*Book Three of Twelve c. 2020*

*By Ma Tian En*

**31 days of 365 Stories of  
Courage, Love, Heroes,  
and God-Incidents!**

**Special Thanks to God in 2020 & 5780!**  
**I wish to give God All the Glory for this Booklet of Short BedTime Stories!**  
**Memorize James 1:5,6.**

*I began writing this after my dear friend and sister Jip passed away from cancer, yet the Lord knew it was a big job, so the Holy Spirit began to send help in many ways. One is brother James Meletiou, a 80 plus year old Greek brother in Knoxville, Tennessee,  
Jmeletiou@BellSouth.net*

*James already had many short stories and testimonies already done to share and encourage others! Some of his stories are used in this booklet. The Public Library, Ibiblios.org and the Guttenburg Project are other sources of free, difficult to find Christian testimonies. We wish to share and preserve for future generations rare Christian stories to be an encouragement and strengthening to faith in God the Father, Jesus Christ and the precious Holy Spirit!. I give special THANKS to all my family and friends who helped me, prayed for me and love me during this season.*

*Christian Islamic Dialogue ([www.welovemuslims.org](http://www.welovemuslims.org)), has helped hundreds of Muslims to find Jesus as their Lord and Savior. In this Book Three, we wish to highlight some of the pioneers who have recently passed away like Ms Carla Baker, and Billy Graham. We honor them in their dedication and love as men who desired "all to be saved" and labored to help as many of the one billion Muslims finds Jesus in the truths of the Bible which is the only inspired God breathed document in all history.*

*God has indeed placed "eternity in our heart's" and has instilled abundantly creative Revelation in all cultures in order to illuminate the truths of Jesus to those who seek Him. God is a loving, very personal God, seeking all and hoping to be found by us if we can but just open our spiritual eyes long enough to behold Him.*

It also has a LINK to over 1500 different languages Jesus Films which show the Gospel of Luke. If for some reason your language isn't in it yet, write and let them and us know and we will help it get done.*

## **Note To Friends, Parents, and Grandparents:**

**This is not your “Typical” Bedtime Story Book! It is meant to make you laugh together, also cry together, to create a few memories and projects together you might not make time to do otherwise. Its meant to take about 15 minutes per night, but then once a week, on Friday, expect a “project” you will both enjoy and plan 30 minutes....or so.**

**I intend to fulfill many purposes writing this, to help you create a legacy for your family, a keepsake of heritage, a place to record life changes, prayers and answers to prayers! After living in China many years, I returned to a country that had forgotten to put a *missions section* in their bookstores! So I am attempting to fix it.... *my way*.**

**Life is too short to see it wasted, so let us make the most of every opportunity to spread the love of God, even in the face of hatred, to uphold clear moral boundaries because hell is a real place and (thankfully heaven too), to promote God’s desire that no one should be lost, but rather all possible be saved!**

***Grant Father God that we might be godly, grateful, gracious and guided by Your loving Heart.***

***In Jesus’ Name. Amen***

## NOTES

**#1 Jerry Falwell  
“Aflame for God”  
“Be Willing  
To Pay the  
Price for Jesus”  
Memorize Phil 1:6**

*It was around Christmas time, and at this time in my life, I had taken a very difficult stand for Jesus in my life and many people, including some family members had turned away from me. So I was feeling discouraged and said to the Lord, “It doesn’t look like I will have much of a Christmas this year without your help, do you have a gift for me?” I was at a used book store “free” bin, and just as I spoke it out my hand touched a hand signed copy of the book by Strober & Tomczak, “Aflame for God”, signed by Jerry Falwell himself dated 1979.*

*Many had told me to forget about preaching and to just go make money. But what did Jerry say to my heart on page 187?*

*“I believe that America holds the key to world evangelization. What other nation in the world can give the gospel to the world except America?” Yes, on the back of my van I had made a bumper sticker saying, “Make America Born Again!” and Jerry reminded me why God called me back to the USA in this season.*

*Jerry continued, “What other nation has the young people, the churches, the Bibles, the money, and the raw materials to evangelize the world? As a nation we must get back into the Bible, back into Christian families, and back into good, Bible-preaching, soul-winning churches. America needs a divine Healing. Let us ask God for it. Revival begins when individuals repent of their sins and receive Jesus Christ as their Lord and Savior. That is why two thousand years ago Jesus died upon a cross, was buried, and rose again for the justification and salvation of a lost race. Wherever you are today, acknowledge if you are lost and need Jesus: will you bow your head and say, “God have mercy on me a sinner; save me through the shed blood of your Son.” Will you invite Jesus into your heart right now? Please do it.” Do you want to pray my child?*

#2: a,b. World Leaders, Presidents and Purim.  
See [www.godainicafe.com](http://www.godainicafe.com)

The “CoffeeShoppe International Cafe” in Flagstaff, AZ that existed from 1990 -1997 was transplanted to China in 1999 and is still going strong by God’s grace and favor in 2020! PTL. We host English Corners.

Every March we celebrate Purim, Why?

World Leaders, and common people of every Nation need to remember who is truly in charge of the Nations! God is, not man. Yes, God is the one who in His Divine Destiny and interplay of our choices to obey or disobey reads each heart and sees our true motives, our desire to honor Him or not, our desire to show Mercy or not. This is why Purim is such an important story to read from the Book of Esther in the Bible out loud every year. When evil Haman, who wanted to kill ALL the Jewish people (an act called Genocide), God had a plan to show mercy to the Jewish people and save them. Does this sound familiar? Read it.

Now can you imagine, the current leader of Iran leading the Bibi, the leader of Israel on a royal horse around Jerusalem? Iran’s leader has often shouted, “Death to America!” “Death to Israel!” but, God loves those who worship Him in spirit and truth, even if they might not fully understand who He is nor who the Messiah, Jesus of Nazareth is.

Read Esther this week! Celebrate Purim!

