

A close-up photograph of a yellow butterfly with black spots resting on a pink flower. The butterfly is positioned in the center-right of the frame, facing left. Its wings are spread, showing a vibrant yellow color with distinct black markings. The pink flower it is on has multiple layers of petals, some of which are in sharp focus while others are blurred. The background is a soft, out-of-focus mix of green and pink, suggesting a garden setting. The overall lighting is bright and natural, highlighting the textures of the butterfly's wings and the flower's petals.

BedTime Stories From God's Heart

Book Six of Twelve

**365 Stories of Courage, Love,
Heroes, and God-Incidents**

Introduction: Special Thanks! 2024

I wish to give God All the Glory for this Booklet of Short BedTime Stories!

Read John 14:26-27. Memorize one verse a day, repeat it together!

I began writing this after my dear friend and sister Jip passed away from cancer, yet the Lord knew it was a big job, so the Holy Spirit began to send help in many ways. One was brother James Meletiou, a Greek brother in Knoxville, Tennessee. James has now gone to be with the Lord, July 24th and I honor him with the first story last years 2023 Book!

James already had many short stories and testimonies already done to share and encourage others! Some of his stories are used in these booklets. The Public Library, Ibiblios.org and the Guttenburg Project are other sources of free, difficult to find Christian testimonies. We wish to share and preserve for future generations rare Christian stories to be an encouragement and strengthening to faith in God the Father, Jesus Christ virgin born Son and precious Holy Spirit!. I give special THANKS to all my family and friends who helped me, prayed for me and love me during this season.

Bro. David Wan, of Columbus, Ohio and his wife Anne, are old friends. David went home to Jesus and he/they need to be highly honored for his/their Diaspora pastoring to all Chinese and International students around the world!

Loren Cunningham of YWAM (Youth With A Mission) also went home to be with his loving Abba Father, this past year. These young people continue to travel and serve Jesus all over the world in amazing ways.

John Koski, and Sis Connie T. of the UK & China churches and many have just "disappeared" like Malaysian pastors, Raymond Koh, and Himly & wife. See "Citizens Action Group Enforced Disappearance" aka C.A.G.E.D, or have been martyred in 2022. Yet the Lord calls us to do our part during the season He grants us!

**Note To Friends, Parents, and
Grandparents: www.godainicafe.com**

This is not your “Typical” Bedtime Story Book! It is meant to make you laugh together, also cry together, to create a few memories and projects together you might not make time to do otherwise. Its meant to take about 15 minutes per night, but then once a week, on Friday, expect a “project” you will both enjoy and plan 30 minutes....or so. In writing this I intend to fulfill many purposes , such as, to help you create a legacy for your family, a keepsake of heritage, a place to record life changes, prayers and answers to prayers! After living in China many years, I returned to a country that had forgotten to put a *missions section* in their bookstores! So I am attempting to fix this.... *my way*.

Life is too short to see it wasted, so let us make the most of every opportunity to spread the love of God, even in the face of hatred, and to uphold clear moral boundaries because hell is a real place and (thankfully heaven too), and to promote God’s desire that no one should be lost, but rather that all possible would be saved!

Grant Father God that we might be godly, grateful, gracious and guided by Your loving Heart.

In Jesus’ Name. Amen

#1 J. Harold Smith

**A True Evangelist
Pioneering Radio
And Tent Meeting
Evangelism
2 Timothy 4:5**

Jerry Falwell giving J. Harold Smith a hug!

“...do the work of an evangelist”

What is the “work of an evangelist”? People who loved money and liquor more than God hated the preaching of the Gospel! They oftentimes threatened J. Harold Smith's life, he spoke out against anything that drew people away from loving and obeying God, like “liquor & Sunday movies”. I asked a Knoxville TN sister about J. Harold Smith, and she said “When I was 14 years old, (she is in her 90's now) we went to his tent meetings and they were packed with hundreds of people every night getting saved!” The bootleggers hated him because they wanted to sell their liquid DOPE, that robs people's souls and sends whole families to prison and hell, and J Harold didn't hold back! He exposed their evil! Once a group of men drew straws to shoot him dead. The man who drew the straw went to the house to kill him, but he came under such strong conviction by God, he could not ring the door bell nor pull the trigger! Angels protected J. Harold many times faithfully!

People would mock him and mock the Holy Spirit which is the “unforgivable sin” no preacher speaks of often today, and often the mocker got in a terrible car accident and died in the flames the same day, screaming that “hell and demons were dragging them away”! His famous sermon “Three Deadlines” are still filled with the anointing and can be heard on YouTube. These powerful testimonies brought thousands to Jesus then and today if you dare listen!

#2 David Wan A Diaspora Chinese True Pastor Who Loved Jesus & Led By Example. 2 Timothy 3:17

"...That the Man of God may be complete/mature, fully equipped unto every good work. " 2 Timothy 3:17.

When I first met David and his wife Anne, they were on the Ohio State Campus ministering to International students from every nation. These students needed a good Mom and Dad example who really cared and understood them, and this couple had been raised up by God to fulfill this precious task! Jody and Xiao Long and their many children had moved from China to Ohio and were serving with them. David and Anne loved them as their own children and grand children. The church message was in Chinese and English, both relevant and Spirit led in order to really feed these students hungry souls, so hungry for divine truth, wisdom and knowledge.

The pressure on overseas students of the Diaspora are great! They are the "best of the best" to get to the USA and maintain a high grade point average. Even if their parents might be important people in their culture and had a lot of influence and money, the student still needed to prove themselves in a new culture and among their peers.

These Chinese students often grew up in a "one child policy" family, and the honor and future of the parents, and grandparents, rested on the students daily. Stability, hard work, good health are a must to maintain a strong performance over years of school, and the parents sacrifices all for the child so they would succeed for not just themselves but for the whole families future. So sad that in the USA so many families "cancel" out, rather than forgive, help and stand with!

Many international students, if they do not have this strong caring support of the church will face many serious spiritual attacks. Once a Chinese student in Arizona, I will call "Peter" came to me saying, "A woman college professor is lesbian and is trying to seduce my wife, she holds academic power over my wife's future, what can we do?" We prayed together, binding the evil demons behind this predatory college professor, then we shared the problem with Christian professors on campus who agreed to help, and they were set free from this woman's grip, graduated in another college and best of all, both were baptized into Christ to follow Jesus and raise a family!

#3, Muslims Seeking Allah, YET Finding the Real Jesus!

**Did you know millions of MUSLIMS have confessed Jesus as the Son of God?
Did you know that the Internet and SAT 7 TV shares Jesus 24/7 to the entire Muslim world, yet your personal involvement in discipling them is urgently NOW like never before in their hour of transition and need!**

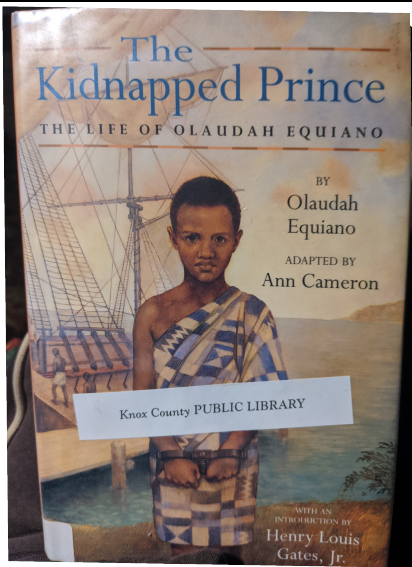

“Forbidden Miracles” By Mina Nevisa, is a true story of of how a very devout Muslim of Iran sought Allah yet discovered the real Jesus! His was a 40 year saga, the opulently wealthy son of an Iranian Ayatollah, at age 77 had a life-changing encounter with Jesus Christ, the Ever-Living Last Prophet, Eternal Word and Messiah and Mahdi of all Ages. In danger these Iranian followers of Jesus continue to multiply as the Iranian Revival continues over 30 years.

Bro Dick Dryer, recently went home to be with the Lord Jesus after faithfully reaching out to these dear souls with his family all their years. In Iran, Yemen, and among many Muslim peoples, he could speak in their heart language and answer their questions in a way that brought them closer to Jesus daily.

