**Special Thanks to God in 2026 & 5786!**

**I wish to give God All the Glory for this Booklet of Short BedTime Stories!**

**Memorize 2 John 1:8**

**“Look to yourselves that we LOSE NOT those things which we have worked for  
But that we receive a FULL REWARD.”**

*I began writing this after my dear friend and sister Jip passed away from cancer, yet the Lord knew it was a big job, so the Holy Spirit began to send help in many ways. One is brother James Meletiou, an 80 plus year old Greek brother in Knoxville, Tennessee, [www.godainicafe.com](http://www.godainicafe.com) (is Chinglish for God-loves-you-cafe).*

*James already had many short stories and testimonies already done to share and encourage others! Some of his stories are used in these booklets. The Public Library, Ibiblios.org and the Gutenberg Project are other sources of free, difficult- to- find Christian testimonies. We wish to share and preserve for future generations rare Christian stories to be an encouragement and strengthening to faith in God the Father, Jesus Christ and the precious Holy Spirit!. I give special THANKS to all my family and friends who helped me, prayed for me and loved me during this season.*

*Groups like Christian Islamic Dialogue ([www.welovemuslims.org](http://www.welovemuslims.org)), have helped hundreds of Muslims to find Jesus as their Lord and Savior. In this Book Eight, we wish to highlight some of the pioneer martyrs near and far who have recently passed away. All Neighbors International helps persecuted in Pakistan and recently Kamran Salamat, a well known Chairman of 200 Pastor's Alliance was killed by an assassin Dec.5, 2025.*

*God has indeed placed “eternity in our heart’s” and has instilled abundantly creative Bridges of Revelation in all cultures to illuminate the truths of Jesus to those who seek Him. God is a loving, very personal God, seeking all and hoping to be found by us if we can but just open our spiritual eyes long enough to behold Him.*

## **Note To Friends, Parents, and Grandparents:**

**This is not your “Typical” bedtime story book! It is meant to make you laugh together, also cry together, to create a few memories and weekly projects together you might not make time to do otherwise. Be flexible, yet based on your schedule create a regular time to do a weekly project as a good habit. I intend to fulfill many purposes writing this, to help you create a legacy for your family, a keepsake of heritage, a place to record life changes, prayers and answers to prayers! After living in China many years, I returned to a country that had forgotten to put a *missions section* in their bookstores! So I am attempting to fix it.... *my way, to please- God's way.***

**Life is too short to see it wasted, so let us make the most of every opportunity to spread the love of God, even in the face of hatred, to uphold clear moral boundaries because hell is a real place and (thankfully heaven too), to promote God’s desire that no one should be lost, but rather all possible be saved!**

***Grant Father God that we might be godly, grateful,  
gracious and guided by Your loving Heart.  
In Jesus’ Name. Amen***

## NOTES

### *God's Equidistance:*

*God has a Geopolitical “Chess Board” and while there are many World Leaders playing the Great Game, God remains the Grand Master of All! In 2026, Trump is back in the Great Game, since God spared his life from an assassin bullet, also AI Rapid Tech DeepSeek, and many other changes have entered the Game.*

*Edward O Wilson said, “ We seem to have stumbled into this 21<sup>st</sup> Century, with Stone Age emotions, medieval institutions, and near god-like Technologies” therefore Ma Tian En adds, “ we much more now than ever, we need God to lead this 21<sup>st</sup> Century, to follow His emotions of Reason, True Morals and Love, organic growth system institutions, and God honoring technologies that Care for our World and its People.” Therefore Leaders need to read a Bible, many for the very first time..*

*Its important to first open your Bible and to ask God to give you a verse to help guide your day, EVERYDAY, and to thank God before reading this and to ask God you show you how to be a better blessing to others everyday.*

*This is a very good lifetime habit. See Titus 3:8.*

## #1 Ayaan Hirsi Ali Somali ex-Muslim, Discovers Real Christians And True Jesus..

Ayaan Hirsi Ali: A Hoover Institute Lecturer, she has many ways to define herself. She is a truth seeker, and discoverer. In a recent interview she said.

*“ Yeah, I mean, and I had tried. I don't want to say I tried other religions, but I did try. When you're told you're in a spiritual crisis, you say, okay, fine, let's see what we have here. And what was being offered to me was meditation and mindfulness and various other borrowings from Buddhism.*

*And if you lie down for 12 minutes and you listen to sounds made by a man with a very pleasant voice in an app called Headspace, and he says, feel your toes and let the feeling go. And then you feel all of your feet, and then you feel it goes up and your legs and so on.*

*And having done that many times, and instead of feeling a sense of peace, the thoughts that I was avoiding were always there, never to go away. But also, I felt irritated at times and thought, this is just a colossal waste of time, what am I doing here? And then started, I was working with a woman who was really very good and said, I know you reject God, but let's just imagine not the God you grew up with.*

*You imagine a God and write his character traits down, what would that God be like? And I finished the exercise, and then I did the exercise on values, and it was clearly Christian. And that is when I said so I was in denial about it. But I think in some ways, morally speaking, I identify as a Christian.*

*The most important part was missing, which was real faith. That is to open myself up to the idea that Jesus Christ is the son of God. And after that, resistance fell away. I mean, it's like a force. It's very hard to describe it. I have a Christian mentor now who's a mathematician, and I think one of the things that I was afraid of was it would be either science and reason or it would be faith, you can't have them both.*

*And that's, of course, not the case. And this mentor of mine is saying it's just a relationship, basically. Your idea of God was always some entity above you that would punish you if you did things wrong and send you into a mental state of shame, and guilt, and self loathing, and this is different.*

*This is a relationship. And I have that relationship now, and it's fantastic. And I think Niall will tell you (Her husband who is now a Christian, ex-atheist) about the effect it has had on me and how things have changed.”*

*Sister Ali is a new sister in Christ, and the devil is not happy so she and her family needs all to pray RIGHT NOW for her, to grow in grace, favor, and wisdom of God and under the divine protection of angels in the love of God, in Jesus name, Amen.*

#2. Hatun Tash

**Ex-Muslim Turkish  
Christian Preacher  
At the UK Speakers  
Corner Risks Life  
To Save Lives.**

Sister Hatun Tash is a former Muslim from Turkey. After emigrating to the United Kingdom, she became a student of Christian apologist, Jay Smith's Oxford Centre of Christian Apologetics, and later founded the Defend Christ Critique Islam (DCCI) organization. She first accompanied Smith to Speakers' Corner in London's Hyde Park in 2013, where she became known for activities such as displaying cartoons of Muhammad, drilling holes in the Quran and wearing a T-shirt in support of Charlie Hebdo. Issues which highly provokes most Islamists to obey the Quran's teaching to kill her, Surah 9:5. Even in Muslim countries like Malaysia, clothing designers risk death for using any Arabic script, people risk death at any kind of slight true or false. This is the reason Islampobia or "fear of being Killed by Muslims" is sadly very real today and not a media hype to make muslims look bad in anyway. "*Many tools are in a toolbox*" to address Islam yet the Apostle Paul most often didn't break idols in Athens, he reasoned in a gentle yet bold way not quarrelling but in respectful yet wise dialogue. When Stephen called the angry leaders "stiff necked" in Acts 7, they martyred him.

*Tash was wrongly arrested twice by the Metropolitan Police at Speakers' Corner in December 2020 and in May 2021. In the first instance after she was assaulted by a group of Muslim men for wearing a t-shirt featuring a picture of Muhammad, and the second time citing COVID-19 regulations. In October 2022, the police however apologised to Tash for falling "below standards", and awarded her £10,000 in compensation and costs. The Apostle Paul in the Bible also was wrongly arrested (Acts 16:37).*

**Pray for Sister Hatun:**

Tash has been the victim of several assaults. She was dragged to the ground by a mob in July 2020, punched in the face in October 2020, and surrounded by a mob "screaming for her blood" in May 2021.