***“True Gold fears no fire.”***

***Zhen Jin Bu Pa Hou Lian.. Chinese Proverb***

**b. Psalms 91: God is our “Body Guard” and also our Leaders Divine Shield.**

**“God’s Hand on America” by Michael Medved is a great book showing God’s Providence in the Modern Era. Can you imagine William H. Jackson, in 1873 climbing through the Colorado mountains looking for a Cross he heard was on the side of one of its many mountains! The Civil War had ended, and they had a great question in all their hearts, “God after so many lost their lives fighting to free the black peoples from slavery, do you forgive our country? Do you still love America?” Some mocked and laughed at him when he said he was going to look for a place only a few “mountain men story folks” spoke of, yet he believed it was true. Yet one morning, the fog lifted and there it was, and as he got his camera ready, a great beautiful rainbow appeared and it was then Mr. Jackson knew God was smiling down on this holy moment. It was like God was saying, “My Son Jesus died on the Cross for you, so if I carve it here, will you remember this? Jesus forgave you, will you forgive others?”**

**On Mount Rushmore, our US President’s faces are carved into rock, why? To remember that God spared their lives in order to serve others as leaders. George Washington was in a terrible battle, had bullet holes in his clothes, but was not harmed, so he wrote, “The Hand of Providence (God) has been so conspicuous in all this, that he must be worse than an infidel that lacks faith, and more than wicked, that has not Gratitude enough to acknowledge his obligation.” Yes, obligation, not entitlement, faith and not fake hearts. Lincoln said, “happy indeed if I shall be an humble instrument in the hands of the Almighty, and of this, His almost chosen people, for perpetuating the object of that great struggle (for freedom from Slavery)”.**

**Theodore Roosevelt, on his way to give a speech was shot by an assassin. Yet, though he was bleeding, he had been shot in the same spot his big thick paper speech had been folded into his pocket of his jacket and it slowed the bullet just enough to not kill him! The Hand of God saved him, and he went on to give the speech and to become a great President who loved God! So, do you believe God can protect you? Read Psalms 91 and see how God does this! Memorize Psm 91.**

**#3. Slavery & Islam:  
Mauritania & Mali.  
TODAY 2020  
Over 600,000  
Black Slaves of Arabs in  
N.Africa Seek Freedom in  
Jesus and before the Sahal  
Islamic Nations.**

Slavery? Today? How would you feel if people told you “You are being sold today and will never see your family again?”

Oh, you mean illegal, trafficking slavery and not endorsed by any culture or nation, right? No, I mean, culturally perpetuated and endorsed Islamic normed, Nation sponsored Slavery Today so people desire to run and flee for their lives or risk being beaten or killed.

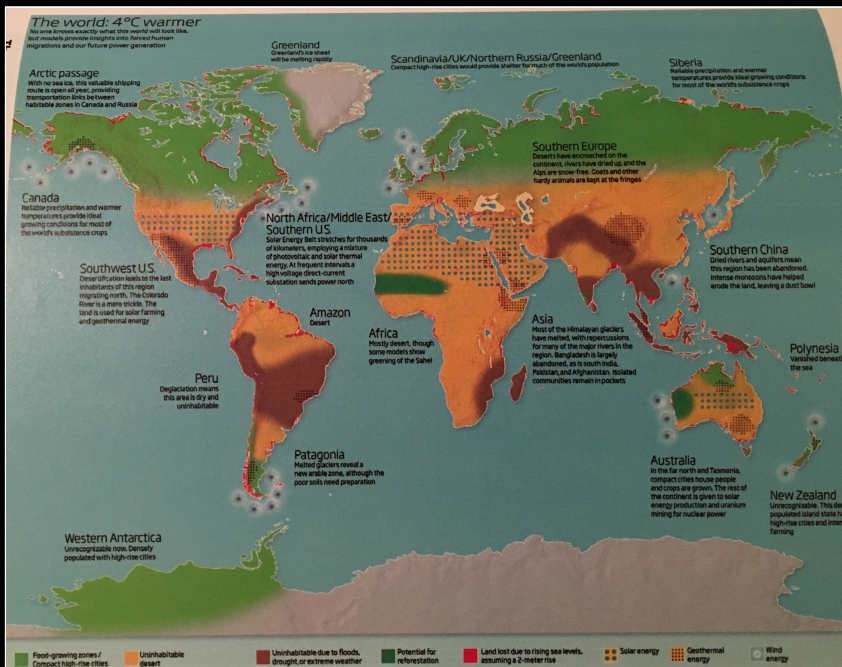

The Quran encourages Slavery today, just as it always has, so in order to follow their beliefs, so do entire Nations of Muslims in the world today. They just do it quietly. People in Africa, with no freedom, bought and sold like you buy a pet or a animal. In these isolated places, they flee to risk their lives crossing the dangerous sea to Europe. Many die, but they prefer the risk of death to having no freedom. Yet, the real freedom they ALL need is in their soul and spirit first, since if they are Muslim inside, they will agree that slavery is OK even if they seek to flee it.

How many churches are helping them flee to the freedom loving arms of Jesus?

Its very dangerous to help them, and many have given their lives in Mali, and Mauritania, dying of the most dangerous beast in the country, the mosquito! This insect kills thousands with cerebral meningitis, so if a family has 10 children, half will die of this terrible plague. The other 5 sold into slavery, and with the Climate Changes coming to the world, these people know their only hope is to flee north.

Also, 50+ Nations leaders said “You can’t speak the truth or even question about this Prophet or thing about Islam or we will kill you. Would you still speak out? Over 50 Muslim countries in the world have a “Blasphemy Law” gagging their people to ever say anything negative about Islam, even if it was truth, would you? So God helps today with the Internet and via this venue many find Jesus in PalTalk chat rooms. See [www.welovemuslims.org](http://www.welovemuslims.org) and day and night, conversations happen, questions are answered and they keep finding Jesus as the Way, Truth and Life.

How to Preach the

### Climate Change 2020-2050.

This is one of many Maps trying to Project the World as 4 degrees Celsius Warmer. Other Maps are more Severe. Are you Ready?

Look at it carefully, where do you want your children to live? Last month, my dear bro Scotty and his family in Australia text saying, "Pray for rain to put out all the fires, the average temp increases in our country yearly is terrible."

God assigned mankind to be good stewards over His garden. New, safer nuclear power is the only clean solution, since solar and wind generation is both unreliable. All our ports will need to be rebuilt on higher ground and will need to be Super storm proof. Is your home able to survive a crisis? No electric for 6 months? Do you have a Generator? Wood-Stove? Garden? Solar and back-up Water and Fuel? Be Prepared like the 5 Virgins who had EXTRA LAMP OIL.