Nabeel Qureshi, in his book “Seeking Allah, Finding Jesus” helps Muslims find the truth, and exposes the lies they have been raised under all their lives in a cultural bubble of isolation. Millions have watched his and David Wood's You Tube discussions in many languages all over the world, and are finding the deep and lasting truth and peace of Jesus.

#4 Olaudah Equiano: The True Adventure Story of a African Prince. His Freedom From Slavery and Travel for Jesus.

**Olaudah Equiano: aka Gustavus Vassa
The African Slave who Ended Slavery by His Writing Skills!**

This Narrative survives as a precious historical record of this man's struggle against the evils of slavery. Slavery exists today, mostly because the Quran and Muslim nations still endorse it in some degree, even though it is banned as evil in the Bible (I Tim.1:10). “slave traders & liars”, many ungodly people reject the Declaration of Human Rights, and enslave others in many ways. This young Igbo Nigerian prince was kidnapped, enslaved, yet learned to read & write, and published his own book about the struggles he and many others faced due to slavery. He wrote his book in 1790, and the law of slavery was finally changed in 1807. yet this book helped bring that change.

Over and again throughout his book, he gives God the glory for sparing his life so he could write, knowing that millions others stories many never been told regarding their sufferings and victories. Between 9 million and 20 million slaves travelled across the Atlantic Ocean, and the industrialization by coal helped to replace human toil with machines. His book was translated into many languages, English, Dutch, Russian, and French. People could identify with his suffering, and the story of one person's testimony represented millions of others untold story.

So young person, has God given you a testimony? A story to help another person struggling along the way? Will you use the gift of your mind, heart and talent to share God's burden and love? God used His Eternal Word, Jesus, to become flesh and suffer, so you could hear the story of God's love for you and the nations, thank Him now.

**#5. The Crucifix Fish:
God's Amazing Artwork!**

**Can You See the Image of Jesus on the Cross?
This is the backbone of a catfish!
If you shake it, you can hear the sound of Roman dice.
They gambled for Jesus' robe.
Along the coast of America, you can find these
And people marvel at the detail and beauty,
God's artistic reminder that Jesus died on a cross,
Shed his blood as a willing sacrifice for our sins,
He desires all to be saved and none to be lost,
Have you accepted God's gift? Eternal Life?
If not, pray now out loud,
"Abba Father, forgive me, a sinner in need of saving,
Thank You for dying in my place, so I might live anew,
I believe Jesus is the Son of God and the only Way
To be gain eternal Life in Your Presence,
I want to be Born Again in water and spirit,
Help me obey and follow the Bible faithfully
Every day of my life, and live with You forever.
In Jesus' Name I pray, Amen"**

***In these deserts, let me labor, on these mountains,
Let me tell, How He died, the blessed Savior,
To redeem a world from waiting hell,
Woe to me, if I waiver, so dear Lord, help me labor,
Let me tell of Jesus' love, let me tell...***

#6. Samuel Morris of Liberia: Kaboo-Kru African Prince

**African Heritage
Missionary to USA for Jesus.**

*"Sow me Anywhere Laud'
In that New Field 2x,
Don't care how you sow me,
In that new field,
Just that my Savior hold me,
In that new field."*

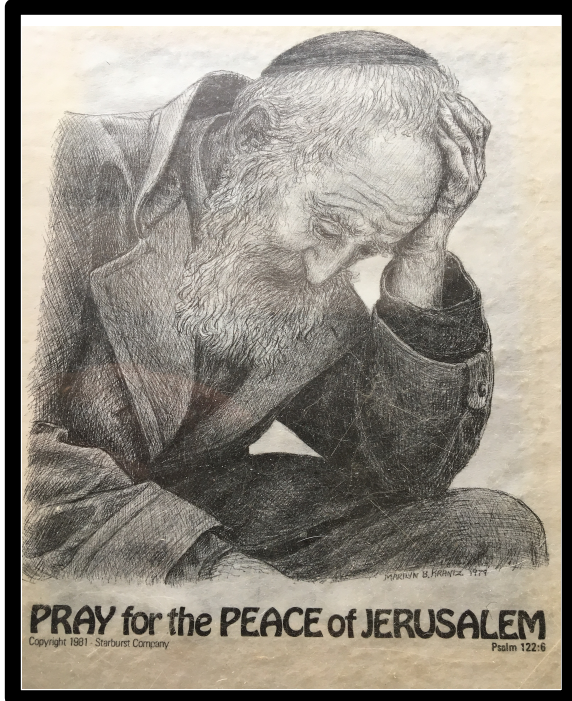

Its not just America, South Korea, or the UK who send forth missionaries into the Nations! The house churches of China, Brazil, Europe and Africa all are obedient to God and GO! To whom do they Go? Those who are the most unreached with the Gospel in all Nations.

Samuel Kaboo Morris (1873 – May 12, 1893) was a Liberian prince who converted to evangelical Christianity around the age of 14. Around age 18, he left Liberia for the United States to achieve an education and arrived at Taylor University in December 1891. There is now a residence hall at Taylor bearing his name. His devotion to God and the miracles around him influences people today! He died in 1893 from complications of a respiratory infection.

Have you heard of this precious brother before? Why not? Morris's life has been the subject of five novels, over a dozen biographies, a 1954 film, and a 1988 documentary. Taylor University has named numerous buildings, scholarships, and a society in his honor, and his story has helped to inspire others to go to Africa to preach the Gospel. During Kwanza, many names are spoken forth, but instead of Malcolm X, I always say, Samuel Morris!

Samuel Kaboo Morris was born in Liberia, in 1873. Kaboo was a prince in the Kru tribe. When he was 14 years old, his tribe, (the Kru) was attacked by the Grebos. Kaboo was captured and used as a "pawn". The Grebos forced the Kru to pay each month in order to be able to see Kaboo and ensure his safety. Kaboo's father, the chief, came each time but the Grebos consistently refused what he brought. Finally, the Kru could bring no more and Kaboo began to be tortured every day. During one of his beatings, there was a flash of light and a voice told Kaboo to flee. The ropes which bound him fell off and his sick body gained strength. He fled to the jungle, where he wandered for days living off snails and mangos until he came to a coffee plantation. Kaboo began to work for the owner of the plantation, and a former slave who had come to Liberia. While living on the plantation, he began to attend church where he was taught by missionaries. After hearing the Biblical narrative of Saul's conversion, where a man encountered a blinding light, Kaboo converted to Christianity. He was baptized, and took the name Samuel Morris, after a mentor of one of the missionaries. Morris was motivated to travel to America as he learned more about God whom he had encountered.

His sincere faith led the entire crew on his ship to Jesus on the way to New York. Everyplace he went, he shared his testimony and people got saved! Have you shared yours? Watch his movie on You Tube before you go to sleep tonight and be blessed.

#7. The Jewish DP Displaced Millions After WW 2

June 1918
To Oct 7, 2023

Chaim Weizmann
(British Zionist)

Faisal Ibn Hussein
(Arab Leader)

President Truman

*A Problem Deeper
Than Land or
Leaders.*

British Zionist leader Chaim Weizmann (left) and Faisal ibn Hussein, June 4, 1918. The following year, with Lawrence as intermediary, the two joined forces at the Paris Peace Conference to call for a combined Arab-Jewish state in Palestine. This effort was ultimately sabotaged by British and French interests.

"The Last Million" Europe's Displaced Person's from World War to Cold War By David Nasaw.

"The Americans and British leaders looked upon the post War Jewish problem, "They had smelled the unique and unforgettable smell of huddled, homeless humanity, and they have seen and heard for themselves, what it means to be the isolated survivors of a family deported to a German concentration camp or slave labor...They knew that they were not wanted by the Western democracies...They knew that far away in Palestine there was a national home willing and eager to receive them and give them a chance of rebuilding their lives, not as aliens in a foreign state but as Hebrews in their own country...Judged by sober realities, their only hope of an early release was Palestine." pg. 218.

