,

"God loved the world so much...that He gave his only born Son, So that whoever believes in him would not perish, but have Everlasting life." John 3.16 (Memorize).

So this is all they had, and they all wondered about this "God who loves"?? Then five years later, they were able to bring back the lamasery, the four Gospels, Mathew, Mark, Luke and John, and they all read them, and decided "God told his people to Go preach the gospel in all the world, so their people will come to us very soon! They all waited in anticipation for someone to come!

Three years later, two people were gathering sticks on their hillside,, they Were singing hymns, "The Lamas said, "These are the people we wait for!"

These two people were Dr. Huang and Gladys Aylward, and they were escorted before 500 waiting Lamas, The head one said "We have waited a long time to hear About the God who loves!" The monks kept them up many hours asking many Questions, like"Why did he die?" "How could he love me?" So the good Dr. and Gladys Spent a whole week, constantly answering their questions day and night.

Today as I write about the Lamasery, I see monks walk by me everyday in this country, young and old, dressed in bright orange robes, and some in a deeper maroon color. I give them a Jesus Film, they always take it with a smile. Lord help them and many others watch it over and over again till they get it deep in their souls.

During the Flower Festival, and other Water Splashing Festivals are great times to give materials, and the Jesus Film, to sow and saturate this place with His blessings, God is just looking for the "good soil" to germinate in, the "noble heart" that is seeking God and is not caught up in all the other distractions of life. And You? Is your heart seeking? Gladys loved children and monks, healed the bound feet, loved Jesus, and You?

20: Mimosa of India

The Child who waited 24 faithful years To know Jesus in India among the Pressures of Idols And Culture.

Memorize Philippians 2:29

Mimosa was born in India in a Hindu culture. When she was four years old, her father took her to visit a Christian mission. Though they spent just a few hours at this mission, Mimosa heard someone mention "a god who created all things, yet loved her." Though the word was but a brief moment in Mimosa's life, it dominated the rest of her life! She didn't even know the name of that god, rs praying to that god "who loves her". She constantly worshiped Him, and refused to worship Siva, her families god. She refused the custom of putting ashes on her forehead, which angered her family so much they beat her. But no amount of beating would make Mimosa stop believing in the God who loved her. With absolutely no Christian friends, no Bible, (she did not have any formal education, so she couldn't have read the Bible even if she had one0, and no teaching whatsoever, the Holy Spirit guided the girl all her life in India.

One day, she was given in marriage to a Hindu man. Later, she was bitten by a snake! She felt in her spirit that God would not be pleased with her if she called upon the "charmers" to heal her. All the women of the village scorned her harshly. Yet, she OVERCAME trial after heart-wrenching trial, by praying fervently on her knees and holding out her dress (sari) in supplication to the "God who loves her."

It was only after she had become the mother of 5 children and was looking for a good school for them to attend that she came to the same Christian mission 24 years later! This is when she learned that God, her heavenly Father loved her, and His Name was Jesus! So it is, that God's spirit leads those who hunger and thirst after righteousness and fills them". (Matthew 5.6). Amy Carmichael remembered Mimosa and wrote a 147 page book of her life to Glory God in India.

#21. George W. Hunter. China Pioneer of the Silk Road.

Hunter translated Matthew, Mark, Luke, John, Acts, and Genesis into Kazakh. He also translated *Pilgrim's Progress,* Mark, Acts, 1 Samuel, and twenty-five chapters of Genesis into Uyghur, and Mark into Nogai language.

He also published a small book of collected Qazaq, Tatar, Uzbek, Uyghur, Azerbaijani, Kirghiz, Turkish and Astrakhan Turkic literature with English translations by himself. He also translated into English a section from "Narratives of the Prophets" and published it side by side with the original Uighur. But where are these books? Its very sad that its not enough To pour your life into translation to help people, it must also be preserved somehow!