In July 2021, Tash was stabbed several times during an appearance at Speakers' Corner by an unknown assailant. She suffered wounds to her face and hands. The attacker was never caught. In September 2022, Muslim convert Edward Little was arrested for attempting to purchase a gun in order to kill Tash. He was being monitored by MI5 after he previously had considered attacking Queen Elizabeth II's funeral. In December 2023, he received a minimum prison term of 16 years. Challenging Ideology by any method, nicely or not is dangerous, yet Jesus is our example and says "FOLLOW ME! PREACH!

### #3. Read 3 John 1:6 “The Journey”

**13 Sessions/90 min.

To Help Muslims  
Seeking Jesus.**

Global Christian Seekers/Finders; 2026

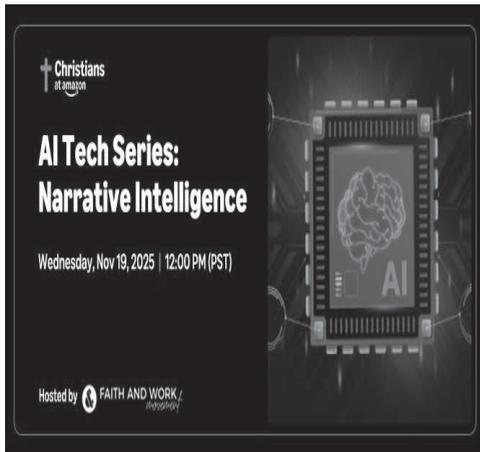

Iraqi in USA: Bro. Adel was the best Violinist in all the Middle East in Folk Music, and he knew all the songs by heart. In Iraq, he was famous, yet in the new strange world of America few understood his special gift. His English was poor, yet he knew Kurdish, Lebanese, Turkish, Iraqi, Egyptian, etc...Folk Songs! He would sit all day in the park playing these songs, yet his health was not very good, and he missed Iraq.

So I started bringing my guitar and we began playing together. He taught me songs like “Fokal Naqel” an Arabic Song meaning “Above the Palm Trees” and we would use our Google Translate App to talk, and play songs together. I would play “Amazing Grace” and by ear, he would play along...he would play “Fairuz” and I would pick it up and play the song with Adel leading. I loved it. Look on the Internet now, and find “Fairuz” and listen to her music because all the Middle East loves her Christian songs! “Aateny El Nay We Ghanny” (Give Me the Flute and Sing) is my favorite song.

So Adel's health was poor, he had operations after operations..he smoked. So I began to give him Arabic materials about Jesus. He knew I had read the Quran and was a Christian yet he was raised a Muslim, but was not a strict one. Strict Muslims forbid people to play musical Instruments as from the devil! The Taliban today FORBIDS IT and might beat or kill you for playing Music! I would sing in Arabic “Ham-Du-Li La!” meaning “Praise the Lord”, and “Habibi” meaning “Dearest Friend” and the people would smile and wonder “ How could we have so much fun!” They could feel the JOY...Some knew Arabic and were drawn clear from the unseen side of the park by the sound of a song that said “HOME”.

I started giving Adel, “Al Massira/The Journey” one at a time, to my friend to take home. Then, one day as I had come to play music with him, he pulled a picture of Jesus out of his shirt pocket, then he pointed to the picture, then into the sky, then he pointed to his Heart! And he smiled...and so did I. I called a Egyptian Christian friend to speak to him so I was understanding clearly, and yes, Adel had given his life to Jesus.!

We tried to find Arabic Christians to help him better, like an Arabic Church, yet they seemed to be annoyed since he had so many health needs, couldn't drive a car, etc.. They should have been thrilled! They should have had him play and worship everyday inside and outside the church! They ignored him. Sometimes in the park, children walked by with the parents, and he would call them over, put the violin under the chin of the child, then put the bow in their hand, and the child was playing the violin with joy. The parents video..we gave them a gift of a Jesus Film...Adel was a gentle musical joyful Evangelist for God's Glory. He passed into Jesus' arms in 2025.

**Principles for AI Today.**

AI (Artificial Intelligence) is a powerful tool in translation work, if you have a unwritten or newly translated language. Say you wish to create voices for the Jesus Film, and have no male voice recording, only a female voice. AI can make the female voice into a male voice, with limits. AI develops based on how much prior info it has stored on a sound or subject. So, if you have a small base of voices recorded and translated, the quality is poor, yet as you feed it more comparative information, it increases the quality. Therefore, the more correct quantity, the more the quality is fine tuned.

Narrative Intelligence is the ability to tell a story in a clear, interesting, logical way. The words you use in this narrative are important. Now imagine Annie Sullivan, trying to teach blind & deaf, Helen Keller the meaning of the word “water,” with only the feel of water on her hand, the smell of the cool pump house. Annie would make the letters in Helen’s hand as the water poured over them, W-A-T-E-R,

*“Helen went rigid, and pulled wildly toward freedom, but Annie held on, W-A-T-E-R, W-A-T-E-R, she drummed the faster and faster into her hand. Suddenly Helen stopped struggling. Or breathing, or doing anything except concentrating on the shapes in her palm. W-A-T-E-R...she felt The word burn down through her hand and into her brain and a light flooded her face. W-A-T...she began to spell the word back to Annie, and with each movement of her own fingers, the namelessness retreated. She understood! These movements stood for the cold liquid that was pouring over her hand! They ALWAYS stood for that and NOTHING ELSE. She understood. Life came rushing in on Helen! Now she dropped to the ground and struck it with her fist. Laughing, crying, Annie knelt down and hugged her. But Helen had no time for this! She pushed Annie back, signing “Name it! She demanded, and the flow of true understanding began, naming the “pump”, then, herself, “Helen”, then Annie, “Teacher”. In a month she know 500 words, then reading braille cards they began to make a short sentence and reading then began, an A card in one hand, the sign A in the other.*

In the book of Genesis 2:19,20, God created Adam and Eve, yet the first job was naming all the animals. May God grant us wisdom to have and maintain wisdom over the AI future.

Tikkun  
Olam Tracts

### G-d's Delight in the Tenach True Tikkum Olam

What does Tikkum Olam mean? It's the Hebrew term for "Repairer of the World"! If you just listen to the News for a short time, you will understand how broken our world is today. It needs to be fixed, cured! How? Life is not just defining "good from bad", but also To define, "Good-Better-Best", therefore, G-d can be pleased, or grieved, or He can be More Pleased, or even "My Beloved in whom I AM Well-Pleased! Fully, Completely Pleased.

There is a Law of Thermodynamics in which Energy is Lost, yet the Bible says we can be "Renewed in our Minds", RE-STORED, RE-FRESHED, RE-NEWED, and a lesser motive or concept, can be improved, infused with more VALUE, like a blank canvas, the painter paints a picture, and the value is increased.

Spray graffiti on a beautiful picture and its now DE-FORMED, DE-FACED, DIS-Figured, making it of lesser Value, yet Clean it, and its Value is RE-STORED, RE-NEWED.

### Yet who defines the VALUE? G-d does.

"Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! Isaiah 5:20

Therefore, an important part of TIKKUN OLAM is to agree with G-d, what is GOOD, and what is BAD. To seek to do Good, to SEEK Good, and to Avoid Bad, and even Resist BAD. If pure water becomes dirty, its impure. If you drink it, you might get sick or even die! If your life is PURE, and becomes dirty, you might become sick, you might even die! How can I clean a dirty life? Only G-d can, ONLY Jesus can help clean you, SEEK HIM.