The German preNazi Axis and Turkish Ottoman Muslim Empire in WWI desired to kill by genocide the Christian Armenians and the Jewish peoples, and the Palestinians under the Mufti Muslims of Jerusalem agreed, yet they lost WW1, defeated by the British, Arabs, and Americans Allied Forces. Chaim Weizmann, British Zionist leader, Faisal Ibn Hussein of Saudi Arabia, and Lawrence of Arabia, British Intelligence, met in June 1918 to discuss this future. They saw the Communist atheists as even a greater future threat killing 100 million plus freezing whole villages in Siberia who disagreed with their Marxist-Socialism.

The surface problems were Land and Leaders, yet the deeper cultural problem was the Quran and the Bible. The Quran taught that the Jews, Christians and Polytheists were the "very worst of creatures", (Q.98:-7), while the Muslims were the "best of peoples". (Q.3:110). Jews and Christians might whitewash the cultural issues, yet in their hearts they saw the Muslims as a cult not of God nor any Abrahamic relationship made by God. The Muslims were called the "anti-Christ" in the Bible since they denied Jesus was the Son of God (born of a virgin miracle), saying "God can have no son nor wife (Mary), a confused contradiction of Christian teaching.

Muslims throughout history have pledged to drive all Jews into the sea, to kill them off the face of the world, even as the rocks cry out, "here is a Jew hiding behind me, come and kill them!" The Jews of course know this history. The Islamic policy outlined by Bat Ye'or, called "dhimmitude" allows Christians and Jews to exist only under the condition of humiliation, as less than second class citizens, like slaves, if they submit to many rules like, paying heavy taxes, never having freedom to preach to Muslims, never marriage of a Muslim woman to a Christian, and death to any who disagree! Can you see why Cult-Sure States always fight!

The Final Solution? The Love of Jesus, reasoned, shared, ever defended, transforms via Life.

BANG! ZAP_ZAP_ZAP! BOOM!

Every Night in Knoxville, TN 2023 sounded like the War in Ukraine!

This was not fireworks, these were M16 Assault Rifles in a very Democrat neighborhood! Sounds like a War. Bullets are so expensive, yet everyone is showing off their guns on the African American side of Knoxville, TN, and who are they trying to impress or scare? The drug dealers killing each other every night?

Most sadly, the children who are dying near Cherry Street every week!

Ten young men, unarmed murdered, other committing suicide from no HOPE Just in a week?

What is WRONG! Millions are allocated by the City Govt and wasted, pockets lined, its even worse!

Yes, the City added some speed bumps to slow down the gangsters, but they still Squeal their tires!

BANG! BANG! BANG! How many, count them 6 shots? Who is dead tonight ?

Young ROBBIE Matthews is dead! Poor Chocolate is dead, every week another!

It takes REAL deliberate personal RELATIONSHIP to really help the at HIGH RISK CHILDREN & YOUTH, of death young African Americans ignored by the rest of the city, State and Nation! New Sport Parks are Nice, Newer Apartments are nice, and the locals say, the violence has INCREASED! Why? Oh why?

Fixing the OUTSIDE, doesn't do much to HEAL the INSIDE! Dressed up PAIN?

This is a many layered Problem, but the main layers are **EVIL IDEOLOGY MUSIC**,

(Gangster & Country Western Musicians and BACKERS who make millions on the **blood of children** and by a Sick Society that permits it), do you see any holy outrage against it? Any Political Leaders addressing it head on? Whiskey and Drug music is KILLING these kids! Does ANYONE EVEN CARE?

Monthly and poorly Funded "LOVE IS THE ANSWER" Showcase for 9 years says "GOD Cares".

(see Felicia Outsey/ LoveistheAnswer2021 on Facebook)

During COVID 19 in South Africa, the Govt did a **BAN on ALL LIQUOR and Violence**

Dropped BY HALF! Why? Liquor EQUALS Violent Deaths! Will America BAN it?

Will the African be WOKE from being a brainwashed Community who is spending over a Billion Dollars in 2023 on Liquor Sales!!!! Ignoring that their Children are DYING?

Instead of BUS or GARBAGE BOYCOTT will you DO A LIQUOR/MUSIC NATIONWIDE ONE?

#9 Loren Cunningham: YWAM

Www.ChazakRescue.org “First Responders for Jesus” Needs YOU!

YWAM: Youth With A Mission

A Pamiri family on the Tajikistan-Afghanistan border

Chaza Rescue: Get a Degree in 1st Responders!

Many years ago, I would attend a yearly conference in Costa Mesa, CA and since the cost was out of our budget, we slept in our car in the car park each night, then attended the meeting washing up in the bathroom! This is when I met Loren Cunningham and Bro Andrews. Loren had started YWAM to help disciple and launch students into the task of Worldwide Missions for Jesus, and Bro Andrews was focused on helping the Persecuted Christians with Bibles in Communist China and Russian dominated places.

I had been praying about going to the nations to reach unreached peoples for Jesus, when Bro Andrew said to me, “The Lord told me last night, change your entire focus from the Communist world to the greater need and task, the Muslim world! The Lord had been speaking to me about BOTH, the largest unreached group of Muslim in the world were in Communist China and its surrounding areas! So just as David “inquired of the Lord” for The best strategy needed for the season, so must we do the same! I Chron.14:10-14.

We must be willing to be flexible to be used daily in God's hand, so are you? Willing to Travel? Change disrection as needed in the Holy Spirit? Free of debt? In relationship with Jesus first, and those intercessors and others who stand with you to GO do God's will? Inquiring daily of the Lord for His best strategy and directions?

Or, are you stuck in a spiritual rut? They say the only difference between a rut and a grave are the dimensions! Are you lukewarm? Then you are already dead, getting colder by the minute spiritually! Do you want to be HOT for Jesus, alive in His resurrection life? Then REPENT! Throw off the chains of being “safe, comfortable in your lazy disobedient idolatry of selfish, brainwashed, consumerism,” turn off your phone and turn on the Holy Spirit In prayer and inquiry searching in the Bible, and fasting...and He will answer. Jer.33:3.

In America, people go to years of Bible “Seminary” at great financial costs to serve Jesus, yet in China, people go to prison for years due to their faith in Jesus, and come forth in a Tested, deep, true relationship with Jesus, and have memorized the whole Bible by heart! They know how to serve others in LOVE, not just nice, words and no real help. Be willing to learn from those who are already doing the gospel work, this is called “disciple-ship, mentor-ship, apprentice-ship” on the Job, training. Now...GO!

**Deliver those who are drawn towards death,
And hold back those stumbling to the slaughter.
Proverbs 24:10,11**

#10 Rose Livingston

**The Missionary to NYC
Chinatown Sex Slaves,
Risking her Life to save
Others, Are YOU willing
To Risk Your life for
Jesus' SAKE????**

"I don't go in to visit these girls and give them a tract and say "God bless you", and Invite them around to take tea with me. That's not my kind of work. There are some girls that it might be hard to help, but there are some little, fresh young things that have just been brought to Chinatown, and that you can sometimes reach in time to save them, Sometimes you can get there before the harm is done..."

Rose would dress like a man, and rescued between 800 and 5000 girls from the evil Sex slavers. She was attacked, shot, beaten, her jaw broken in these rescues, she Lived to be 99 years old, and did this work for Jesus. She as a young girl had been Lied to by evil men, kidnapped and abused, so she did all she could to save these Poor women and young children.

Solutions? Rose suggested cities to hire plain clothes police women, to patrol Vice-ridden districts, has your city done this, why not? Is the Mayor of Police Chief taking dirty money to aide this evil? Porn sights are a serious problem And Cyber Police need to be regularly arresting these people. Massage Parlors in every city and truck stop, needs vice police to arrest and stop this evil slavery, posting their pictures for all to see and to shame them as a warning to others. Prevention is worth a pound of cure.

Parents need to be careful to warn and protect their children, to avoid them ever getting into a car with a stranger and being kidnapped. Churches need to do background checks on all their teachers and staff, preachers and leaders should NEVER be alone with others of the opposite sex, and work as teams helping others so they don't burn out from the drama of helping others.