I would like to reprint all his translations, can you help me find them? Are they in some Chinese library in XingJiang? Are they in a Kazak library? Can you take a picture of each page and send them to me? globalcafeutk@gmail.com I found a Poem called the Wild Gobi, and turned it into a Song! It has great words that inspire people to go reach this vast unreached people, and carry on the the work of his life. Many have gone before us, and God calls us to preserve and build even better into the unreached peoples to help them know Jesus more.

Just as ancient Rome built roads all over the Wild lands, even into England, so China is now expanding by building in cooperation with all its neighbors in a great Silk Belt/Road work. Just as the Gospel followed the Roman Road around the known world, the New Silk Road will carry the gospel into very difficult places like Pakistan, and all the "Stans" and down into the Spice Road Island of Sri Lanka, all the way to Mecca and Africa! It is a project as great as the Great Wall was in its day. The goal is to make it safe and secure, so no bandits will discourage trade and that this area can bring more trade and prosperity to the future of all Asia.

There is a great need for Tri lingual books, with English and Chinese and then a border country translation! Will you be a translator? *Memorize Philippians 1.6*

"The Wild Gobi" Poem & Song

Kazahk, Kyrgyh, Mongol,

Hui, Uyghur, S. Tajiks

Memorize Philippians 1:7

THE WILD, WILD GOBI

If you will read this lay, and come along with me to-day, I'll take you very far away, to view the wild, wild Gobi! The lovely hart and pleasant roe in thousands wander to and fro, This is their desert home you know, it is the wild, wild Gobi.

The untamed camel you will see, for many years he's now been free, For man he scorns to bend his knew, but roams in wild, wild Gobi! The horses wild are also here, they've left their masters many a year, They never now wear harness gear, but graze in wild, wild Gobi!

Large tracts of land are scorched and dry, of water there's but scant supply; And walled around by mountains high, it lies this black, wild Gobi, But where the deep river flows, the desert blossoms as the rose, And rich and green the country grows e'en in this black, wild Gobi!

Sometimes the deep blue sky looks grand, when viewed from this great sea of sand; Above there is a better land, than this rough, wild, wild Gobi. When storms blow cold and fierce, and drear, the traveller knows that danger's near; No sheltered port or harbour pier, is found in wild, wild Gobi.

But were this all that could be said, with ease I'd sleep upon my bed, I'd snugly pillow down my head, nor think of wild, wild Gobi. But said the news I've got to say, for thousands here are far astray, And guides are few to show the Way, in this dark wild, wild Gobi.

The Kirghiz hordes they travel far, but never see the Morning Star, Conquered by Moslem ruthless war, they wander wild, wild Gobi, The Turks, they are the ancient stock, they're also bound by Islam's yoke, Few shepherds care to seek the flock, in this great wild, wild Gobi!

The Mongol nomad cannot see, the Lamb that died on Calvary's tree, He trusts the Buddhist phantom plea, and dies in wild, wild Gobi. The Chinese everywhere are found, their dusty idols here abound, They never hear the Gospel sound, in this far wild, wild, Gobi!

The harvest's great, the reapers few, but ask what He would have you do, And to His sacred trust be true, regarding wild, wild Gobi. For His name's sake some hardship bear, to break His last command beware

Go preach the Gospel everywhere, e'en in the wild, wild Gobi

#23. The Great Expat Purge of XinJiang 2019.

One billion plus Chinese, also one billion Muslims, and one billion Hindu peoples, a total of over 3 billion people in the Asia region, the majority who have never heard of Jesus now have a *great opportunity* to hear! How can it be? Memorize Rom.16.20

Technology Advances

Our of every **30** thirty missionary on the field in the world, only ONE in 30 is working in the place most needed, the unreached and unengaged peoples! Don't count on the 29 to hear from God and repent, they really are not going to change till they are removed somehow. Yet, I have a friend on PalTalk who is in a CID (Christian Islamic Dialogue) website and they reach Muslims seeking Jesus every week, and are harrassed by terrorists, yet, you can make them leave if they are too rude! Some hear the Gospel, repent and are saved, all on the computer! Good or bad weather, expensive PC or 2nd hand! Get on line and become an online Outreach Expert in a short time! Or GO to Asia, stay and reach the unreached and unengaged!