*Le'OLAM means ALWAYS..."But Sanctify the Lord God in your hearts.*

*Be Ready ALWAYS to give an answer to every man that asks You a reason of the HOPE that is in you with meekness and fear" I Peter 3:15*

*Le'OLAM means ALWAYS..."Giving THANKS ALWAYS for all things unto God, Even the Father, in the Name of the Lord Jesus Christ." Eph.5:20. See Eph.6.18.*

## #6. Charlie Kirk

### The Outspoken USA Martyr for Jesus & Global Hero to a New Generation.

Charlie Kirk (October 14, 1993 – September 10, 2025) was an American, Christian, right-wing political activist, entrepreneur, and media personality. He co-founded the conservative, Bible based, student organization Turning Point USA (TPUSA) in 2012 and served as its executive director until his assassination in Sept. 2025. A key ally of President Donald Trump, he became one of the most prominent voices of the MAGA movement (Make America Great Again) within the Republican Party, publishing several books and hosting The Charlie Kirk Show.

Charlie Kirk went across America to hundreds of college campuses, not just to speak, but much more important, to create a dialogue of Truth. Students would line up to speak and debate with Charlie, ask him why he believed a certain way was right or wrong, and the twisted left media could not silence, change or moderate his answers to “hungry for truth” students. Yes, the students heard the “other side” finally and began to leave the liberal, false left narrative by the thousands. Charlie became a threat to their corrupt power, he exposed the manipulation of a USA voting population due to the entry of illegal aliens. He exposed how the drug cartels were using the “trojan horse” aliens to bring drugs into the USA, and that thousands were dying due to this evil lack of leaders.

The attempted assassination of President Trump highlighted the increasingly great danger to all Christians in America who opposed the Islamic-Communist sided Pseudo-Democratic Party. Even at this time, (Jan.2026), the battle for the SOUL of America rages, for only real freedom can exist under real godly morality and Christian values. Abortion is the killing of a baby, a human person, not a tissue. Yet, the ungodly have changed the laws since 1973 to allow the killing of innocent children every day, nearly 63 million died. On June 24, 2022, by the vote of the US Supreme Court, in the case Dobbs vs Jackson WHO, the abortion murder of innocent children ended over 50 years of killing that the court declared was “egregiously WRONG from the start.” Now due to drug induced abortion pills, 2,548 children die every day in the USA, 106 abortions an hour, one every 35 seconds. One million died in 2023..Planned Parenthood aka Planned Child Murder with the sick aid of 1.8million tax dollars every day, millions a year die globally.  
DO YOU THINK GOD IS HAPPY? NO. DO YOU THINK GOD WILL JUDGE? YES.

## # 7 Sam Solomon

### Ex- Imam Islamic Cleric Reaches World Leaders With the Truth & Love Of Jesus

### Awakening the Church To Boldly Confront Islam

Sam Solomon was the Christian pseudonym of a British former Muslim author who specialised in Islam and Sharia law. Born in Egypt in 1954, he was a Christian convert, known for "A Proposed Charter of Muslim Understanding." as well as the Al Hijra-theory of Muslim immigration. He died on October 1, 2025.

According to his own account, Solomon was an imam in Khartoum who was "born and raised as a Muslim, had trained in Sharia law for 15 years before converting to Christianity. He was imprisoned and questioned; and was to be put to death, whereupon he chose to go to exile on the pain of death." He has testified before the US Congress and has been a consultant to the British parliament for matters regarding Islam and was a co-founder of Christian Concern.

In 2006, following the 7 July 2005 London bombings, Solomon was commissioned by UK Independence Party MEP Gerard Batten to author "A Proposed Charter of Muslim Understanding", which among other things proposes for British Muslims to "sign a declaration against promotions of violent jihad in the Quran". Although at first supported by the party, the charter later proved controversial, and UKIP leader Nigel Farage in 2014 distanced the party from it, after Batten continued to call for Muslims to sign it, and again after the Charlie Hebdo shooting. To sign is to admit to the evil teaching in the Quran to do Jihad killing of non-believers.

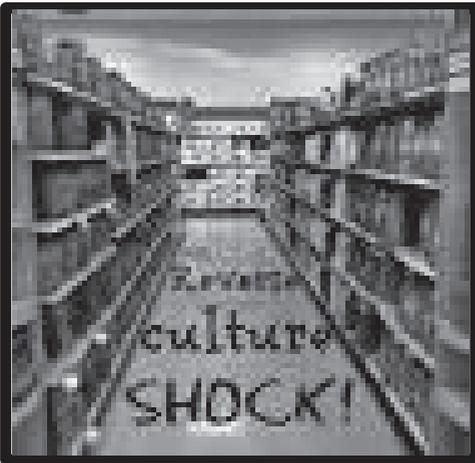

Solomon, with Elias Al-Maqdisi, is also known for the Al Hijra-theory, published in the book "Modern Day Trojan Horse: The Islamic Doctrine of Immigration", which claims, based on the hijra (migration) of Muslim Prophet Muhammad, that the modern-day immigration of Muslims is a deliberate strategy of Islamisation to destroy countries such as the UK, Israel, Australia, NZ, and especially America.

"Hijra or migration is binding on all Muslims for numerous reasons; the most important being that migration is preparatory to jihad with an aim and objective of securing victory for Islam." (Solomon, Al-Maqdisi, 2009).

They also assert that taqiyya (deception) is a key strategy in the Islamisation of the UK. Together with Atif Debs, another former Muslim, Solomon has written the book "Not the Same God: Is the Qur'an Allah the LORD God of the Bible", which argues, drawing on Quranic scholarship, that the Muslim Allah and God of Christianity are not the same. The Christian God is one based on Truth and not Deception.

Solomon and Al-Maqdisi's book "Al-Yahud: Eternal Islamic Enmity and the Jews"- banned in Malaysia in 2017. Sam was a co-founder of and the Islamic Affairs Adviser to Christian Concern, and in 2004 worked with the group against the Religious Hatred Bill. In 2007 he participated in the international counter-jihad conference in Brussels, and later played an important role in the counter-jihad movement. He attended the International Legal Conference on Freedom of Speech and Religion together with among others Pamela Geller and Robert Spencer in 2009 and was invited to speak in the Israeli Knesset by MK Aryeh Eldad the same year. In 2011 he spoke at the Geert Wilders "A Warning to America" event at Cornerstone Church in Nashville. He has also been on the advisory board of the International Free Press Society.

In 2023, it was revealed by Hope not Hate that Solomon had been one of the individuals active in the New Issues Group, a secret group of anti-Muslim activists that had operated out of the House of Lords for over a decade, hosted by Lord Pearson and Baroness Cox. It was also noted that he had written for the former Sharia Watch UK website of another group member, Anne Marie Waters. As an old friend of my mentor and friend Sam, I feel he might have been poisoned with a toxic nerve drug due to his important influence. So may Sam Solomon's influence increase and multiple 100 fold now that he is with Jesus!

## #8 Crisis & Cures: “R-C-S” Dangers & Cures For R-everse C-ulture S-hock

Read Isaiah 46:4-ff.

“Even to your old age...  
To your gray hair, I will carry you.”

What is R-everse C-ulture S-hock? You don't feel like you Belong - in the place you're supposed to Belong. You have EXPANDED the view of your world! You are now an INTERNATIONAL PERSON!

*Reverse Culture Shock is the Emotional, Spiritual, Psychological, Cultural disorientation that happens when you Return to your home country after living abroad. You expect to slot back in seamlessly. Instead, you feel VERY out of place. Why? You are NOW VERY DIFFERENT.*

If you travel a long time in outer space and come back to gravity, you now can't walk, Why?, you haven't used those muscles, So we have Relationship muscles too.