***It takes 3 healthy Christian families, to help one family in serious crisis!
One family in need can burn out any one healthy family, so use teamwork!***

Read "What is Love? God is Love" The Kim Chaulk story. Born to a 17 year old mother who Couldn't look out for her, she spent much of her time in foster care. After she had two babies at a young age, Sex work seemed her only available option to a young woman with little education and no family support. Kim worked in the clubs of Hong Kong until she went to the USA to unite with her birth mother. She became A born again Christian which inspired her to change direction and reclaim her life...

**# 11 Sis. Connie UK-China
The Servant of Jesus
The Barnabas of Teams
The Intercessor of Joy**

Jesus looked for people who were willing and available to be His servants. When Saul (Paul) had an encounter with Jesus on the Damascus Road, Jesus sought out his servant Ananias to go to Saul and to minister to this new follower of Jesus. Acts 9:17 Ananias obeyed Jesus and went to this potentially dangerous new disciple, trusting Jesus' word. So likewise, God sent Sis Connie in China into many interesting and strange situations! She was willing to go, for Jesus' sake.

Connie travelled all over China, on bicycles, buses, trains, and only God knows what else. She led intercessory teams to pray down spiritual strongholds over many cities & villages in Asia over many years. People may come live and labor in a place, yet without prayer teams, little breakthrough seems to take place. Intercessors enter a Place and Pray, and the heavens open, signs and wonders begin to manifest, hard hearts open, stone hearts turn to flesh that cares again, evil people repent or leave, Churches are filled with new fire and revival of joy with dancing! Miracles become the norm, many people give their hearts to Jesus, tears break out in every prayer meeting, Meetings go on for weeks non-stop, singing in new tongues, and words of knowledge pour out to encourage everyone, warn everyone.

One of the great mistakes, is that many like sister Connie, were never encouraged to Tape record or write down their stories, and as these saints grow old, so does their Memory, and so many treasures of stories and testimonies fail to get passed on to encourage the next generations. I ask relatives to pass me stories they might have shared and some do and most don't. So if you have any story about Connie, will you Send it to me? global@securenym.net Thank you. I know she knew many saints, like Bro George Verwer, and many others. When I am in the UK, sisters come and say, "Do you remember me? I came with sis Connie to China in 2008!" We had so many Teams come through to help, its hard to remember everything, and it was not wise To keep a journal that could be read later by a PSB police that might endanger others. Please share a Connie story for Vol 7, Thank you...In His Care, Tim

12 John Koski:

Running the Good Race for Jesus among the Yemeni of Detroit Mich. Asia & Middle East

See You Tube

"I have fought the good fight, I have run the race, I have kept the faith" 2 Tim.4:7.

One summer, I was invited to join the Christian Islamic Dialogue teams to visit and work with John Koski in Dearborn & Detroit Michigan areas. John lived in the midst of a large Yemeni Muslim area. He had a Coffee Shoppe Outreach area, yet liked to go "door to door" visiting the Islamic neighbors, sitting on the front porch visiting with the men as they had time. Since we had many Arabic speaking people on our team, it made it all the more a wonderful blessing, building relationships.

The women on our team would visit with the women in both English and Arabic. The Jesus Film in Arabic and many dialects were distributed free. Most people accepted the gift. Many aggressive style "quarelling" so called Christians, came to the community in the past, burning Qurans, etc, yet this mostly made these people more defensive and less willing to listen in this context. For this community, a kinder approach was both needed and welcomed. Hundreds of Jesus Films were distributed in this week of ministry, many good discussions about the Bible, Quran and Science. Follow up websites were given for private studies...the Internet has fast become the new way Muslims seek answers to their questions, not asking the the local Iman. This is true of the entire Muslim world in 2023.

John lost his ability to walk due to ALS, after being a world class Marathon runner across Asia and biking through the Silk Road and Middle East for Jesus. This spartan lifestyle granted him many opportunities to share with many Muslims who had never met a Christian. Many people, even his own family, didn't understand John and his deep zeal to Share Jesus to the unreached peoples near and far, but I understood, and highly honor my dear brother John who has now finished his "race" and gone onto glory.

Jesus met John Koski at the gate of heaven, with an erternal crown to welcome him into the winners circle of saints, faithful to the end, rejoicing in all situations for the ability to run For Jesus! How is your race? Have you begun to run for Jesus? If not, why not start now.

#13: One Million Street Orphans in Cairo, Egypt!

Recently, the Lord sent me to Cairo, Egypt and I couldn't understand why so many little children were beggars on the street! ONE MILLION! So I began to research it and found out. Egypt is the "Om Kitum" the Mother of the Islamic world! Though Mecca boasts of being the kind of source of Islam, Egypt & Damascus were the key trading routes, since Mecca for centuries had a problem, NO WATER! But that is a different historical problem! This current PROBLEM of children dying daily on the streets of Cairo in 2023 is terrible and needs a real SOLUTION! The problem is not a lack of water, but instead, a lack of LOVE.

Muslims can have four wives at a time, and slave concubines on the side, yet are forbidden to adopt children! Even though Muhammad was an orphan, and he adopted Zaid (and later married his adopted sons wife after he asked him to divorce her), Allah THEN seemed to change his mind forbidding all adoption! Only "fostering" is permitted! A foster child is called

"Call them Mawalikum" (your freed slave), using their parent or made up name, but never the family name since they CANNOT inherit from the head of the home. The great majority of orphans in Cairo are MUSLIMS if not ALL one million! Fosterage is only established IF the child is breastfed by the adoptive mother! The child must be younger than two, so too bad if you 3.

"...the worst house among the Muslim is one where the orphan is badly treated." (Adu Hurrah)

The Good News is that Bro Tamar of Practical Love Ministries Caring of Children at Risk (Cairo) (plmkids@yahoo.com) +01221279054 and Sis Basma of Living Stones +20.122.492.2714 they

Go daily to the streets to rescue and help as many children and adults as they can everyday in the name of Jesus! Please help them! Contact them today. Go to Egypt! St. Mark started the Coptic Church in Egypt and Jesus is active in their midst! Pray for the street kids salvation!

Memorize Philippians 1.10

It wasn't long ago when teams called "Donkey's for Jesus" would pack up suitcases full Of Bibles, and travel into other countries to bring the Word of God to places that needed Bibles. NOW, in 2023 you can bring unlimited Bibles via a QR Code on your phone!

Just make sure your phones QR scanner is turned on, hold it over the QR above and then Presto! The app for www.Bible.is is added to your Phone! Walla!

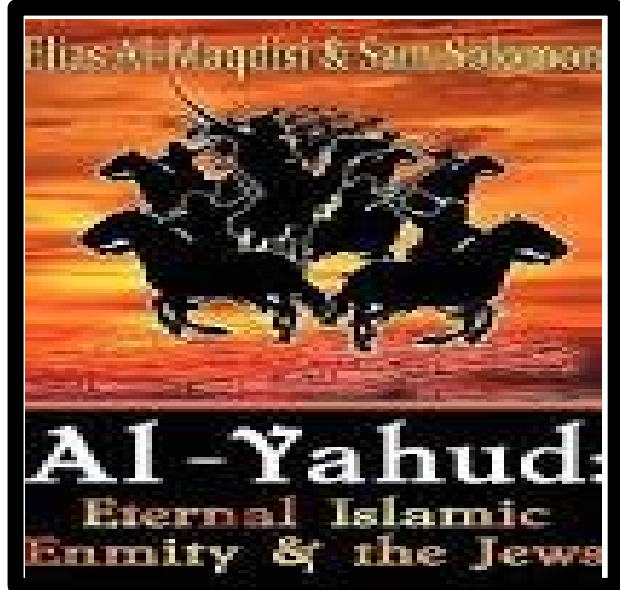

I have been experimenting with QR, so our church printed T-Shirts with this QR and when I was in England, if someone took a picture of me they ALSO got a free Bible! I think Teams should have lanyards with this around their necks, or printed on your hat (back Area) or shirt pocket. Business cards should have this on the back! I put a big QR on my Van and RV too.