Financial Advance

Only 1% of all mission funds the church gives goes to reaching the 3 billion or more people who have never heard the name of Jesus, who don't know English. The other 300 million a year goes to helping the reach stay reached, building new churches, cars, salaries, families, etc, etc...but WHO IS GOING TO TELL THE MOST UNREACHED PEOPLES!

Travel Advances

Fly anywhere in the world, also, they are flying to you as International Students! God is trying to speed up the process, yet the population growth makes it hard to keep up! Couchsurfing outreaches? AirB&B?

#24. Ray & Mona Joyce (1946-1951) Sharing Jesus among the Hui of Yunnan China

Ray & Mona were of the few people doing work among the Muslims sending out a prayer call for two weeks of prayer for the Muslims of Yunnan. They had picture of the Middle East so would do a slide show in the Hui villages called the Tombs of the Prophets, and then gave tracts and preached.

Towards the end of the Joyce's time in China, their freedom began to be significantly limited by the authorities until they were expelled in 1951. Mona Joyce shares about how they continued to minister even while under house arrest.

The last stage of our time there when they began to shut us in, Ray said, "Okay." I said, "What are we going to do with all this literature?" He had stacks of literature. And then he said, "Oh, we'll mail it out." ... The postmaster was great that way. So he made up about two hundred packages of stuff. And in each one Raymond had sent a letter to the Imam.

We sent all these packages to the Imams in different provinces where there were Muslims or to a Muslim village where we knew there was someone. We sent a message of salvation and another letter stating that these materials were a gift.

And when we got to Kunming, they said, "Well you know, one man wrote in and said, 'I've seen some of the material you've sent out to our Imams.' And he said, 'I would like a Bible if you have one left.'" And we had one Bible left. Ray said, "It must be for this man." Of course, we didn't know him at all, but it was wonderful how God overruled in all these things. We got all that stuff out there. It was a good season.

#25: A Vision for a Reconciled Christian, Born Again America The Global Outlook Cafe: Feb 2019

Starting in Knoxville, Tennessee, a "Root" of Healing the Nation, The ruling of the Courts of Heaven that ends Abortion in the USA and all the earth. Rev.22.2, "The Nations need to be Healed", Why? China is facing a crisis in its future because they have aborted Millions of babies, just as America and the advocates of a Global Genocide of Abortion around the globe has killed off the future Labor force of the future.

The "Wall" in America has become an issue of Security since the Democratic Party has used the billions of dollars by George Soros, To legalize abortions in every nation, to advocate immoral LGBTQ, And to encourage illegal people to come vote, and be paid by Soros and their Party to control the USA illegally.

#26. God's Teams:

The Compassion of God

And the Need for Great

Intercessory & Logistical

Practical, Support.

God Uses His Teams: Memory verse: Philippians 1:1

Paul and Timothy, wrote together to this church as a team serving under and with the church(s) with bishops (elders) and deacons. George Hunter, as much as a independent, pioneer, hard to get along with tough, endurance racer for Jesus he was, God still sent him Percy Mather to work with him through thick and thin in preaching, exploring, translating, furlough work, prayer intercession. Antioch would back them, acknowledged that the Holy Spirit was sending them forth, and the other churches joined in as they could in their special gifting. The team would change depending on the task involved, sometimes Luke was added in, sometimes Titus and Timothy went out, Paul made tents some times to raise extra support, they all kept in touch, wrote letters and pressed ahead together.

If God has sent your church a person or a team(s) tasked by God to do a special effort for God, you are a gift to each other! As the task develops the needs will continue to change. Paul addressed ALL the churches in Galatia regarding issues needing to be addressed. God has called some to "reach ONE BILLION Muslims", yet Jesus said we will do "greater things" so Yes, is said to this task! It takes teams that are first, true to God in trustworthy character to Him and each other. Bonds are formed never to be broken, holy covenants to His glory that will be tested by fiery trials! Some tasks are short, others a lifetime. I thank God for all The Faithful Intercessors, and it is mutual, the team prays back for them as well! The Faithful Sponsors, Friends, and Families. The uncle they will only know of because of letters, they might see once in a lifetime on furlough...quess what?