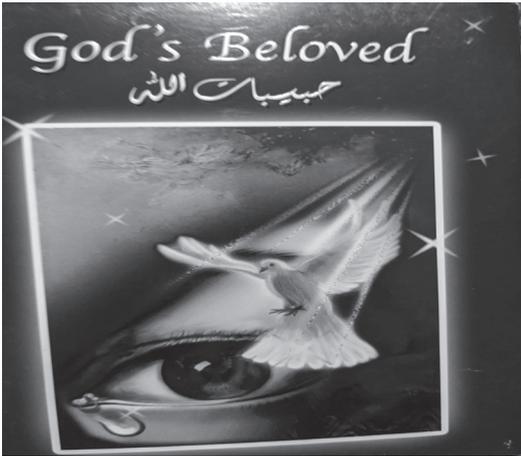

Everyday things seem oddly unfamiliar or annoying. Friends and family don't quite “get” what you've experienced, and / or you might feel bored, restless, or just strangely empty. Normal stuff seems Weird. In each culture you discover things you LIKE, and DISLIKE, because you have GROWN in your point of reference. Now you feel closer to those who also understand this shift. The result? You're physically home but mentally adrift, RE-CALIBRATING.. And that can be hard to explain to anyone who hasn't lived overseas themselves. Why is it so Surprising? I don't have to bargain at the store? But I like too, so can I bargain at Walmart? Sometimes! So many choices! No more cash? My phone is my wallet? Help me get a Grab? Who can help me set all this up?

When I moved back from China, the shock is that I was shocked. I'd prepared for Culture Shock when I moved to China. I expected awkward encounters, new customs, unfamiliar foods, dodgy stomach. But no one Warned Me about coming back. Its like Time Travel, in some places I go into the distant PAST, in other trips, I am in the FUTURE all in the same few days! BE FLEXIBLE. You are using different mental muscles, emotional muscles, spiritual insights, you need GRACE and Mercy for Yourself AND Others. The longer you are gone, the bigger the SHOCK.

I'd changed, but the people and the places hadn't. People were still going to the same places, having the same conversations. It's like I am speaking a new language no one understands so it's a bit Frustrating, so RELAX. And the hardest part? People at home were clearly not interested in my Overseas Stories (at least not after the first 5 minutes). Why it's not your fault. Remember to ask people THEIR stories first...Listen & Keep Learning what you missed. Find God's JOY in it. This isn't weakness, but Growth in disguise. No one trains you for RE-ENTRY. Most oversea training programs prep you to go out into the world, but not to come back. It takes just as much PREPERATION to RETURN as it is to Go. Expect RECOVERY TIME, Plan it into you life. Your brain adapted to a different culture, pace, and lifestyle -that rewiring doesn't reverse overnight. Even happy returns can carry a sense of grief or loss for “the person you were abroad”. You outgrow a version of yourself, that's worth recognising, not suppressing. KEEP YOUR RELATIONSHIPS ENHANCED, they are needing that as much as yourself, in everyway.

### How to navigate reverse culture shock?

1. Acknowledge it: Just naming it as “reverse culture shock” can reduce its power!
2. Talk to others: Find people who've been through it. How best did they cope? Survive? Thrive?
3. Reflect: Journal. Get the thoughts out of your head and onto something you can examine
4. Reframe the Return: You're not going backwards, you're building on what you've gained
5. Jesus said GO into ALL the World, is NORMAL.so RCS, your Identity is ROOTED in Christ alone, Jesus suffered RCS coming from heaven to earth, WOW, now He travels Globally saving souls.

of your head will be lost, by  
your patience possess your souls."**

A good brother introduced me to Bro. Jonah from Pakistan. This country is an Islamic Nation and Christians are often on the Yearly List of the MOST PERSECUTED in the world. Moses in the Old Testament faced this kind of Egyptian culture of slavery before, and God delivered his people when they cried out to Him. In 1948, Christians were 26% of the population, yet the secular intended government was quietly "Islamized" and the persecution slowly began like a snake coiled around its prey, squeezing the life out before eating it, so Christians are now only 1% of the population, and these one percent are slaves, i.e., sewer cleaners, brick kiln makers, humiliated.

Bro. Jonah lived as a Christian in Pakistan many years. He had to share Jesus in a very careful way, since the Imams wished to trick him so they could charge him with "Blasphemy" and put him in prison, taking away his home and land like they have done over the years to many other Christians. Many Christians are falsely accused and killed by Muslim mobs and no one goes to jail, or are punished by the weak Pakistan laws.

One Imam neighbor would always ask Jonah one key question, saying, "Just answer me this one question Jonah, "What do you think of Muhammed?" The trap was set. Often he asked this hoping that Jonah would say anything "negative" even a "negative" wave of the hand and then he could accuse him and justify killing him. So Jonah prayed and asked God to grant him His wisdom, and God answered. "Just ask the RIGHT QUESTIONS, JONAH."

The Imam came, saying "Can you answer my question"? Yes, but first I need you to follow my questions to find your answer, since you are a great and knowledgeable Teacher and I am a simple Christian. The Imam said, "OK, finally dear friend, Question Away!" First question: "Is Muhammad (PBUH) peace be unto him, alive or dead?" "Oh, he is dead, I have gone to Mecca many times to kiss his grave, to kiss the Black Stone, it is my great honor to do this." Yes, Jonah said, "I remember you telling me many time over the years about this and how much it means to you." Second question: "Is Jesus, Isa Al-Masih, the Messiah, (PBUH) peace be unto him, alive or dead?" "Oh, he is very much ALIVE! Muhammad (PBUH) visited him in his Night of Power trip in heaven, they built a grave for him in Mecca." Third Question: "Is Jesus/Isa (PBUH) peace be unto him, is his grave empty?" "Oh. Yes" said the Imam, "Jesus is alive in heaven, but his grave is empty." Last Question: "So which is the Last Living One today?" The Imam became very quiet, almost angry, and rose and left. Jonah didn't hear back for a long time. Then one day, the Imam came to him and said, "I have decided to follow Jesus."

When your life depends on how you share Jesus, then you take very serious thought about how to do this, so you must be as wise as a serpent and as harmless as a dove." Matthew 10:16. In the book of Isaiah 9:6-7, speaking of the Child, who is called "Mighty God, Everlasting Father" it says "Of the increase of His government and peace there will be NO END...even Forever." Pray for your enemies, pray they find Jesus as their Lord and Saviour.

## #10 Tim Raber

### Re-Tired, then Re-Fired UP For God.

Read Rev.2:17

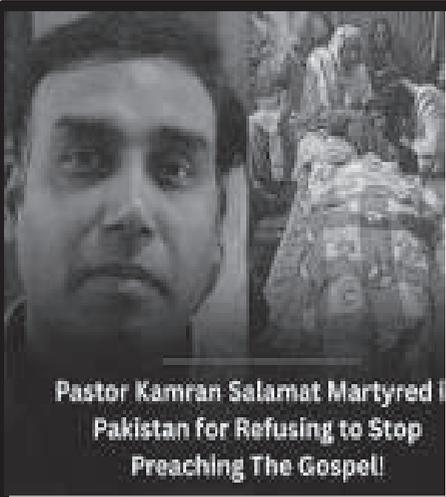

#### “Tim & Judy Raber in China”

Tim Raber was the head of a Christian School many years in Minnesota, and also had a big Farm. He raised his family to love the Lord. Then after many cold winters they retired to Saint Lucie, Florida like many senior citizens in the USA do. Time to enjoy life, slow down, serve, feeding the poor in church groups, visit with family, the grandkids, the normal American life before you step into eternity, right?

Tim told me, “One day, I had a vision from God. It wasn’t the pizza I ate the night before, it was a vision from God and I knew it. Imagine, the old late nite Western, “Ponderosa” and in the beginning of the show, was a map on fire, and as it burned a map of China appeared!” The Lord said, “Tim, I need you and Judy to help me in China, will you GO?” “Yes, Lord show me, Your will be done.” So Tim contacted people in CRU aka Campus Crusade for Christ, and a sister Lina told him, she had visited me in China, and she recommended they come help me. Tim contacted our group, checked us out and came to China! They rented their place out to a brother for a year, to see. Just like that..