If I am in a line to get food, and a person is speaking a different language, I ask them, "How many languages do you speak?" Some say 8!, one man from India said "18!" so Then I say, "I have a gift for you in every language your speak!" and they are happily Shocked, and then, I give them the QR. May pull out their phone on the spot, look for A language they think will not be on the phone, they turn on the Audio and hear their Language and smile, "This is my mother tongue! Amazing!" then invite them to church!

In the UK at Westminster Abby, I spoke to the attendant and asked if they would let the Queen (before she sadly passed away to heaven) post the QR outside so the people in the Que (line) would get a free Bible as they waited! A million people a year stand in that line. I asked Prince Harry to please follow up, but if the King or Justin Welby is reading this Could you Please share the QR Bible by posting it at the Q? At St. Paul's? Many places!

Over 28% of the world population has never seen a Bible yet and 3000 languages or more Still need it translated into their mother language, yet progress is being made! Pray!

#15 The Israeli-Islamic Problem: Oct 7, 2023.

One State Solution????

Why can't people just forgive each other and get along in peace together?
Oct 7, 2023 in Israel was their 9/11, why these terrorist attacks?

**“Do not keep silent, O God! Do not hold Your peace, and do not be still, O God!
For behold, Your enemies make a tumult; and those who hate You have lifted
up their head! They have taken crafty counsel against Your people, and consulted
together against Your sheltered ones.**

**They have said” Come, and let us cut them off from being a nation, that the name
of Israel may be remembered no more. For they have consulted together with one
consent; they form a confederacy against You.” (Psalms 83:1-4)**

**Sam Solomon & Elias Al-Maqdisi make the strongest case I have read yet how the
Quran and the Islamic nations who follow it bear an “eternal grudge” against the
Jewish peoples. Many have vowed to drive them into the sea, so if you are Jewish
do you think a two State Solution would be possible?**

**In Acts 23:11-35, Paul, who was a Christian had been sharing with the Jews about
Jesus. About 40 men had bound themselves with an Vow that “they would neither
Eat nor drink till they killed Paul”, yes, they were very serious. Yet God exposed
their plan, and the Roman commander ironically rescued Paul with the help of his
Nephew! I have always wondered if those 40 men died of hunger or thirst?**

**The Jewish people know that many Islamic people have vowed to kill them all, yet
Jesus is the true solution for both the Jewish and Islamic peoples, why?
The Dead Sea Scrolls PROVE THE TRUTH that 700 years before Jesus, a Child is
said to be born, (Isaiah 9:6) His name is called Wonderful, Counselor, AL-MIGHTY
GOD, EVERLASTING FATHER, Prince of Peace...His government last forever.”**

Yes, Jesus IS the Last Prophet, he is much more than a Prophet.

Memorize Philippians 2:5.

Wat Phra Sing in Chiang Mai Province has a certified copy of the accurate translation of the Original, which is in the book of the district headman, the Religious Encyclopida, Volume 23. book #29. This was confirmed October 13, 1954, (Buddhist era 2497) Phra Sriwisutthiwong is the Deputy Abbot and Director of Wat Pho Museum, Wat Pho Temple, Thailand. See <http://bibleprobe.com/buddhatoldofjesus.htm> also www.thaivisa.com/forum/topic/153879-buddha-and-jesus-your-opinion-on-an-article/.

About 500 years before Christ, Buddha prophesied about the coming of a “Holy One” who Would come---one who would lead the people away from the old way, and introduce a new Way. (Dao). Once an old Brahman priest asked Buddha, “What should we do to be (saved)?” The Buddha answered, “...look for another Holy One who will come and help the world and all of you in the future.” Many think Jesus was a foreigner, but Jesus came from Ancient Israel of West Asia. All Asia can trace its roots back to the great Tower of Babel, and the Great Exodus from the Golden Cradle. Then the Brahman priest asked, “What will Be the characteristic of the Holy One be like? The Buddha answered, “The Holy One who will keep the world in the future will be like this:

“In the Palm of his hands and in the flat of his feet will be the design of a disk, in his Side will be a stab wound; and his forehead will have many marks like scars. The Holy One will be the Golden Boat who will carry you over the cycle of rebirths all the Way The Highest Heaven (Nirvana). Do NOT look for salvation in the old Way, (i.e. trying To merit salvation counting acts). There is no salvation in it alone. Quit the old Way, And there will be a New Spirit like the Light of a lightening bug which will come down From the sky, above to live in all your hearts, and you will be victorious over all Your enemies, Nobody will be able to destroy you. If you die, you will not come back To be born in this world again. You will go to the highest heaven (Nirvana). “

These same things are found in the Old Testament Prophets of Israel see Isaiah 53: also Zechariah 12:10, Daniel 2:14, also Chapter 7. he is called the “Prince of Peace.”

#17. Asoka, born 304 BC, was the son of King Bindusara, and the grandson of King Chandragupta

The famous founder of the Maurya Dynasty. Known as a very violent warrior, anointed as a King over an older brother at age 36, he murdered his 99 half brothers, and was enthroned 268 BC, dying in the year 232 BC. The Kalinga Wars cost him 10,000 of his close men, and 100,000 Kalingan warriors fell. Then Asoka changed, he embraced the non-violence of Buddha. He visited all the ancient Holy places, Lumbini Garden, the birth place of Buddha, then, the Bodhi Tree at Bodhi Gaya, he built 84,000 Stupas like temples. Then he inscribed stone pillars that said people should follow the Holy way of true Piety.

Asoka, also was born before Jesus, but pointed others to the One Buddha said would come later, named Jesus, the Christ which means anointed one! Asoka taught "all people were to essentially be equal and all should observe the Dharma (live a piety holy life) including himself, he gave all his wealth away to reduce poverty, even his last piece of cherry plum fruit before he died. He taught we must all be for each other, and work together for God.

Many cultures have stories of the coming Jesus, not just Buddha, and his follower Asoka. The Magi of Persia who studied the stars, all knew the King of all History had been born, and they knew to follow the star from Persia all the way over to Israel to find Him!

God loves the Kings of all the Hindu and Buddhist nations and has sent Jesus Himself to speak to many in dreams and visions, also to many of the monks. One Burmese Monk was even raised from the dead by Jesus. His name was Athet Pyan Shintaw Paulu. Born in 1958, in the town of Bogale, on the Irrawaddy Delta, area of southern Myanmar (formerly Burma). His parents were devout Buddhists and named him "Thitpin, which means Tree in English". At the age of 16, he started working on a fishing boat, and became the boat leader on the Upper Mainmahlagayon Island which means "Beautiful Woman Island". 100 miles southwest of Yangon (Rangoon) the nation's capital city.

At age 18, he was sent to a Buddhist monastery to be a novice monk, and was given a new Buddhist name U Nata Pannita Ashinthuriya and lived at the Mandalay Kyaikasan Kyaing under the head monk, U Zadila Kyar Ni Kan Sayadaw, the most famous monk in all the country of Myanmar. This great monk died in a car wreck in 1983. Then this young monk got very sick too. The doctors said he had both Yellow fever AND malaria at the same time, and to go home and prepare to die. The young monk got weaker, and weaker and then died. They had prepared to cremate him and were having a ceremony, he had been dead three days. Yet during this time he was in another world..."I was in a very powerful storm. The King of Hell named Yama the Destroyer came to me...he showed me the lake of fire, and many Holy people I knew were in torment in the flames...then later Jesus' holy ones came to me in this place, and told me I was being given another chance...I didn't even know much about Jesus then.." all I remember was sitting up in my casket to everyone's shock! I shared this with all that knew me, and they gave me the name "Paul who Came back to Life" i.e. Athet Pyan Shintaw Paulu.. Jesus allowed me to come back to follow Him and share this story!

#18. George Verwer: Operation Mobilization A Revolution of Love Amidst Global Turmoil

George Verwer, of Operation Mobilization set his life to do just that, to “mobilize real Christian leaders from every tribe and tongue for the great Task of sharing Jesus with a lost and broken world in need of healing and to raise up leaders who were equipped to carry this task forward.”