**#5. E.J. Daniels &  
Billy Graham:  
1973 Vision  
“Millions of Souls  
Vision for Jesus”  
Today’s 2020 Vision?  
Billions of Souls  
For Jesus to be Won!  
Memorize Matt.28:18f**

They reached an audience of millions with television ministry and crusades across the world. In addition to weekly television show, Daniels & Graham preached to millions in week-long international crusades each year and an equal amount in the United States. Many Southern Baptists recall the meetings in their rural communities, where both worked up a sweat in his old fashioned “tent meetings”. Their sermons would have humor, a lot of Bible with tremendous application and a very clear, strong appeal - “Come to Christ, the Only Way, Truth, Life, Hope”. Daniels, founder and director of Christ for the World Inc., wrote 38 books and was editor of Orlando based, Christ for the World Family Magazine. Both will be best remembered as preachers whose one desire was to win people to Christ. Daniels became known as The “Million Soul Man” as thousands upon thousands responded to his Gospel preaching in India, Korea and Africa. Graham preached to 215 million in 185 countries!

In 2020, we have the Internet, a population over 7 billion with only 2+ billion “Christians”, so of 5 billion, 2 billion lost, having never heard and are waiting to hear, and we **MUST GO!** Pray God helps send US into the Harvest Now, we only have this life, don’t waste it! **GO, GO, GO...!**

# CYBERSECURITY

## # 6 Cyber-INsecurity 2020

**“Preach the Gospel,  
In Season and out of  
Season, “also in the  
Grid or off the Grid”  
High Tech & Low Tech  
Memorize 2 Tim.4.2**

### **High and Low Tech Lifestyles for Jesus:**

**I remember my dear bro Charlie helped me with my first computer set up, and taught me what email was and how to use a computer. Do you have a Computer? How many hours do you spend on it everyday? \_\_\_\_\_.**

**Computers are tools, and can both help you and if used in a wrong way, also hurt you very badly. It is one thing to have knowledge, but the next and more important thing is to have wisdom from above and understanding in order to make the best use of the knowledge into applications to help everyday.**

**Before computers, people valued pencils, and pens. Paper, books, libraries, yet now all these are changing as the Digital world replaces the HandsOn world. One danger is that your computer can be controlled by another without you knowing it. Hacked. So a person in another country can turn off all the electricity in your country by turning off your computers that run them! If you have no electricity, you have no power to run a computer, to stay warm, to pump gas, to do most everything you do everyday! America can spend 700 billion dollars a year on weapons to protect you and what if none of the switches work? CyberSecurity is just a Tool that others can steal.**

**If you are Amish, it won't bother you too much, they live without electricity by choice everyday and enjoy the simplicity, healthy food, exercise & fun of life.**

**“Love God & Live Simple, Balanced Lives-Give More Wisely-Expect God”. This hangs over my bed...so become Tool Savvy in BOTH WORLDS. Be Low Tech and High Tech Smart. If I had to live without electric for a year, I want my low tech Tools to make life good. If I have electric, then I want my high tech to not dominate me, nor make me lazy, but that it makes life work more smooth and effective to God's glory.**

## **#7 Ms Carla Brown**

### **Community Bridge-Builder of Unity and Love For Jesus.**

**Knoxville,  
Tennessee**

I had the honor of knowing Ms. Carla Brown (top right in the picture), and though she was a business woman like Lydia in the Bible, she always put God and others first as a Servant of God. She and other sisters, co-founded “God’s Anointed Women of Vision” and she was the 2<sup>nd</sup> Vice President of the Knoxville Branch of NAACP, and Lay Director of Evangelism.

She meet weekly and discipled others to follow Jesus, not just in words, but in ACTION. Once a month, she and these Anointed women, host “Love is the Answer”, a Music & Dance Showcase, with potluck food, Talent Shows for Youth and so much more. Different venues like the Global Outlook Cafe or The Avenue host these events, like Kwanzaa (Dec.26), Black History, and outreaches to encourage youth in their walk to follow Jesus in their gifts.

See You Tube, via “Divine Urban Expressions” (Unity in the Community) and other posts by Felicia Outsey & others, so poetry reading and writing, skits, drama, dance groups, song writing, art, dance are all untapped ways to release God’s Love and power into our community for good. The Showcase Events are always the last Saturday of the month. 6.30pm, so bring your talent for Open Mic, and share since “His Love is the Answer” to all our Community problems.

One day the Sisters came to the Cafe and they said, "a car pulled up and began shooting at a house across the street, and we and the kids were in the cross-fire, we just hit the ground, they left at least 80 shell casings all over before they roared off. We are so tired of all the shooting and killings!" I said, "If you were the Mayor, what simple steps would you take to stop it?" The most clear profound list came out of her mouth! "First, I would put gate guards and video cameras on our streets, and narrow the entry and exit places. Also I would add speed bumps so they just can't shoot and roar away. The gangs don't like any of this and will leave in a few weeks, especially if you add a couple gate guards. Second, the city isn't interested in helping us set up and sustain new businesses so our people work, they rather do tax sales to people who just want to sit on the property for a future investment and never fix anything in 20 years, then it's beyond repair, so they need to make an ordinance that helps people both purchase, repair and open the proposed business within a year of purchase. The contractors who control all the codes make all the money, and none of them are local, since it's the good ol' boy system, every school needs a vo-tech system to train our young men for a job in high school to help do the plumbing, electrical, etc on all these places so they can be certified and start their own businesses. Finally, a lot of the shootings in Athens, TN, and other places are because the big drug dealers pay off the local police to be their "hit men" and cover for running drugs from the Texas borders up to the big cities in the North, they pay off the Judges too. All the youth know how it works but they are afraid to be killed, and if they the Youth leaders, they are even threatened, and put in prison on no charges. The Public Defenders Office has already declared the local and prison system hopelessly corrupted. It's no longer about "reform or restitution" but only that each body gets 60K a year into the Prison budget coffers, so it motivates them to add more bodies to make more money! Shoplifters in Walmart get years in prison, while the drug lords pay attorneys big money to get them a slap on the hands, so the attorneys and Judges are often more corrupt than the crooks. Every church needs to go beyond the old Sunday and Wed thing and be open 24/7 to really care for the community, have its own "Social Justice Dept." and push back against evil."

Solutions to the  
Racial Problems  
For all Cultures  
In America.**

**Healing our Local,  
National and Global  
Wounds Forever!**

**Healing the Racial Wounds:**

Tulsa Oklahoma represents a stark example of wounds in need of healing. A century ago, (1917-1923) the Greenwood neighborhood of Tulsa was a thriving, upper-middle class black community -- until KKK agitated mobs burned 1,200 homes, looted dozens of shops and left nothing but ruins and rubble across 35 blocks... and massacred more than 200 hundred black and white residents. (see Google for details).