Oh what a blessing! Tim and Judy brought a new level of mature quality improvement to everything the Lord showed them. In our CoffeeShopppe Int. Cafe, they saw we needed a “western toilet” and bought it. They visited the farms, and improved them as well. We have English Corners every Wed. and Sat. Nights, and would invite people who wanted to learn more about Jesus to their home every week. They had a computer screen projected on their wall, and would cover a chapter of the Gospel every week, and then have Q & A after. Many gave their hearts to Jesus. Once Tim got very sick, and couldn’t walk. He was a big man. We all prayed and he was up like new the next day full healed! Jesus healed him, and everyone knew God really healed after that, not just like in Bible days, it was true for today as well. For the new Christians in their group, he had small pins made of a sparrow. Tim said, “*This is to remind our group, God’s eye is on the sparrow, and also His caring eye is on us too.*”

*We would travel many dusty, pot hole filled roads to visit the training farms, to share Jesus, to encourage the brethren. We loved stopping at the morning Hui breakfast la-mien noodle booths, to get the hot steaming mint and beef delight. Add some pickled veggies, and spring onions, yum...Thank you for sending Tim & Judy To help us move the work forward to Your glory, Jesus calls the very best.*

**Pastor Kamran Salamat Martyred in  
Pakistan for Refusing to Stop  
Preaching The Gospel!**

## #11. Kamran Salamat:

**Martyred in  
Pakistan for Jesus  
Dec. 5<sup>th</sup> 2025**

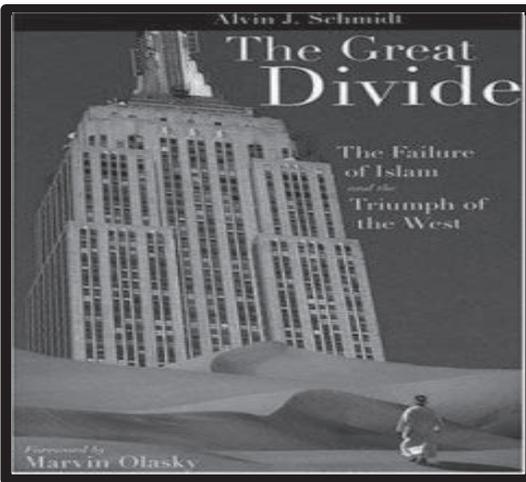

**Read Acts 7:**

A lead pastor who survived an attack in September was gunned down by an unidentified assailant outside his home in front of his daughter last week in Pakistan, his family said. The Rev. Kamran Salamat of Gujranwala was about to take his 16-year-old daughter to college on Friday (Dec. 5) when an unidentified motorcyclist opened fire on him with a pistol, hitting him in the right wrist, left ear and lower abdomen, said the victim's brother-in-law, the Rev. Shahzad Salman. Pastor Salamat age 45, was Chairman of the Pastor's Alliance 200 leaders. Pastor Salamat's body was buried in the presence of a large number of Christians on Saturday (Dec. 6). He was a resident of Islam Colony in Gujranwala District, Punjab Province. The deceased, father to three minor children, had previously been shot in the leg in Islamabad in September in an attempted killing. He had made several outreaches to lawless tribal regions in Pakistan's Khyber Pakhtunkhwa Province, where he preached the gospel to Afghan and Pakistani Muslim tribesmen. Multitudes are leaving false Islam! Loving Jesus.

"Extremists had been pursuing him and threatening him everywhere he went," Pastor Nasir stated, citing a phone call with the mother-in-law of the slain pastor. "He moved from Islamabad to Gujranwala, but they were still not satisfied. They wanted to stop his passion for preaching the gospel." Family members are now being accused to add a new level of persecution to the problem, including his grieving widow, and two others murdered while in custody." Pray for his wife to be released and set free, esp. from all lies.

Pastor Salamat's murder took place three months after a Catholic was shot dead and another was wounded as they traveled to a pilgrimage site in Punjab Province. Afzal Masih of Samnabad locality of Lahore in Punjab Province and his cousin Harris Tariq Masih were among a group of Catholics who were in a passenger van en route to the annual Feast of the Nativity of Mary shrine in Mariamabad, Sheikhpura District, when they were attacked by Muslims with a Kalashnikov assault rifle, said Aurangzeb Peter, a member of the traveling group. Pray for the severe killing of Christians and lack of protection in their communities. Pray God deliver them as thousands of Muslims continue to leave Islam globally.

Pakistan, whose population is more than 96 percent Muslim, ranked eighth on Open Doors' 2025 World Watch List of the 50 countries where it is most difficult to be a Christian. In 1948, Christians were 26% of the country, yet they declared an Islamic State and now its less than 1.5%. Sadly, it is a failed experiment in State sponsored "Islamic tolerance".

**The Great Divide:**  
*The Failure of Islam  
and the  
Triumph of the West*  
**Let the Stones Speak:**  
*By Dan Gibson*

*The Great Divide* by Dr. Alvin Schmidt, clearly shows the failure of Islam religiously and socially, creating poverty and slavery in its wake. A must read book. Also to check out:

*Let the Stones Speak*, by Dan Gibson: Most of what we know comes from Islamic manuscripts written some 200-300 years after Islam began, most was second hand biased Islamic sources, yet did those later writers clearly understand their history, or were they presenting the popular views of their time?

Canadian historian Dan Gibson has pieced together a different Islamic history using the archeological record rather than bias manuscript evidence alone. He has compiled a database of the remains of over 200 early mosques and places of prayer in Islam, revealing a surprising and sometimes shocking account of the genesis of Islam and its spread. Could this really be true? Ancient Coins also reveal a false history Islam has created.

This book examines Gibson's research data as well as a statistical analysis by Dr. Walter Schumm and Zvi Goldstein. Gibson, along with Chad Doell, examine how this new data changes and yet fits the manuscript accounts. The scholarly objections of Dr. David King are also examined and answered.

Gibson's initial research was the subject of a 90 minute 2016 documentary film: *The Sacred City*. Now eight years later Gibson's research is complete and published here in print. This historical, scientific investigation exposes the false narrative of Islam in a new and deeper level, and many Imams and Islamic teachers have decided to leave Islam due to these kinds of clearly researched discoveries. In contrast, Christianity continues to be validated and scientifically verified in every research. Praise God for revealed Truth.

**#13 Johnny Cao:  
Kunming  
China Prison  
2026  
Prayer Update**  
“John Cao, after almost 2 years  
Is in a “culture prison”, unable to  
Re-unite with his family”

On 5 March 2017 Pastor John and teacher Jing Ruxia were returning across the river from Myanmar (Burma), every year thousands of Burmese Christian refugees stream into Yunnan, forced to live under trees with no food or clothes, so the Chinese church would come to the Burmese Christian families rescue. Yet, when the PSB police got new orders, and saw these pastors, Chinese security agents came. Before they were seized, the pastor threw his mobile phone into the water to protect the identities of more than fifty Chinese teachers he had recruited. They were held for almost a year before being charged in February 2018 with “organising illegal border crossings”, a charge usually made against “human traffickers”.

On 9 February 2018, Jing Ruxia was sentenced to one year in prison and then released. In March 2018, Pastor John was sentenced to seven years in prison and fined 20,000 yuan (approximately €2,600). He began serving his sentence in Menglian County Detention Centre, Pu'er City, Yunnan province. 4 March 2024 Pastor John Cao was released from prison in Kunming, Yunnan province after finishing his seven-year sentence. He later wrote his prison testimony. See China Aid website via Bob Fu.

6 June 2024 Police installed surveillance cameras at the apartment in Changsha belonging to Pastor John's mother, where he went to stay after his release. Two days previously he had been detained for twenty hours. He cannot leave the city or access essential services such as medical care because the authorities have not given him an ID card or passport.

15 October 2024 Pastor John was detained when visiting a church in Yunnan province to carry out baptisms. After he completed a statement police brought him back to Changsha. Pray for John Cao and his family, since he is still a “prisoner” in his home, unable to be with his family, as a punishment to scare others from serving Jesus and caring for the hundreds of thousands of Burmese Christians. John wrote a book you can purchase on line to help provide funds for him and his family, “*Poems from Prison*” and he hopes to write more! He has many health needs due to having no help in prison, and you can see it in his pictures how those years have aged him. Yet, John rejoices to have suffered and continues to suffer for Jesus and many people have come to faith in Jesus in China and overseas due to his testimony. If you had to be separated from those you love dearly, for Jesus' sake, Could you forgive? Could you be joyful? Could you rejoice? Could you thank God for all situations? John Cao does! His books are not expensive.