He wrote three books, 1. A Revolution of Love and Balance. 2. Messi-ology, And 3. Confessions of a Toxic Perfectionist. These three books focus on key Leadership problems he personally faced, and knew others must face as well in this coming culture of “Fake Book” media mis-Identity, being Spirit-led versa being Fake Christian culture led, which creates a Toxic Must be Perfect “straw pride man” destined for the testing fires to bring humility.

Like Nebuchadnezzar in Daniel, the Angel gave the king ample testimony by miracles, dreams and warnings, just as God today does in the religious and political leadership of our day. Yet, Passion, POWER/Pride. And Prejudice, Goes into his spirit, crying “Look what I have Done! MY Kingdom My power, “ A Me, My, Mine Selfishness of Self Transformative Idolatry! Just go to a Book store and look at the Headings on the different rows and Self Transformation Idolatry, “How to Make Myself GREATER” fills the shelves.

The Christian leaders are also known by their books, and picture plastered across the covers, boasting of the millions of dollars of copies sold. Instead of the church and church leaders being transformed by the renewal of their minds via the Bible and its daily application to their character and integrity, it becomes a fake Messi-ology. Very messy. A toxic messy the seekers of truth see through and avoid, so churches end up stealing each others fake sheep rather than helping the lost seekers after God, to find the truth. Ezk.34 speaks of the need for Showers of Blessings as God judges the fake.

You will have lost the war,
You may lose every battle, BUT if you WIN the War of Ideas,
You will have WON THE WAR!
My deepest fear—and your greatest Problem,
Is that you may not be winning the war of ideas!"**

**In Charles Malik's day, the University, was the "clear cut fulcrum" with which to
Move the world! Little did he see the Internet flood the educational influence
And over load of information, that old university community would be supplanted by
the mega online, dehumanized transfer of knowledge without morality.

Plant ideas so you say, " why am I thinking about this, worrying, dwelling,

**What happens on your car if your air filter or oil filter is plugged?
The car begins to run worse, and worse, until the filter is changed, or

I am a dog?? Who decides what the filter of Truth is set for a culture?**

**Who didn't sign the 1948 Human Rights Declaration?

Slavery in 2023?

Many seem to think of slavery as a thing of the past, but not Nadia Murid, who was Awarded the Nobel Peace Prize. She is the founder of Nadia's Initiative, an organization dedicated to "helping women and children victimized by genocides, mass atrocities, and human trafficking to heal and rebuild their lives and communities". In 2018, she and Denis Mukwege were jointly awarded the Nobel Peace Prize for "their efforts to end the use of sexual violence as a weapon of war and armed conflict". She is the first Iraqi and Yazidi to be awarded a Nobel Prize. In 2016, Murad was appointed as the first-ever Goodwill Ambassador for the Dignity of Survivors of Human Trafficking for the United Nations Office on Drugs and Crime (UNODC). She is a great heroine!

What countries still have Slavery in 2023? Nadia knows that ISIL (Islamic State) practices slavery as people captured in war are considered “booty” according to the teachings of Islam. The Yazidi people were bought and sold like cattle as slaves by the Evil ISIL forces in Iraq and then sold throughout the Middle East into many countries even today!

***The top 10 countries in 2023 who practice slavery today are:
Communist and Islamic Countries***

1. India. 7 million slaves 2. China. 3 million slaves 3. North Korea 2.5 million slaves
4. Nigeria 1.3 million slaves 5. Iran 1.2 million slaves 6. Indonesia 1.2 million slaves
7. Congo 1 million slaves 8. Russia 700K slaves 9. Philippines 780K slaves and
10. Afghanistan 749K slaves., forced child labor, forced marriages, commercial sex
exploitation, bonded labor (in debt for life), and forced recruitment for military.

Jesus and the Bible condemn slavery in I Timothy 1:10 calling it “Man stealing”

Building Creative
Global Community

Bill was 88 years young when he went home to be with Jesus. The last text I got from him said "The Lord has promoted me to a new ministry, nursing home evangelism!" I only had a few precious opportunities to spend time with Bill and Holly, but they were rich and wonderful times. We sat together with a young couple who were preparing to leave for Asia, and we all gathered around them to pray and bless them. They built creative networks.

Bill's work was translated into many languages, English, Arabic, French, Mandarin Chinese, and many others. *The Quran, Bible and Science*, was written by Bill in response to a book written by a Muslim doctor who attacked the Bible, and Bill set out to make sure to show how poorly a job the Muslim doctor had done. He succeeded.

Bill also wrote a very good book, "The False Gospel of Barnabas" showing how a Muslim attempted to fake a Gospel. These are all still available for sale on Amazon. It takes a lot of time and labor to research and write, but once it is finished, and then by God's grace, the work is read by generations to come hundreds of years after you have stepped into heaven! I go to the library and find many books over a hundred years old doing Inter-library loans. Its very amazing. Creative networks are built for the far future too.

Have you heard of Demos & Rose Shakarian? They were Spirit filled Armenia Pentecostals who God brought to America to save them all from the Turkish genocide when the Turks starved millions of Armenian Christians in the desert. God took their Ottoman Empire away as a punishment, and sends regular earthquakes to remind them He is not pleased with them. They will never be blessed until they repent and restore all they have stolen from the Christians Like St Sophia and all the churches and Christian communities they destroyed.

Demos & Rose began the Full Gospel Business Men International, uniting churches to meet for Prayer breakfast, and outreach projects. I still seek to go weekly to pray breatfasts, do you? If not, start one in your city. Creative networks are blessed by the Holy Spirit, read John 17.

Zacharia Botros

What is the great need in 2023? There are a great many Crisis in the world today! Many like Food Security, Water Drought, Climate Change, Wars, yet the most serious is Islamic terror.

The *Blasphemy Laws in Islamic Countries* wish to gag anyone who disagrees with Islam, even to the point of prison and death sentence in many countries. Though some European Newspapers claim the “freedom of speech” to mock Islam, this seems to create more smoke and confusion, rather than the clarity the Muslim world needs.

Brother Zacharia Botros, and Alfady Television 24/7 in Arabic and English, create the clear teachings, that have opened the door for many Muslims to leave Islam and to become Christians! Millions of Muslims have converted openly and many more secretly to follow Jesus as their Lord. Other groups like Christian Islamic Dialogue www.welovemuslims.org Openly share Jesus, give free Bibles, and answer the questions more Muslims are afraid to ask, like “Did Mohammad have a 6 year old wife?” In the new internet age, just Google the question like millions quietly do to know the truth. Yet if you bring this up openly on the new like the Hindu leader, Nupur Sharma during a debate, your life is threatened!

The Blasphemy Law is widely abused as a “gag law” to skirt the truth, and oppress the innocent. The Islamic Law straw house is crumbling quickly globally, since young people are eager to find the truth on their own unless they live high in the mountains in ignorance and no Internet connection!

The Egyptian Thebian Roman Legion willing refused to worship the Emperor as “god” and 6,666 died as martyrs, and their testimony led the Swiss to Jesus. St. Maurice, the city is named after their Commander. ISSL martyred the 22 Egyptian Coptic Christians and one Ghanian man who also gave his life to Jesus rather than be forced to convert to Islam!

If you were told that you had the choice of denying Jesus to “convert to Islam”, or die As a Christian, what would you chose to do? These Christians sang praise songs as they died! They woke up in heaven praising God forever! Never kiss a Black Stone!

**How to SHARE Jesus
Quickly with Muslim
Friends
And lead them into a
Discipling Relationship!**

How to Share Jesus with Muslim Friends!

A-salam-alekum! Mean "Peace be Unto You" in Arabic! Jesus said this often, so the Muslim world copied This greeting from the words of Jesus in the Bible (John 20:19)! To reply back you say, "Aleksalam" Meaning, "Peace to you also!"