Dayton, Ohio represents another sad example of wounds in need of healing. My ethnically diverse grandparents lived in a all black neighborhood for 20 years. My Grandma was a Quaker/Methodist and pro-abolition freedom fighter, yet after they were targeted, robbed and bound twice by young black men who threatened to do worst if they didn't move, they sold their home and left as their friends begged them to stay. Sin has no color. Many of the deadliest and ugliest attacks in American history , are never heard, never makes it to our history books, and it is just two examples. Thousands of black and white Americans were killed by mobs in cities and towns all across the country, and even worse in 1994 Burundi and Rwanda one million died in 100 days.

Memorize 1 Tim.2.5**

November 6, 2019 | From CBN News

“Lord our hearts go out to this family at the loss of their precious daughter at the hands of her evil captors. We thank You for Your blessed assurance of where she is and for the example that she set for all of us. “

The US military operation that resulted in the death of ISIS leader Abu Bakr al-Baghdadi was dedicated to Kayla Mueller, a young Christian woman who was kidnapped, tortured, and murdered by the Islamic State.

Mueller, 26, was abducted by ISIS in August 2013 in Aleppo, Syria after leaving a Doctor's Without Borders hospital there. US officials said Baghdadi tortured her, announcing in 2015 that she died in captivity. Her body has never been recovered. White House National Security Adviser Robert O'Brien told NBC's Meet the Press" on Sunday that the operation against Baghdadi was named after Mueller.

“The chairman of the joint chiefs of staff named the operation that took down al-Baghdadi after Kayla Mueller, after what she had suffered,” O'Brien said, adding that Baghdadi was the “most vicious, cruel man.”

Her father, Carl Mueller, recounted his daughter's last days in an interview with The Arizona Republic shortly after President Donald Trump announced Baghdadi's death.

“What this man did to Kayla — he kidnapped her,” Mueller father said. “She was held in many prisons. She was held in solitary confinement. She was tortured. She was intimidated and worse...”

“Mr. Mueller, earlier stated, “President Obama didn't allow a ransom to be paid to help her escape, though he allowed it in others cases, Why?” Only God knows.

*All over the world Christians are martyred in many countries, mostly Islamic dominated ones every day, yet few remember nor take it to heart. Others just disappear, like Pastor Raymond Koh and many other Malaysian pastors and their spouse. No one holds the Islamic Nation accountable, but God does.*

*I believe Kayla was allowed to share the Gospel with al-Baghdadi before he died, to show that “though we were enemies of God” Jesus died, was buried, and rose from the dead to live forever, the Eternal Prophet, to show the love, mercy and justice of God to sinful, evil mankind and offer a way of hope, escape and salvation.*

*God desires the salvation of the most savage from “head hunters to Islamic ISIS” to help turn them from their Black Stone Idol and Flags to find the Only True, Eternal God, and the Eternal Word of God, Jesus (Kalimatu'llah), and the Eternal Spirit which are One.*

## **#10. Samuel Lamb**

### **Faith in the Face of Persecution in China**

#### **Twenty One Years In Prison for Jesus**

Samuel was beaten, and tortured but never wavered in his love and devotion to Jesus Christ. Why? He refused to “register” his House church with the Chinese government, because they would still persecute them either way. Why? The Chinese government is Communist, they not only don’t believe in God, they believe its wrong for others to follow this “myth” and force people to change or die. Since he and others have “kept the faith” now China has over 200 million Christians! Half the size of America! Wow!

When asked, “How did you survive all those years in prison?” Samuel said, “I quoted Scripture that I committed to memory and composed hymns to worship God.” We must copy Bibles page by page, by hand, our church is threatened with no jobs, no salary, but thousands come to church weekly.

Many Chinese pastors are in prison like Wang Li, and 500 of his church members in Chengdu, but soon 500 million will follow Jesus as their Lord in China in 2020-2030, then one billion!

As former CPS (Child Protective Service HSS3) for the State Of Arizona, we know how difficult it is for dedicated Christians to work in a system often ruled by hate filled liberal social workers but Philip and Kathy are my heroes. They fostered, adopted and raised 3 wonderful boys who are all successful young men. They helped so many people in the love and spirit of Jesus, yet as a former lesbian Mennonite and her legal daughter sought to flee and protect her daughter, what would you do, help or ignore her? Philip chose to help this lady and it landed him in prison.

Why? Pro Gay and Lesbian forces and unjust political power.

Johnny Cao is a Christian pastor married to an American, and he even has a Green Card as he awaits to become a US citizen. Yet, he decided that he must go help the Burmese Karen and other mountain border Christians fleeing for their lives. The Burmese Army is always in the news for their evil persecution of the Rohingya Muslims forced off their beachfront property so Chinese and other developers can build a new “Disneyland” in the cheap land of Southern Asia.

Yet, for years, David Eubanks and his “Burma Rangers” have been rescuing Christians systematically driven from their villages by the Buddhist-Communist Burmese Army. Landmines are placed around their homes so they cannot return. Entire villages of Christians flood into Yunnan, China every year escaping death. The Burma Rangers supply training to create medical rescue teams to help the poor, defenseless, Christians as they run to live under trees with thousands of others on the border. Johnny Cao was picked up by the Chinese Border Guards and then appeared in prison. Pray for his wife, and family, pray he is released soon and returned to the USA. Pray for his health and that his testimony remains strong for Jesus in this trial of his faith.

The Balance of Truth

Miftah ul Asrar  
The Key of Mysteries

Tariq-ul Hyat  
The Way of Salvation

Translated in German, Chinese, Persian, Urdu, Arabic,  
Armenian, Turkish, and English.

"If the thirsty on earth seek for a drink,  
May the water brooks seek these thirsty, and not shrink."

See [www.Muhammadanism.org](http://www.Muhammadanism.org) also [www.answering-islam.org](http://www.answering-islam.org)  
Few scholars have led more Muslims to follow the truth of Jesus,  
and the Bible, than Pfander. His materials, once studied by the  
Islamic scholars of many nations, continue to lead these men to  
the decision to turn from Islam at the risk of their lives, to follow  
the truth of Jesus in the Bible as the only way of salvation for all  
Time; past, present and future.