Living Lyrics is a collection of prison poems written by Pastor John Cao. Cao received a seven-year prison sentence in March 2018 for his Christian faith. Cao, a legal resident of North Carolina, made many trips to his native China for humanitarian work before his detention in March 2017. Those observing Cao's case believe his imprisonment is part of the ongoing campaign by the Chinese government to suppress the church. Inside Living Lyrics is a collection of Pastor Cao's prison poetry in both English and Chinese, alongside photos and information about his life and work. Each poem is a testimony to Pastor Cao's exemplary faith, heart for the Gospel, and his commitment to take up the cross of discipleship even in the face of immense persecution.

Jan. 2026, John said “I served seven years in prison, and I have been free for a year and seven months, but I still cannot go to the United States. I have applied for a passport twice, both times rejected, and I even hired a lawyer. However, my application has still not been approved till today.”  
“People like me are called ‘exit-banned.’ I know individuals who have been subjected to exit bans for 20 years. If I can never leave for the rest of my life, I will still have no regrets and remain joyful each day. Being able to return to China to serve the Lord is God's greatest blessing for me. Everyone, please share in my joy and continue to pray for me.”

***Civilization Erasure?***

***Christian Erasure? Middle East?***

***Civilization Erasure*** refers to the idea, notably promoted in a 2025 U.S. National Security Strategy, that European civilization faces transformation into something unrecognizable due to factors like mass immigration, undermining its traditional Western values, and potentially weakening its role as an ally to the U.S., echoing "great replacement theory". It suggests a loss of cultural identity, societal complexity, and core tenets like liberty, leading to fragmentation and decline, contrasting with general societal collapse.

**Key Aspects of the Concept: Syria Middle East 2026**

Origin: The term gained prominence from a specific U.S. government document in late 2025, though similar concerns about European identity have been raised by European leaders.

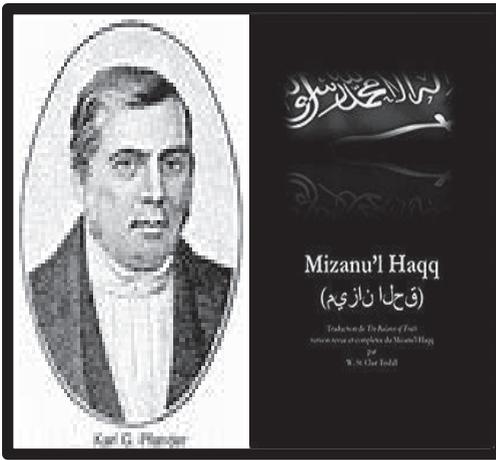

Causes Cited: The document links erasure to immigration, economic shifts, and transnational bodies undermining national sovereignty, suggesting a threat to "life, liberty, and the pursuit of happiness" as foundational. The "SLOW genocide" built on many lies, and "apologies".

Impact: It implies Europe could become "unrecognizable," losing its distinct identity and potentially diminishing its value as a reliable ally to the U.S., destroyed from within by Islamic "Trojan Horse Da'wa" strategic manipulation to "defeat from within, via jihadi based birth rate democracy"

In essence, it's a warning about profound cultural and societal change, not just economic decline, driven by deliberately planned shifts in population, values, and political structures, particularly in Europe, yet relevant to the larger global venue.

**India is now projected to surpass Indonesia as the LARGEST MUSLIM POPULATION on earth, 2026.**

***Civilization Erasure*** includes the concept of "continual randomly spaced episodes of terror attacks, on a targeted global level" assassinations of speakers against Islam, economic jihad, Bondi Beach attacks, Europe stabbings, lies upon lies, poisons, planned accidents, results in a genocide based on suppression, targeted attacks, and character attacks. *In Minnesota, "the Somali Islamic deception to steal millions of US child care funds and the sending of this money to fund their Islamic army," is a recent example of Civilization Erasure. Allowing drugs to enter the USA is another key example of such modern era "culture warfare". We must protect our future.*

**Few scholars have led more Muslims to follow the truth of Jesus,**

and the Bible, than Pfander. His materials, once studied by the Islamic scholars of many nations, continue to lead these men to the decision to turn from Islam at the risk of their lives, to follow the truth of Jesus in the Bible as the only way of salvation for all time; past, present and future.

Safdar Ali, a Muslim scholar struggled in debate and study for three years, and was finally baptized into Christ on Christmas Day 1864. Abdul Masih (1776-1827) an Indian from a devout Muslim family in Delhi, was a great and wealthy Muslim scholar who converted to follow Jesus also became a very powerful Christian evangelist helping many to follow Jesus as Lord. During one of his many trips, 1813-1814, 50 (fifty) Muslims were converted and baptized together. all of very high stature. Memorize 1 Cor. 8:6.

Today, 2025, Pakistan is trying to maintain a stable and hopefully growing existence with many issues around its borders. Asif Ali Zardari is the current President, born on 26 July 1955 to a Baloch family from Sindh province. After receiving his early education at Karachi Grammar School, he went to Cadet College Petaro. Later, he pursued his education in London. He was married to Mohtarma **Benazir Bhutto** in 1987 who, a year later, became the Muslim World's first woman Prime Minister (PM) in 1988 and went on to serve as PM for two terms, first from 1988 to 1990 and again from 1993 to 1996. **Ms Bhutto was assassinated** in an attack in Rawalpindi on 27 December 2007. The Christians of Pakistan 2026 have many challenges, yet Imams are bravely studying the Bible, also Muhammad's (pbuh) last dying words which reveal one of the greatest revelations since the Birth of Islam, “who is the Most High Friend!” Jesus!

### Kazakhstan

Population: 20.7 million, 15% Christian

### Tajikistan

Population: 10.7 million, <1% Christian

### Turkmenistan

Population: 7.5 million, 4% Christian

### Kyrgyzstan

Population: 7.2 million, 4% Christian

**Civilization Erasure** is real today. Central Asia wants to erase Christians by banning teaching all children **under age 18**. Five Central Asian nations — Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan and Uzbekistan — restrict what people can teach children. Christians report that two of those nations, Kazakhstan and Kyrgyzstan, don't prohibit instruction that occurs **inside officially recognized church facilities** but do monitor the churches' activities. Tajikistan and Turkmenistan have strict laws forbidding the teaching of religion **to anyone under 18** unless the teacher is a government-sanctioned and licensed official.

Uzbekistan, a country which had until recently seen some restrictions loosened on Christian worship and practice, passed a new law on Feb. 21, 2025. Parents who teach or allow their children to receive any illegal (non-government approved) religious education before the age of 18 can be fined more than a month's wages and sent to jail for 15 days. Christian workers said the Uzbek government also requires that **every book in the country** be reviewed and stamped to indicate government approval. "If people are caught with books without the approval code," a Christian worker said, "it can be a BIG problem for them." The secret police can harshly punish anyone they consider to be an offender. The C5+1 Policy seeks to create a Silk Road, non-Russian, non-China, non-Great Game identity. Christians have always been a part of this identity though destroyed, they always survived and returned stronger, more resilient. Pray for the Christians in this land dominated by Islamic poverty and oppression. Abba Father, set the children free to learn about Jesus and to choose Truth over lies. Loose and protect your people and we bind all demonic attacks in Jesus' name.