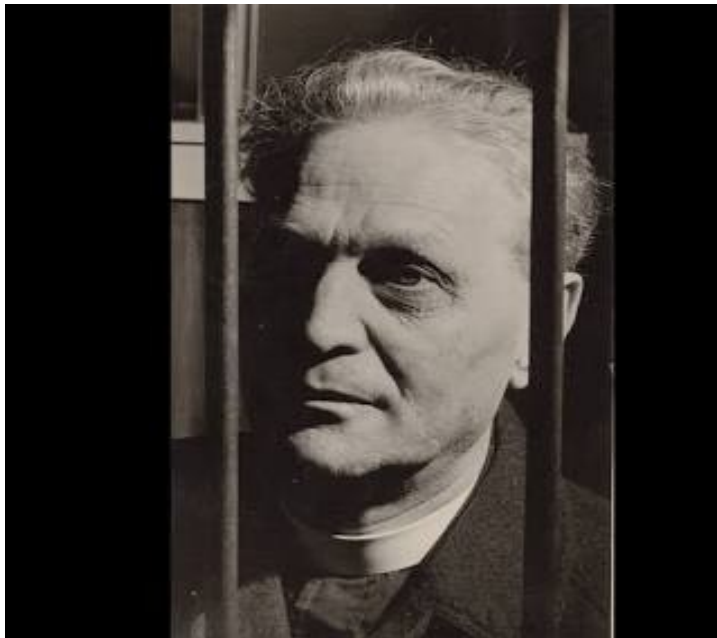

*"I have some News to share with you,
would you like to hear the Good News or the Bad News first?"*

If they say, "Bad News first?" say, "Do you know the story of Sayidna Adam?" (most do know). How many sins did it take for him to be cast out of God's Presence and Paradise? Just one! How many sins have you committed in your life so far? What if you, God forbid, would die this moment! Would you be going to Jannah (Paradise) or to Hell forever? (Most say, I don't know! I hope by God's mercy, Jannah). "Can I tell you the GOOD NEWS Now! "Yes, please do, I need some good news!" Do you know the story of Sayedna Ibrahim? "Yes, which one?" Ibrahim had a son, and God told him to go up to the mountain and sacrifice him, yes?" "Yes, that's right..." "Did Ibrahim obey God and what happened?" "Yes, the Angel of God stopped him before he took his son's life, and provided a substitute ram in his place!" "Correct!" What if Ibrahim REJECTED this Gift of a FIDIA, this Great Free GIFT of the ram, who God be pleased?" Oh NO, Ibrahim was very HAPPY to See the Ram!" "Correct!" The GOOD NEWS is that God has provided a SACRIFICE, A FIDia, for Your sins!" Jesus, al-Masiah, the Virgin born, only sinless One, untouched by Satan, SUBSTITUTE for your sins!" "Do you wish to accept this free gift of Eternal Life? Pray (Duwa) with me right now!" (Lift both hands up At your side, and if they don't resist, begin to pray...)

"ABBA FATHER Creator of the Universe, thank you for this Divine Appointment Together, Thank you for the Sacrifice once and for all times for our sins by the death, burial and resurrection of Jesus to live forever and grant me His substitute for all my sins! Thank you for His blood He shed on my behalf, and the Free Gift of Eternal Life You share with us in this moment, as You cleanse my friend. Holy Spirit, come and fill us afresh and grant us New Life to serve You always. Help my friend read Your Holy Word, for You are the Kalimatu-Allah, the Eternal Word of God made flesh once for all mankind! In Jesus Name we pray...Ameen!

Then Give the friend the www.Bible.is app QR card, in 1800 different languages and ask that they read it ALL. Ask if they are free to get with you later this week, or to meet with a friend to follow up?

Ask God to help you lead and disciple(5) five new people from a Muslim background EVERY WEEK! Find another friend who agrees to go with you and do the same thing, every week! See how many people God will help you lead to Jesus this week! HE NEEDS LABORERS IN THE HARVEST! (Matt.9:37-38) "The harvest is plentiful, but the laborers are few. Therefore, PRAY the Lord of the harvest to SEND OUT Laborers into His harvest."

***“Persecution has ALWAYS produced a better Christian!---a witnessing Christian!
A soul winning Christian! Communist persecution has backfired!
They produced serious, dedicated Christians such as are rarely seen in free lands.
These ones cannot understand how anyone can be a real Christian and not want
To win EVERY SOUL they meet!”***

***“Some leaders of denominations are NOT of the Bride of Christ.
They are so called leaders in a Church in which they have long since
BETRAYED their Master. When they meet someone of the
Underground Church, a living martyr, they look at him as a bit strange...”***

***“Yes, from NOW ON a FIRE burns within us,

“Yes, Hammer Away, Oh, Hammer Away, Hammer ye hostile bands, Your Hammers Will Break, Your Hammers will break, Yes while God's Anvil stands...2x sing it...”

My brothers and sisters, you also MUST BELIEVE that your lives are clay in the Potter's Hand, Yes a wonderful Sculptors Hand. He never makes mistakes! If at times He is hard on you, its because its what we call sometimes, “negative successes”. He loses a pawn to win the entire game! Jesus died to save the entire Creation!”

“The Living Jesus will Give you JOY amid Tribulations...”

“Oh, What can we do to WIN these men to Christ!”

“Whoever wishes to meet Jesus? They must meet him in places where brothers and sisters of Jesus are hungry, thirsty, naked, unwanted, sick, or are in prison. Whoever keeps himself distant from these places remains distant from Jesus.”

“We should NEVER STOP at having won a soul for Christ. By this, we have done ONLY HALF the work! Every soul won for Christ MUST be made a Soul Winner.”

“The Communist officer once told the Christian he was beating, “I AM ALL MIGHTY! As you suppose your God can be...Yes, I CAN KILL YOU!” Yet, the Christian answered, “The power is ALL on my side! Yes, I can love you while you torture me to death.”

“This flower, if you bruise it under your feet, rewards you by giving off its perfume!”

“There was once a fiddler who played such beautiful music that everyone who heard danced and danced. Yet a deaf man who could not hear looked them as all insane.. Those who are dancing with Jesus, in suffering hear the sweet music to which the other men are deaf. We dance with Jesus and do not care if they thing we are insane or not...”

“Repent, win souls! Make it happen NOW, not tomorrow. Tomorrow is the loser's excuse.”

China is not to be won for Christ by quiet, ease-loving men and women... The stamp of men and women we need is such as will put Jesus, China, souls first and foremost in everything and at every time - even life itself must be secondary.

#26: The UnFinished Task of God, the Race for Souls: 2024.

"Peace be unto You!" As My Father

Sent Me so I Send You!...Receive the Holy Spirit!!! refreshing" (Jn.20:21-23)

Psalms 2:8 "Ask of Me, and I will give You the nations for Your inheritance, and the ends of the Earth for Your possession." Yes, we are sent to enter into a co-inheritance eternally with Jesus! Romans 15:20 defines our goal "And so I have made it my aim (goal/target) to preach the gospel, Not where Christ was named, lest I should build on another man's foundation." Paul set his aim On the "UUPG", the (UnEngaged, UnReached, People Groups), so vs 24, he was planning to leave Rome to first go back to Jerusalem to deliver a gift to help the poor, but then hoped to go to Spain!

Are there UnEngaged, Unreached People today who haven't heard about Jesus? YES! 7,098 groups! Of the total 17,070 different ethnic language groups, 7,098 are yet to hear the Gospel so they can Go to heaven! Why haven't they heard yet? The people/ churches are not very obedient to God!

"For every dollar of Christian resource, LESS THAN ONE PENNY goes to the real Mission to reach the unreached peoples! Yet God double blesses those who do!"

There are 4,991 "Frontier Unreached Peoples" and the majority are Muslim (2,498) and Hindu. China has 443 unreached peoples still, and of Pakistan's 835, 828 fall in the unreached peoples. When you really desire to serve God and seek His heart, do you think He needs to send you to all the easy places? These places are "UNREACHED" because they are NOT EASY to get into! Morocco has 31 total people groups, 27 of them haven't heard of Jesus. WHY? Language Barriers, yes, isolated in very hot deserts, yes, the government will throw you in prison for Sharing Jesus, yes, it costs money to get there, yes, it might take all your life to bring even ONE Unreached person to follow Jesus, yes, they might kill you for sharing Jesus, yes, your church And even your family will think you are wasting your life going and should stay home, yes, the Church and family might forget about you like you died, yes, and does God still ask us to GO? Why, YES! The *Sarikoli Tajiks* live High in the border mountains in China, they have no Bible in Their mother tongue, yet a few have become Christians reading a Uyghur Bible, so they need Our help! Millions are waiting to be saved, we must hear their cry and GO. Help me to GO!