The really want you to say "I want to come visit you in the middle of nowhere, I want to come see you, to come help for a season." Children, grandchildren, yes, they are all welcome, yet few take the risk or time. "Memorize Rom.16:4"

It doesn't matter how great the pressure is; what really matters is where the pressure lies. Whether it comes between you and God or presses you nearer His heart.

27. Rachmiel Frydland Messianic Rabbi for Jesus

The Jewish Diaspora 2019 Messianic Literature Outreach M'lo (Hebrew for Full)

G-d loves the Jewish peoples, both the majority in the USA and Israel, 83% and the Diaspora 17% throughout other countries that number at least a few dozen per country in some. Reports exist of Jewish communities remaining in other territories in the low single digits that are on the verge of disappearing, particularly in the Muslim world, as their reaction to the birth of Israel in 1948 was the persecution of Jews in nearly all Muslim lands; these are often of historical interest as they represent the remnant of much larger Jewish populations. For example, Egypt had a Jewish community of 80,000 in the early 20th century that numbered fewer than 40 as of 2014, mainly because of the forced expulsion movements to Israel and other countries at that time.[60] Afghanistan may have only one Jew left, Zablon Simintov, despite a 2,000 year history of Jewish presence.[61] In Syria, another ancient Jewish community saw mass exodus at the end of the 20th century and numbered fewer than 20 in the midst of the Syrian Civil War.[62] The size of the Jewish community in Indonesia has been variously given as 65, 100, or 18 at most over the last 50 years.[63][64] Turkey (15K)and Iran 9K have a larger population. France, Canada, UK, Russia, Germany, Brazil and a few others having a much larger number.

A growing number are Messianic (Jesus/Yeshwah Yamashiam). Aka "Jewish Christians". Rachmiel Frydland, a former Jewish Russian Rabbi scholar, became a follower of Jesus when he was challenged by a Christian to read the Old Testament Prophet Daniel, and that convinced him Jesus must be the Messiah, then he decided to read the New Testament, but its interesting that the book of Daniel was "enough" for this scholars eyes to be opened to the truth of the 333 Old Testament prophecies regarding the coming Messiah, all fulfilled in this one Jewish historical person, Jesus.

The Jewish people qualify as an "Unreached" people groups, and in many other ways as an "unengaged" peoples, in which we should try to reach first somehow. Will you GO preach to the Unreached Jewish Diaspora? Start by giving them Rachmiel Frydland's materials....I tell them "I have a gift for you from histories greatest known Jewish Rabbi! (Then I give them the Jesus Film)!

One day, I went to Wheaton Bible College in Chicago just to visit the campus, to wander around in prayer. I wandered into the Billy Graham Museum of Evangelistic History! It is one of of my most favorite museums, dedicated to those who have labored in the Lord's Vineyard before us! It humbles me to see how great a sacrifice so many have given their lives to share Jesus with a lost world, and these were just a few of the more well known people, and most Americans don't even know these names! Do you know about JOHN SONG of China?

In 1920, with his advanced degrees, he was able to secure full tuition and a \$400 annual living allowance. Union Theological Seminary prided itself on a "progressive outlook." Its professors publicly called for Christian unity, lobbied for international peace and discouraged the use of "imperialist force" in the various crises that were occurring worldwide. Among the lecturers was Harry Emerson Fosdick who challenged traditional Christian beliefs such as the bodily resurrection of Christ. While still at the seminary, Sung set aside much of his Christian faith and chanted Buddhist sutras, studied mysticism, investigated the theosophic societies and other sects that were found in New York. He translated Laozi's "Tao Te Ching", into English and pondered if Laozi's teachings might be for him. Sung later wrote, "My soul wandered in a wilderness." During Christmas break in 1926, Sung attended an evangelistic meeting with fellow students and unexpectedly saw fifteen year old evangelist Uldine Utley give the presentation. Feeling Utley had awakened something within his soul, Sung returned four more times to hear her preach. "Even I, a proud man, was moved by her," said Sung. The Gospel message of Jesus Christ was delivered clearly and persuasively. Sung was determined to discover for himself the power that motivated the young evangelist. It was the Holy Spirit...growing up a "PK-preacher's kid" he had never experienced this.