Safdar Ali, a Muslim scholar struggled in debate and study for  
three years, and was finally baptized into Christ on Christmas  
Day 1864. Abdul Masih (1776-1827) an Indian from a devout  
Muslim family in Delhi, was a great and wealthy Muslim scholar  
who converted to follow Jesus also became a very powerful  
Christian evangelist helping many to follow Jesus as Lord.  
During one of his many trips, 1813-1814, 50 (fifty) Muslims were  
converted and baptized together. All of very high stature.  
Memorize 1 Cor. 8:6

Not only does Abdul Masih's example touch millions today via the Internet legacy, but thousands of others like Imad ud-din Lahiz (1830-1900) who was a Islamic scholar, preacher, writer, and Quranic translator, who converted to Christianity.

He had translated the Quran into Urdu, and was from a fourth generation of Islamic scholar family. Yet, while assisting Rahmatullah Kairanawi alongside Muhammad Wazir Khan in a debate with Karl Pfander in Agra, 1854, studied Pfander's writings and stated,

"We can now, I think, say that the controversy has virtually been complete...the Christians have obtained a complete victory, while our opponents have been signally defeated." Then his aged father, and brother, his wife and five sons and four daughters all gave their lives to Jesus as their Saviour. He then wrote a book, Tahqiq ul-Iman criticizing those Maulvis who he felt were unnecessarily putting faith in Islam.

Today about 10.2 million Muslims have converted to Christianity since a 2015 study, yet out of one billion, there is still in great zealous need to increase this rate much faster.

Abo of Tiflis, Abraham of Bulgaria, St Adolphus, Jabalah ibn al-Aiham of Syria, Leo Africanus, Hodja Amiris, and hundreds more listed under "Converts to Christianity from Islam." Memorize Acts 16.14.

## # 14 Esther John. Ex-Muslim, Convert to Jesus wins the Hearts of all Pakistan for Jesus. Martyred 1960.

Esther John (Urdu: استر جون) (born Qamar Zia (Urdu: قمر ضياء) on 14 December 1929; died 2 February 1960) was a Pakistani Christian nurse who was murdered in 1960. In 1998, she was honored with a statue above the great west door of Westminster Abbey, among nine other Christian martyrs of the twentieth century.

Qamar Zia was born into an Islamic family on 14 December 1929, in British India. She attended a Christian school from the age of seventeen, and was so inspired by the Book of Isaiah (9:6-11) that she decided to convert to Christianity. Zia's family migrated to the newly-born Pakistan in 1947. She continued to study the Bible in secret, and seven years later ran away from home, fearing that her family would force her into a marriage. She took a job in an orphanage in Laugesen, Karachi, and changed her name to Esther John. In June 1955, she moved to Sahiwal, where she lived and worked in a mission hospital. From 1956 to 1959, she trained to be a teacher at the United Bible Training Centre in Gujranwala, then spent the remainder of her life evangelizing in the villages around Chichawatni and was martyred among those she loved unto death. She is the "Mother Theresa of Pakistan", every Pakistani sees her as the Hero of her Country, bold enough to become a Christian even! Memorize Rev. 14:13.

**#15. Daud Rahbar  
Pakistani Muslim  
Turned Christian,  
Poet, Scholar,  
Composer, Writer.  
Memorize Rom.14.8.**

Rahbar was raised as Muslim but converted to Christianity as a professor at Ankara University. He records in his memoir that he was baptised as a Christian by a Protestant United States Air Force Chaplain, Meredith Smith, in Ankara, on 6 July 1959. Rahbar noted that his conversion was not a result of the 1958 Colloquium, but was more closely related to the memories of Partition of India and the then environment in Turkey. He stated that the "categorical mercy" of the New Testament and the "Christian world seemed to...offer a spiritual home" from his growing pessimism. A couple of months later, Rahbar wrote A letter to Christian and Muslim Friends as a confession of faith.

This confession, however, was not fully accepted by some Muslim intellectuals. Khaled Ahmed, a Pakistani political and cultural analyst, stated that Rahbar's supposed conversion to Christianity was nothing more than a "myth created in Lahore" Yet Rahbar never denied a Christian faith and love for others.

In the published version of his dissertation, God of Justice: A Study in the Ethical Doctrine of the Qur'an published by E. J. Brill in 1960, Rahbar advanced the position that God's mercy is always subordinate to justice, so mercy is only available to believers. Rahbar was an intelligent scholar and knew the risk of becoming a Christian as a Muslim, and trusted in Jesus, the Mercy of God. Will you trust and risk for belief in Jesus?

#16. St. Patrick's Prayer  
 "I Arise Today..often is a better kind  
 Of Translation for a Morning Prayer,  
 Yet to "bind on" the full armor of God"  
 Eph.6. is also a good rendering.

Either way, the Power of the Holy  
 Spirit rested on Patrick in all the  
 Confrontations with evil and idols,  
 The Irish turned to Jesus.

## St. Patrick's Breastplate

I bind unto myself today  
 The strong Name of the Trinity,  
 By invocation of the same,  
 The Three in One and One in Three.

I bind this day to me for ever.  
 By power of faith, Christ's incarnation;  
 His baptism in the Jordan river;  
 His death on Cross for my salvation;  
 His bursting from the spiced tomb;  
 His riding up the heavenly way;  
 His coming at the day of doom; \*  
 I bind unto myself today.

I bind unto myself the power  
 Of the great love of the cherubim;  
 The sweet 'well done' in judgment hour,  
 The service of the seraphim,  
 Confessors' faith, Apostles' word,  
 The Patriarchs' prayers, the Prophets' scrolls,  
 All good deeds done unto the Lord,  
 And purity of virgin souls.

I bind unto myself today  
 The virtues of the starlit heaven,  
 The glorious sun's life-giving ray,  
 The whiteness of the moon at even,  
 The flashing of the lightning free,  
 The whirling wind's tempestuous shocks,  
 The stable earth, the deep salt sea,  
 Around the old eternal rocks.

I bind unto myself today  
 The power of God to hold and lead,  
 His eye to watch, His might to stay,  
 His ear to hearken to my need.  
 The wisdom of my God to teach,  
 His hand to guide, His shield to ward,  
 The word of God to give me speech,  
 His heavenly host to be my guard.

Against the demon snares of sin,  
 The vice that gives temptation force,  
 The natural lusts that war within,  
 The hostile men that mar my course;  
 Or few or many, far or nigh,  
 In every place and in all hours,  
 Against their fierce hostility,  
 I bind to me these holy powers.