It doesn't matter how great the pressure is; what really matters is where the pressure lies. Whether it comes between you and God or presses you nearer His heart.

**# 27 . Be Creative for God!
Make a Weekly Nite a
“Be Creative for God Nite”
Make a Bible Treasure
Hunt Event for Your Home
Group! Do Fun Outreach!**

When our house church met, it was always something we always looked forward to, not some dry old hum drum ritual, leaders need to lead or repent and get out of the way before God moves them out. Here are some ideas.

Treasure Hunt: Divide the house church into teams of one team per car, and then every one gets the list they must go and do, and the first team to do all and video it on their phones wins. And gathers back on time....Like?

Do a “flash Mob break out Gospel Song at the Mall”, or Market Square! Invite 10 people to church with flash cards!

Find a homeless person and take them out to eat! Buy them some groceries, etc.

Make 5 BIG Scripture Signs to put up along the road blessing others.

My friend Rebekka Swan made a “Blessing Card Game”, so make a Game! Make a Chinese & English Scrabble Board Game with Chinese friends, or Arabic, find the other language people to help, Spanish?

Do a “Resurrection Banguet” by inviting the lame, the poor, foreign students, to a meal together. Do a canoe adventure outreach day! Baptize as many people as the Lord leads you to that day!

Do Creative Preaching Skits! Like a Life Boat, and rescuing people from sharks or other demons in the deep, use it to teach team work, and getting the saved people immedietely involved in saving others too!

Do Creative Preaching Psycho-Drama! I was the Radio News Person at the Crucifixion of Jesus, and then went up to the audience and asked “Who are you! Whay are you here? What do you think? One sister said, “I’m Mary, his Mother, O look what they are doing to him!” Another said he was “Nicodemus!” It was so Holy Spirit led and blessed...

Break off the old ritual stuff and Be Creative for God! Jesus will bless you!

#28. Billy Graham and the Holy Spirit's Baptism

My mentor and friend, Ray Register Jr. who spend 39 years serving God in Gallilee (see Galilee Wanderings) shared this info with me, and its important to pass on.

In the book, “A Personal Look at Billy Graham, by Sherwood E. Wurt, this very Key Story is found and should be highlighted.

“During his visit to Britain in October 1946, a meeting was arranged at Hildenborough Hall in Kent where Billy was to be introduced to Christian leaders before his tour of England, Ireland, and Wales. It was there he met Stephen Olford, born of missionary parents in Angola, who preached on “Be not drunk with wine, wherein is excess, but be FILLED with the SPIRIT!” Billy came up to him after the message and asked, “Mr. Olford, I just want to ask one question? Why didn't you give an invitation? I would have been the first one to come forward. You spoke of something I don't have, I want the FULNESS of the Holy Spirit in my life!”

Billy told his biographer John Pollock, “I was seeking for more of God in my life, and I felt that here was a man who could help me. He had a dynamic, a thrill, an exhilaration about him I wanted to capture.” So later in Pontypridd, in a stone hotel, Stephen and Billy spent two days together praying and studying the Bible.

Billy told Stephen, “This is serious business. I have to learn what this is that the Lord has been teaching you.” The first day was spent, according to Stephen, “on the Word and on what it really means to expose oneself to the Word in the quiet time.” Billy prayed during their hours of study, “Lord, I don't want to go on without knowing this Anointing You have given my brother.” In the second day of prayer, weeping and laughing, Billy cried out, “I have it! I'm filled! I'm filled!” All who heard Billy after that exclaimed, Wow what happened? Are you ready to be filled by the Fulness of the Holy Spirit? Then start asking for it right NOW!

#29 Fathers Day (Physical & Spiritual)

The Concept of Holy Remembrance:

**Veneration and
Taking Time to
Meditate and Honor
God our Father.**

Who do you honor and remember? My parents prayed for me everyday and are praying even more for me now perhaps! I thank God for my parents, my Dad and Mom, loved me, our family, our church and our neighbors and communities. "I asked my Dad, "Come overseas and live with us." after my Mom had passed away, and he said "I was born in this community, I only went overseas to fight in WW2, and I don't want to go overseas again, thank you." My Dad died and is buried next to my Mom in Lordstown, Ohio, the place he loved and served. I thank God for my parents, and wish I could have been a better son, but they knew my life had changed because of Jesus, they witnessed it.

Jesus calls us to the changed life of serving God and others. Some spent their lives building "white washed (tomb) memorials" but what has been cleaned on the inside? God doesn't want us to throw away all traditions either! He could have asked us to hike to the top of Mt. Everest, or go to a Mecca! Yet, what simple yet important thing did God want us to remember? At least, "on the first day of the week" to remember the Lord's Supper, and that Jesus suffered for US! For our sins, for our redemption! Most churches struggle to keep it every month, and I praise God for our pastor who says, "Take it EVERYDAY!" Please remember! Don't forget, honor God in gratitude and thankfulness! I agree. It is by His stripes we are also healed!

When we stand before God the moment after death, Jesus will ask us to recall when we saw Him last! We will ask, "When did we see you Lord?" We waited for you to "come again" in the clouds! We became experts in eschatology and end time prophecies! See all the books with our names in it! Movies, live streams! "Do you remember when I was sick and you came to me? When I was naked, hungry, homeless, a stranger, and unwanted immigrant? In prison and all alone? Poor, unreached, unengaged, gospel less and lost? Begging for crumbs at your gate every day, the dirty neglected child, in pain, and tears, needing you." Oh Lord, please have mercy on me a sinner, help us remember and respond.

**The Vision Lives On:
(by B.H. Pearson)**

**Charles & Lettie Cowman
"Streams in the Desert"**

**The
Daily Devotional
That Keeps
Inspiring Millions for
Jesus' Vision.**

If I only had a Bible, it would be enough. But if I could take only one other Book in addition, to help me on my way, it would be "Streams in the Desert". Why? This daily devotions was a work of devotion by people who had gone through all the great trials of the field. If they hadn't, they shared the faith Secrets of those who had. She was not afraid to open her Bible by faith, and Let His rhema Word jump off the pages and speak to her struggle in the moment. Yes, many preacher mock this, but are they guided by the Holy Spirit?

She wrote "But the Word opens to "thou shalt prolong the kings's life" (after the doctor had told her never to do any ministry again of risk dying of a weak heart) Hope springs up in her heart! Is this for her? Will God prolong her life and her usefulness? Only God can. But nothing is impossible with Him. As she prays, The Lord tells her she can have His life until her work on earth is done. She accepts His resurrection life. She seems to hear the Lord say to her:

*"Take My life and let it be, Everything, My child, to thee!
Take Me for thy spirit's wealth, Take Me for thy body's health."*

This was 1936, and she lived a even greater time of ministry than before, Going home to Jesus in 1960! What is she had listened to that doctor? Oh My!

Again she goes to the Word, "Rise up and take your journey"! With these, The poems come to mind, *Bind on Thy Sandals and Get Into the Boat*". Then A scrap of poem,

*"This hour a grander work awaits your hand, Than any written
In the treasured past. Lay to the oar! The tide runs fast, run fast. Life's possibilities are
Yet unspanned."*

The Holy Spirit desires to speak to you everyday, how well are you listening? Hear & Do!

A close-up photograph of a yellow butterfly with black spots resting on a pink flower. The butterfly is positioned in the center-right of the frame, facing left. Its wings are spread, showing a vibrant yellow color with distinct black markings. The pink flower it is on has multiple layers of petals, some of which are in sharp focus while others are blurred. The background is a soft, out-of-focus mix of pink and green, suggesting other flowers and foliage. The overall lighting is bright and natural, highlighting the textures of the butterfly's wings and the flower's petals.