As later recounted by Sung, on 10 February 1927, during a time of prayer, he was baptized in the Holy Spirit . He continued, "This was my spiritual birthday! Although I already believed in Jesus since my early childhood days, this new experience is a life changing one for me." John Sung described that "The Holy Spirit poured onto me, just like water, on top of my head", then <u>"The Holy Spirit continuously poured onto me wave after wave".</u>

It was then that he claimed to have been born again. "At first it seemed that there was no way to get rid of [his sins] and that he must go to Hell... He turned to the story of the cross in Gospel of Luke 23, and as he read the story came alive. So vivid was the sight of the Saviour dying for his sins that he seemed to be there at the foot of the Cross and pleading to be washed from all his sins in the precious Blood... Then he heard a voice saying, 'Son, thy sins are forgiven.'"

After this experience John Sung now felt that he possessed more strength and enthusiastically preached the Gospel to people he met. John became a radically changed man and began to preach fervently to his peers and lecturers in the seminary. It was such a drastic change in the man that his fellow "liberal theology students" reckoned that he had gone out of his right mind, and the seminary authorities confined him in an insane asylum, where he stayed for 193 days.

Despite this period of isolation, John Sung set himself to read the Bible. It was during this stay that he read through the entire Bible 40 times and soon became very familiar and well versed in its teachings. This period of Scriptural reading and spiritual renewal laid the foundations for one of the major revivals of the 20th century. John tore up his medical degree and then went and preached all over Asia before WW2 and then Communist Persecutions came to Asia! Do you want the Holy Spirit to transform your life? And the world around you?

#29 Honor your Parents (Physical & Spiritual)

The Concept of Holy Remembrance:

Veneration and Taking Time to Meditate and Honor God.

Who do you honor and remember? My parents prayed for me everyday and are praying even more for me now perhaps! I thank God for my parents, my Dad and Mom, loved me, our family, our church and our neighbors and communities. "I asked my Dad, "Come overseas and live with us." after my Mom had passed away, and he said "I was born in this community, I only went overseas to fight in WW2, and I don't want to go overseas again, thank you." My Dad died and is buried next to my Mom in Lordstown, Ohio, the place he loved and served. I thank God for my parents, and wish I could have been a better son, but they knew my life had changed just like John Song, they witnessed it.

Jesus calls us to the changed life of serving God. Some spent their lives building "white washed (tomb) memorials" but what has been cleaned on the inside? God doesn't want us to throw away all traditions either! He could have asked Us to hike to the top of Mt. Everest, or go to a Mecca! Yet, what simple yet important thing did God want us to remember? At least, "on the first day of the week" to remember the Lord's Supper, and that Jesus suffered for US! For our sins, for our redemption! Most churches struggle to keep it every month, and I praise God for our pastor who says, "Take it EVERYDAY!" Please remember! Don't forget, honor God in gratitude and thankfulness! I agree.

When we stand before God the moment after death, Jesus will ask us to recall when we saw Him last! We will ask, "When did we see you Lord?" We waited for you to "come again" in the clouds! We became experts in eschatology and end time prophecies! See all the books with our names in it! Movies, live streams!

"Do you remember when I was sick and you came to me? When I was naked, hungry, homeless, a stranger, and unwanted immigrant? In prison and all alone? Poor, unreached, unengaged, gospel less and lost? Begging for crumbs at your gate every day, the dirty neglected child, in pain, and tears, needing you." Oh Lord, please have mercy on me a sinner, help us remember and respond.