Against all Satan's spells and wiles,  
 Against false words of heresy,  
 Against the knowledge that defiles,  
 Against the heart's idolatry,  
 Against the wizard's evil craft,  
 Against the death wound and the burning,  
 The choking wave and the poisoned shaft,  
 Protect me, Christ, till Thy returning.

Christ be with me, Christ within me,  
 Christ behind me, Christ before me,  
 Christ beside me, Christ to win me,  
 Christ to comfort and restore me.  
 Christ beneath me, Christ above me,  
 Christ in quiet, Christ in danger,  
 Christ in hearts of all that love me,  
 Christ in mouth of friend and stranger.

I bind unto myself the Name,  
 The strong Name of the Trinity;  
 By invocation of the same.  
 The Three in One, and One in Three,  
 Of Whom all nature hath creation,  
 Eternal Father, Spirit, Word:  
 Praise to the Lord of my salvation,  
 Salvation is of Christ the Lord.

**Rotimi Adebare**  
**Former Muslim**  
**Becomes first Black**  
**Christian Mayor in**  
**Ireland**  
**Memorize Eph. 6.10.**

Rotimi Adebare is a Nigerian-born Irish politician. He was elected as the first black mayor in Ireland.

Born 1964 in Okeodan, Ogun State, Nigeria, he converted from Islam to Christianity and fled Nigeria in 2000, seeking asylum in Ireland on the grounds of religious persecution.

Rotimi's application was rejected because of insufficient evidence he had personally suffered persecution, but he gained residency because his third child, another boy, was born in Ireland.

He and his family settled in County Laois. In 2004, he was elected as a town councillor in local elections. In June 2007 he was elected as mayor of Portlaoise Town Council (9 members), with support from Fine Gael, Sinn Féin and an Independent councillor. In the 2009 local elections he was re-elected to the town council and also to Laois County Council for the Portlaoise electoral area. Yes, God is raising up many former Muslims who are now Christian leaders, so pray for more and more! Like one (Nigerian Muslim) Lawyer Binta Encounters Jesus In An Open Vision! Memorize Acts 26.20.

As a young Christian and student at Kent State University, I was very interested in the debates between Atheistic Scientists (those Who say there is no God) ,and Christian Scientists! One famous Debate was between Dr. Thomas Warren and Dr. Anthony Flew.

Dr. Anthony Flew was a friend at Oxford University of the famous C.S. Lewis, and they spent many hours together discussing detailed topics related to the truth and existence of God.

IT SHOCKED the Atheist world when Dr. Flew openly and boldly became a Christian, and his book outlines what he calls the “death of the Atheist argument”.

“Think for a minute of a marble table in front of you. Do you think that, given a trillion years or infinite time, the table could suddenly or gradually become conscious, aware of its surroundings, aware of its identity the way you are?” pg163.

Memorize Acts 26.18.

Li Wenliang (Chinese: 李文亮; pinyin: Lǐ Wénliàng; 12 October 1986 – 7 February 2020) was a Chinese ophthalmologist at Wuhan Central Hospital who warned about a new coronavirus strain on 30 December 2019 on WeChat to fellow colleagues, becoming a whistle-blower when his warnings were later shared publicly.

On 3 January 2020, Wuhan police summoned and admonished him for "making false comments on the Internet".

Li returned to work, later contracting the virus from an infected patient and dying from the disease on 7 February 2020.

He and his family are Christians, and all the world is moved by his sacrificial choice to spread awareness about the virus despite the risks he faced, especially to his reputation and to his on health.

He continued to care for patients until he was infected himself. What a legacy to leave behind of what it means to be like Jesus to those hurting in this time of world crisis.

He chose to be an example of Immanuel “God with us” to the people of Wuhan. Well done, good and faithful servant.

The death of Li provoked considerable grief and anger on the social media which became extended to a demand for freedom of speech. The hashtag #wewantfreedomofspeech gained over 2 million views and over 5,500 posts within 5 hours before it was removed by the censors, as were other related hashtags and posts.

“I don't want to be a hero, I still have my parents,  
and my children, and my pregnant wife who's about to  
Give birth, and many of my patients in the ward,  
Though my integrity cannot be exchanged for the goodness  
of others, Despite my loss and confusion, I should proceed  
anyway, Who let me choose this country and this family?  
How many grievances do I have? When this battle is over,  
I will look up to the Sky with tears like Rain.

I don't want to be a hero, but as a doctor, I cannot just see  
This unknown virus hurting my peers, and so many  
Innocent people, though they are dying, they are always  
Looking at me in their eyes with their Hope of life.

Who would have ever realized that I was going to die?

There is a light in the sky! At the end of the light is the  
Heaven that people often talk about, but I would rather  
Not go there, I'd rather go back to my hometown in Wuhan.  
I have my new house there. For which I still have to pay off  
The loan every month. How can I give up? How can I give  
Up? For my parents without their son, How sad must it be?  
For my sweetheart without her husband, how can she face

I am already gone. I see them taking my body, putting it

## #23 Where is Pastor. Raymond Koh?

The Malaysian Government admitted the “Enforced Disappearance:” yet has NOT released nor returned Pastor Koh to his family?

The Deceit of Islamic Rule In Malaysian History 2020.

Malaysia’s human rights commission, Suhakam, has ruled that Pastor Raymond Koh and a Muslim social activist, Amri Che Mat, were the victims of state sponsored “enforced disappearances”. After a year-long inquiry, Suhakam reported on Wednesday (3 April) that the two were taken by a Special Branch – the police’s intelligence unit. Church leaders in Malaysia are now calling on the government to “Immediately take steps to clarify and separate the jurisdictions of the religious authorities and the Royal Malaysia Police.”

In a statement in response to Suhakam’s report, the Council of Churches of Malaysia, which includes three Anglican dioceses of the Church of the Province of South East Asia, and the Mar Thoma Syrian Church in Malaysia, also called for the immediate launch of “an independent and impartial investigation into the Raymond Koh and Amri Che Mat cases, free of conflict of interest.” This Islamic State needs to free these men, whom they have lied about holding.

They also called for the families to the two men to be provided with remedies, “especially their right to know the truth about the fate and whereabouts of these two men.”