### AI (Suno App) MULTI-LINGUAL SINGING PSALMS/HYMNS FOR CHILDREN

AI (Suno) is a tool to advance languages for the Gospel. It is also a tool to advance the use of music as a tool to teach. Ephesians 5:19 says,

***“Speaking to one another in psalms, and hymns and spiritual songs, SINGING and making melody in your heart to the Lord.”***

*Therefore, we wish to make available Christian songs and dance in a large variety of cultural music style for children to dance and sing along with! So in our songs we will be speaking the Psalms in Song! Many Hymns which is the singing of the Scriptures, in many different styles of worship, sometimes, “Call & Answer” Songs, other times “Echo Songs”, and with the words in two languages, it becomes a language learning tool. With AI, you can choose the language you wish to “Echo” and the Scripture song you wish to learn in this language.*

### *Spiritual Songs of God*

***“Let the word of Christ dwell in you richly in ALL WISDOM, teaching and admonishing one another in psalms, and hymns, and spiritual songs, singing with GRACE in your hearts to the Lord.”***

***Colossians 3:16.***

“And they SANG a NEW SONG, (with harps) saying, “You are worthy to take the scroll, and to open the seals; for You (Jesus) were slain, and have redeemed us to God by Your blood out of every Tribe and tongue, and people and nation.” Rev. 5:9

We pray, “On earth as it is in heaven!” they have harps (stringed instruments) in heaven, so we want to worship the same on earth! They have trumpets in heaven! So we wish to worship with them on earth! Rev.14:2, says “I heard the harpists playing their harps, They SANG as it were a NEW SONG before the throne...”

Open your Bible to Rev.15:3, and sing the Song of Moses and the Lamb! Make up a NEW SONG. (record it with your parents phone). Sing the chorus: “For all Nations shall come and worship before You.” send it to [globalcafeutk@gmail.com](mailto:globalcafeutk@gmail.com) .

***Children EV  
& Worship

**SUNO AI app**

Do you have a child or children in your life? What age? Have you encouraged them to love praise and worship music? Worship dance? Yes, dance! Psalms 149:3 says,

***“Let them praise His name with DANCE!”***

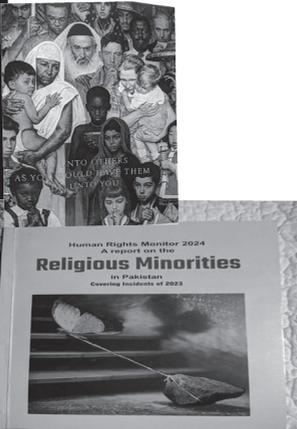

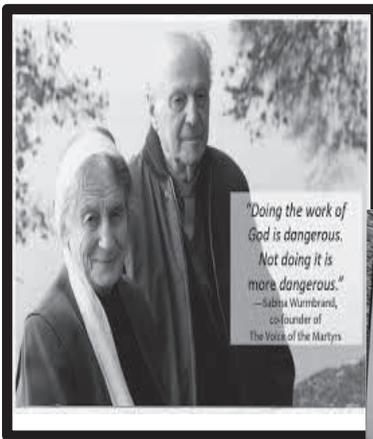

Sadly, many churches FORBID what God desires. They might allow children to worship in dance, yet FORBID adults to worship in dance. Why? It seems the devil has stolen this gift to the church and locked it into sinful bars as a way to tempt people away from God, and instead, the churches need to take back what was stolen from the Lord's children, and perhaps people would flee the sinful bars back into the joy of holy dance filled, worshipping churches! ALIVE for God, not dead and BORING!

In China, I led worship in a multi-nation church. One morning, and asked everyone able to get up and form a big circle around the chairs, like a cha-cha line. As they went around the room in worship great JOY was released into that place like never before!

In my home church, I teach Sunday School and they call it “Missionary Tim” day once a month. I always bring a “world map” and a guitar. We have the children dance in a Jewish style “circle dance” and while everyone holds hands up they go into the center together, then back out. Other times we make a “fire prayer & worship” tunnel, they go through two by two. I love to see adults free to worship like this, even square dance!

Psalms 149:4 says *“For the Lord takes pleasure in His people; He will beautify the humble with salvation.”* Yes, some people feel they have two left feet, yet in a obedient heart, just like baby steps, the Lord takes pleasure when such people step out in faith and humbly attempt to please Him!

I have been in some churches that FORBID harps, timbrel, etc, only singing. Oh how sad to see they forbid what is in heaven! Let us speak where the Bible speaks, sing as the Bible allows. “I will sing with the spirit, and I will also sing with the understanding” I Cor.14:15. *“Whenever you come together, each of you has a psalm, (to sing), has a teaching, has a tongue, has a revelation, has an interpretation. Let all things be done to edification.”* vs. 26. *Write a worship song project together and DANCE to it! Then, go to the market square and praise and worship!*

*Preparing for the Future  
Underground Church.*

*Wurmbbrand travelled to Norway, England, and then the United States. In May 1966, he testified in Washington, D.C., before the U.S. Senate's Internal Security Subcommittee. That testimony, in which he took off his shirt in front of TV cameras to show the scars of his torture, brought him to public attention. He became known as "The Voice of the Underground Church", doing much to publicise the persecution of Christians in Communist countries. He compiled circumstantial evidence that Karl Marx was a Satanist. In April 1967, the Wurmbbrands formed Jesus to the Communist World, later renamed Voice of the Martyrs, an interdenominational organisation working initially with and for persecuted Christians in Communist countries, but later expanding its activities to help persecuted believers in other places, especially in the Muslim world.*

Email address: naee...@gmail.com Pakistan declined in rank to be 8th most dangerous place in the world to be a Christian in 2026.*

*Imran Khan was the Prime Minister from 2018-2022. It ranked 130 out of 142 countries in the rule of law index, overall rating freedom is 34/100. It seems like one of the most evil crimes is the continuation of the "ID Policy" which states what "religion" a person is, an open class caste biased system. Using this method keeps the country divided and not united, esp. religiously. People are discriminated against in religious caste systems to control them. Christians since the founding of Pakistan went from 26% to less than 1% of the entire population due to persecution, a slow, methodical, cultural genocide. The same happens to Hindu, Ahmadiyya, Sikh, Bahai, and others, civilization erasure.*

*In August 16, 2024, Muslim mobs attacked and burned 80 Christian homes & business are looted and 27 churches in Jaranwala, after two Christians were falsely accused of blasphemy. One Christian was killed in such a sick, inhumane, brutal way by the mob this was seen on film, yet all the murderers were released on bail by the court, and no justice has been brought forth except token effort to fix the homes and churches, with no deeper attempt to fix the very root issues that are ignored since the Islamic Sharia allows such evil to continue.*

*Will the government of Pakistan pay for all the future, remaining Christian children to have free, full scholarships to go overseas, so they are safe? Then these children can decide to stay out or attempt to return to help make Pakistan a better place? Like God said to Pharaoh via Moses, "Let My people, GO." Likewise, Christian families should be given the right to immigrate to Christian free countries if needed, otherwise they remain generational slaves, serving as mandatory sewer cleaners, brick kiln makers and every other terrible jobs no one else wants for so little pay. Pray for Pakistan and its leaders so their land will be healed.*

### The Armenian Genocide By Islamic Turkey

E.D. Cushman:  
The American Nurse  
who saved 600  
Armenian Orphans.

(1914-1920)

When you see the news on TV or the Internet, pray for the "Refugee Peoples" who number in the millions around the world. War is a terrible thing. Can't people just behave and get along with one another in peace? In 2026, all over the world, we have **displaced people**. Muslims fighting Muslims in Sudan, killing entire communities. Hindus killing Muslims and visa versa in India and Pakistan. Russians killing Ukrainians, their neighbors for 4 years, everyday. Leaders seem to think only of themselves and forget what God desires, real, forgiving peace.

The Armenian genocide was the systematic, deliberate destruction of the **Armenian Christian** people and their identity in the Ottoman Empire during World War I. Spearheaded by the ruling Committee of Union and Progress (CUP), it was implemented primarily through the mass murder of around one million Armenians during death marches to the Syrian Desert and the forced Islamization of others, primarily women and children. Today, there is "fast genocide" like the death of the Armenians, and "slow deliberate genocide" like what happens to Pakistan Christians, forced into slavery of brick kiln and sewer cleaner work debt for life.