Raymond Koh, who had been accused of proselytising Muslims, disappeared on 13 February 2017 in Selangor. Mr Amri, who practices Shia Islam, which is banned in Sunni-majority Malaysia, also disappeared on 24 November 2016 in Perlis. The report said that the two men’s religious activities was the reason for their disappearance. Large numbers of the Malaysian population have become Christians without the help of Pastor Koh, yet he is now used as their “scapegoat”.

## #24. Freedom to Speak?

Solutions? Gag Everyone!  
All Critics Silenced One  
Way or Another....UN?

If You Disagree,  
might be Dis-Membered,  
in an Embassy!  
Remember the Threat!  
Memorize Isa.30:17-21.

Today I was watching a Hudson Institute Report on the state of The Uyghur Culture in China's XinJiang Province, Feb,2020.

China is using Computer Surveillance and Algorithms to “randomly profile and round up Uyghurs- 1500 men per week, women and children also” to add them to their “re-education prisons” in which one million are now (2020) in Cultural “brain-washing” locked, jails. Many of these are good kind Uyghurs.

The Islamic Cultures and the China Cultures have clashed! Yet,the Islamic world is very quiet, and have ignored this, why?

Money! The China Silk-Belt Rd. has poured billions of investment into all the Asian Islamic world so no one wishes to “rock the money boat”. In Kunming China 2013, a group of discontent Uyghurs killed innocent mothers, fathers, children with swords in a crowded train station shocking the nation, so the leaders decided they cannot ignore this clash because it is much bigger than one terrible incident. Their method is called “Controlled, Enforced Assimilation” of the Islamic by the Chinese Culture. It has been a back and forth battle for centuries.

This is Testing the Conscience of the World Community, why? Every “majority” culture is guilty of trying to change the “other” culture, whether Native American, African, Tibetan, Rohingya, or Hindu. All cultures have good and bad “habits”, but what is the best way to Solve this, outer control or inner “transformation”?

## #25. What is Cultural Healing (Geno-Cura)?

Memorize Rev. 22:2  
“The Healing of the Nations”

The Cross of Jesus is the Center,  
and Only True, Lasting, Healthy  
Way Change can ONLY Come.

“Real Change first is an Inside Desire,  
In response to the Holy Spirit, and any  
Change forced from the Outside  
Methods of Control are Weak & Temporary.”

The New York Holocaust survivor, and UN Jewish lawyer, Mr. Lempkin created the term “Genocide” i.e. “race mass murder”, because all the other terms seemed too weak to describe such terror. So likewise, we have felt the need to create a new word, “Geno-cura” because no term existed to express the “race mass healing” so badly needed in our world today, a word to describe the “revival healing” that will sweep the earth.

Isa.53:5 “the chastisement of our peace was upon him (Jesus) and with his stripes we are healed.”

Mark 5:34 “Jesus said to her, “Daughter, thy faith hath made thee whole, go in peace, and be whole of thy PLAGUE.”

All around the global community “Houses of Prayer for all Nations” have begun to rise more and more, see Blog info

Luke 9:2,6. “Then he sent them forth to preach the Kingdom of God, and to heal the sick...” God calls all peoples to examine their culture, to embrace the good of their and others cultures, and to turn from the bad of theirs and others cultures, and to be adopted into the New Culture, the Original One, the Kingdom of God Culture. ### Love is the Answer.

Geno-cura” exists to express the opposite so badly needed in our world today, a word for “race mass healing”. Just as genocide just doesn't “happen” but must be a process of “hate speech”, the opposite is true as well, so our God given task is to stir up our hearts, our neighborhood, in God's LOVE SPEECH, and then stir up our city, our State, and then our Nation, but then to take it beyond our borders, to stir up the rest of the world to “out-loving one another”, so just as people are stirred up by twisted and money loving media manipulation, God's people can be even more zealous to stir up “Random Acts of Regular Everlasting KINDNESS” i.e. “R.A.R.E Kindness” and to even stir Media into clean, people loving media Co-operations!

See Divine Urban Expression on YouTube “Unity in the Community” with Felicia Outsey, also Ben Breakdancer Vasquez in Chinese on YouTube to name a few. Ben Benton, BeyondDeFence “Peace Up/Guns Down”, and “the Gospel”.

## #27. Henry Martyn

Translated the Bible  
Into Urdu and Persian.  
so that the Muslim World  
May come to know Jesus

Today 2020, Iran has the  
Greatest Revival for  
Muslims coming to Christ  
Than any other Country.

Henry Martyn arrived from Briton to India in April 1806, where he preached and occupied himself in the study of linguistics. He translated the whole of the New Testament into Urdu, the language of India which is now home to over one billion people. He also translated the “Book of Common Prayer.”

Then Martyn translated the Bible into Persian, the language of Iran, a Shia Muslim dominated land and the Judaeo-Persic or Jewish Iranian dialect brought over during the days of Esther in the Old Testament.. He also translated the Psalms into Persian. From India, he set out for Bushire, Shiraz, Isfahan, and Tabriz, and gave the King or Shah of Iran, his first Bible in their language as a gift.

Martyn was seized with a serious fever, and, though the plague was raging at Tokat, he was forced to stop there, unable to continue. On 16 October 1812 he died. He was remembered for his courage, selflessness and his religious devotion. In his zeal as a young martyr he is quoted as saying,

“Let me burn for God!”

Medi Debaj, a former Muslim turned pastor and many other thousands now walk in Eternal Life as martyrs because of the Love of Henry Martyn to go translate the Word of God.

#28. Benito Juárez

Who is the Most  
Famous Mexican  
Born March 21<sup>st</sup>.

Like Martin Luther  
King Jr. the Whole  
Nation stops to  
Remember Benito!

Benito Juárez, the most honored man of Mexican history, do you know anything of him? You should, he was trained to be a priest and was very well educated, and loved Jesus.

His most famous quote is well-remembered in Mexico:

"Entre los individuos, como entre las naciones, el respeto al derecho ajeno es la paz", meaning "Among individuals, as among nations, respect for the rights of others is peace".

The portion of this motto in bold is inscribed on the coat of arms of Oaxaca. It is quoted in truncated form in stone on the Juárez statue in Bryant Park in New York City, "Respect for the rights of others is peace." This quote summarizes Mexico's stances towards foreign affairs.

Another famous quote: "La ley ha sido siempre mi espada y mi escudo", or "The law has always been my shield and my sword", is a phrase often reproduced as decoration inside court and tribunals buildings. Like David in the Old Testament, he was a simple shepherd boy, yet God raised him to be a great leader for his people. I used to work in Duran & Duran Associates for Antonio and Elia Duran, and they also are great leader for the Mexican peoples who love Jesus. He was an attorney, and they did many Hispanic adoptions to bless families in Arizona. Pray the Lord's Prayer over Mexico and its peoples today.

## #29. Samuel Zwemer

The Modern Day  
Apostle to the  
Muslim Peoples

Scholar, Writer,  
Preacher  
Recruiter to GO.

In 1889, Zwemer co-founded with James Cantine at the Seminary, the American Arabian Mission. He left to Arabia in 1890 to work directly with the Muslim community. At this time, his main mode of evangelism was distribution of literature and personal conversation. He combined models of confrontational and a more irenic approach of presenting the love of Christ, 'characteristic of the student volunteers'. Stories of his spontaneous interaction with people suggest that he was a capable and creative personal evangelist.

In the tradition of Lull, Zwemer 'left behind a mighty highway of print almost a book a year in English for over half a century. He settled in Cairo in 1912 to work with the Nile Mission Press to make it 'a production point for Christian Literature for Muslims.' paying for much of it out of his own pocket. He founded the American Christian Literature Society for Moslems (A.C.L.S.M) which raised over a quarter of a million dollars for the production of evangelical literature. Its Constitution expressed Zwemer's belief that the printed page 'has a unique value as a means of carrying the Gospel to Mohammedans... [it] finds an entrance into many doors closed to the living witness and can proclaim the Gospel persistently, fearlessly and effectively.'

Zwemer saw printed page as 'the "leaves for the healing of the nations" in his program of mission strategy.'

#30. Samuel Zwemer and  
J. Christy & Betty Wilson Jr.

One Billion Muslims  
Are Already Flooding  
Into the Kingdom of  
God in Christ Jesus  
In 2020, will YOU join  
The Great Harvest!

### Recruitment: The Greatest Need Today.

Zwemer's third milestone was accepting a professorship at Princeton in 1929 and marked an era of equipping and recruiting for the missionary movement, though this had been a significant aspect of his career from the beginning. In an extended period of furlough he was a traveling representative for the SVM and his speaking ability in motivating for missions was legendary.

His itinerary was herculean: in America in 1914 he gave 151 addresses in 113 days across the country. W.H.T. Gairdner called him 'a steam engine in breeches'. His talent for fundraising was equally impressive, one year raising \$32,886 for the Reformed Board of Foreign Missions, when the salary of a missionary on the field at this time was \$900 a year.

J. Christy Wilson Jr. summarized: 'Speer and Zwemer probably influenced more young men and women to go into missionary service than any two individuals in all of Christian history.' to date.

I met Betty Wilson in California and she gave me many copies of "More to Be Desired than Gold" by her husband and they are some of the most helpful "training stories" for new recruits in print also "Cross Cultural Training Manual" by Ma Rong Guang and Niridin Akmet. in Chinese and English.

### 31. The Greatest Needs Today is Reaching the Muslim World for Jesus! 2020-2050

“There is no Love if  
there is no Truth.”

Faster-More Effectively,  
and in a Multiplying,  
Holy Spirit led Anointing  
that Glorifies God.

Pastor Stefan Huviar, a beloved Nestorian Iranian evangelical pastor labored alongside J. Christy's father in Tabriz many years, and one day asked Christy what he wanted to do when he grew up! Christy had frequently heard his parents praying for Afghanistan, an unreached country to the east. He knew that this country, approximately the size of Texas, didn't have even one Christian. He knew this broke God's heart. So he said to Pastor Huviar., “I want to be a missionary to Afghanistan,” “Well,” the pastor responded, “missionaries aren't allowed in Afghanistan.” “That's why I want to be one there,” Christy immediately replied. And that is exactly what Christy did for more than two decades.”

God heard this child's heart, and God hears your heart too! Your words are very powerful and mean a lot to God, and if you love and desire to serve God, He will move all of heaven and earth to help you! Today, it breaks God's heart that people are not going into all the world, the most difficult parts of the world, the world that has never heard the sweet Name and Story of Jesus, though they now have so much resources, they only use it often on their own wants and needs, and not on what God wants and needs! Write below what you want to do for God! (date)

---

God Bless you in this great task of love to bring Him Glory!

The Afghan people had first asked President Eisenhower if they could have a Mosque in Washington DC, so he said “Yes, but only if we can have a church also in Kabul!” It was agreed in good faith.” Yet only 3 years after the church building was done, the Afghan's broke their word. “It doesn't belong to us but to God,” the people of the Kabul church replied. “We can't turn it over for destruction.” And they proceeded to serve tea and cookies to the soldiers who were destroying their place of worship, and God was not pleased with this persecution.

Rumors had reached the Afghan secret police that an “underground church” existed in Afghanistan. So while the workers demolished the church, they carefully dug twelve feet below its foundation in search of this secret subsurface sanctuary—but to no avail! (See the Story of Zia in the Blog).

On Tuesday, July 17, 1973, the Afghan soldiers completed their destruction of the church building. That very night, King Mohammed Zahir Shah, who had ruled for forty years, was overthrown in a coup, and the 227-year-old monarchy in Afghanistan came to an end forever. When J. Christy heard the news, he fell to the floor and wept. God in 2020 is STILL waiting for the Afghan government to repent and REBUILD the church building that they destroyed, and they will have NO PEACE in their country until they repent before God, only war because they dishonored God and broke their word.

It doesn't matter how great the pressure is; what really matters is where the pressure lies. Whether it comes between you and God or presses you nearer His heart.

In America, I always carry Jesus materials in my van to share with all the Nations I meet everyday! People at the gas stations who are from India and lived in the USA 18 years and speak 8 languages have never heard once been told about Jesus? Its a serious SHAME on lazy Christian? America. Don't let a day slip by without sharing with all the Nations around you every day, and use [www.bible.is](http://www.bible.is) to find the Bible in there language for free! Don't ask them what country they are from, ask them how many languages they speak, and they will gladly tell you! In the grocery store, all over the USA, if they have a lot of the same language, learn to say "Hello & Goodbye" in their language! "Mar-ha-ba! In Arabic is Hi. "Men-jama" in Gujarati is Hi, Yuta-hey-ish-ba-na-na is Navajo for "Hey, what's up!" Learn to say Hi and Bye in all 50 State second languages. Write them in a Note Pad and expand it. Have fun! 33