**Miss Cushman** was a nurse in Konia caring for all peoples of need in the love of Jesus. She began seeing thousands of Armenians being herded like sheep to slaughter to starve in the Syrian deserts. So she began rescuing Armenian orphans from the lines of people everyday. She rescued 600 plus fed countless others with the help of one Turk with a camel. Why did this man risk his life to help an "enemy"? She had earlier nursed him before back from death with the help of Armenian nurses and like the "one leper in ten". He was truly grateful. The longer she stayed the more dangerous it became for her in this enemy land, yet she decided to stay and care for the orphans and the sick both Turk and Armenian in the love of Jesus. Could you be so brave? God helped her. Next prisoners of war from 11 nations were sent to her, and she cared for them all by the grace of God. The people of Konia called her the uncrowned Queen of Konia, yet she knew it was Jesus who had asked her to do this for Him, Muslim or Christian, Hindu or Sikh, young or old. Would you lay down your life like this someday? How do you wish to be remembered after you die someday? As a bad or greedy person? As one who loved Jesus in laying down your desires and dreams to serve in the love of God?

Do you have the assurance of knowing Jesus? His comfort in ever struggle of life? His assurance that when you die, you will be in heaven? If you are not sure, you need to accept Jesus' invitation now by faith NOW, because you never know when you might die! She could have died in a camel accident, right? Perhaps, she didn't know if she would get sick herself and would be dead in a few short weeks, right? So don't delay, give your heart NOW.

God bless you if you do...and write it here and date it so you remember, and Tell someone.

CHRISTIAN!  
Memorize Acts 26.20.

As a young Christian and student at Kent State University, I was very interested in the debates between Atheistic Scientists (those Who say there is no God) ,and Christian Scientists! One famous Debate was between Dr. Thomas Warren and Dr. Anthony Flew. Dr. Anthony Flew was a friend at Oxford University of the famous C.S. Lewis, and they spent many hours together discussing detailed topics related to the truth and existence of God.

IT SHOCKED the Atheist world when Dr. Flew openly and boldly became a Christian, and his book outlines what he calls the "death of the Atheist argument".

"Think for a minute of a marble table in front of you. Do you think that, given a trillion years or infinite time, the table could suddenly or gradually become conscious, aware of its surroundings, aware of its identity the way you are?" pg163.

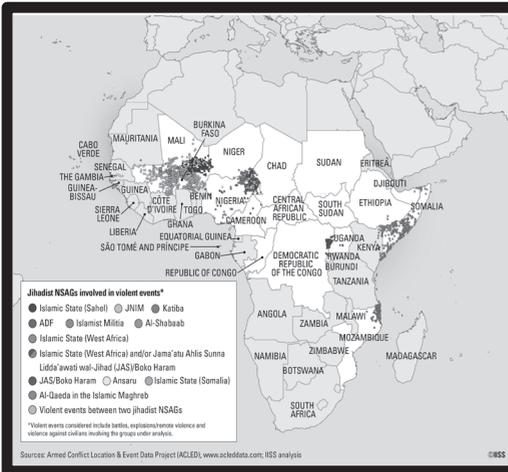

"Take your pick (Dawkins) God or universe. Something always existed!" see page 165. Who created the Intelligent Universe?

***No reasonable person can deny God, but many ignore Him.***

*(Special Project) Sit down with a calendar and ask God to give you a task on His Heart! It might be to visit a different foreign food place in your city every Friday and to bring them a gift in their language! Like a Bible! You might want to research their culture and ask God how to grant them a special blessing? Jewish food? Arab food? Italian or Greek? Ethiopian? Pakistani? All these eating places are in our city. Is there a holiday special to them coming up that week? Find out! Research it! Then ask them if they have a little time to tell you something about their home overseas! What do they like and what don't they miss at all! Everyplace and culture is different. Someplaces chose who you are to marry, others allow you to choose! What games did they play in their country, and when was the last time they went back for a visit? What do they miss and what did they wish could be better about their homeland if possible? Then write all these things down so you will not forget them, thank them for sharing with you. Before you leave the conversation, ask if they had anything you could pray to God about for them or their family or country? I met a man at the gas station who said he had been in America 18 years, and that I was the first person to ever talk to them about God, or to give them a Bible or invite them to church! So sad...Learn how to say "Hello & Goodbye" in as many languages as possible..ask them how to say these words correctly, and even record it so you can remember it correctly. It takes many times to say a new language correct, so repeat it to every person you meet from that country. Many Patel's from India in the USA speak Gujarati, so say, "Men-ja-ma!" when you greet them and "Owl-jo" to say goodbye and you will amaze them!*

## #22. Archibald Forder, Henry Martyn, Sabat & Abdallah, and the Arabic New Testament

Lice, vermin, heat, Sickness, Death, and great JOY In Sharing Jesus!

In 1800-1810, two young Arab princes decided to go to Mecca together on the “Hajj”. After the time in Mecca, they decided to go to Kabul and it was there that these educated princes came by the Arabic Gospels. As Abdullah read, his heart was drawn to Jesus and he gave his heart to him. In fact, he was so full of joy he had to tell someone! As he shared this good news others reported him, since he had been baptized and the shock wave of his conversion angered the entire region! Abdullah a Christian? Assassins, both family and strangers sought to kill him. Finally he was captured and given one chance to renounce Jesus and remain a Muslim, yet he stood firm, refusing to spit on the Cross. Sabat, his Hajji friend stood by watching, for he had turned his friend in to the judges. “Renounce Christ!” “Never, he said”, and looking at Sabat with a strange look of forgiveness, the sword flashed and Abdullah was dead! Sabat was shocked! Why would his friend die for this Jesus, this infidel belief? So Sabat, went to India. In Madras, a friend handed him a book, it was the Arabic New Testament! Comparing the Bible and Koran, “the truth came-like a flood of light!” Sabat gave his heart to Jesus! Now, Sabat knew not only Arabic, he could read and speak Persian as well, and God introduced him to a man, Henry Martyn. Satan tried to destroy Sabat, yet he died loving Jesus. Henry finished the Persian Bible before he died. After them, many brave men and women were sent to the Muslim world. George Braswell, Ray and Rosemary Register, how about you? Will you GO for Him?

## Staying Healthy for Jesus on the Difficult Mission Fields?

Simple Do's & Don'ts:  
Rest, Strong Immunity,  
Vitamins, and mostly,  
Prayer and Fasting.

NAC & Resveratrol!

This picture of the man on the horse, is about the last survivor coming out of Afghanistan. Many people go into other cultures yet are not very aware of the affect on their health. Some families I know have tons of funding, yet are under a ton of pressure and stress. What is STRESS? It's the chemicals your body produces to "Fight, Flight, or Freeze!" It's like turning up the thermostat in your home and letting it run 24/7 on high, so quickly it is going to burn out and STOP. Exercise helps "keep stress dialed down" to a normal range, so SWIMMING everyday for a half and hour is my favorite way to reduce stress. WALKING is my "back-up" plan. I try to lift weights to strengthen my core M-W-F, on all the weight machines. WEIGHTS build muscles which hold your bones in a good place of flexibility, so STRETCHING is very important, always do this everyday. Stress can hurt you outwardly by making you tired and old fast. Stress can hurt you inwardly by making your "weak link" in your DNA break first inside. So how do I start my day? PRAY.

1. **Wake UP early. Go to bed early!** The YMCA opens at 5:30AM, so set your alarm for 4am. This gives you an hour to spend time with God. Every morning the Lord has a very special word just for us, to help our day. This morning it was John 20:19-22. "...Jesus came, stood in their midst, saying "Peace be unto you." and He showed them his hands and side, and the disciples were GLAD when they saw the Lord. So Jesus said AGAIN, "Peace be unto you! As my Father has SENT Me, I also SEND you. He then breathed on them saying "Receive the Holy Spirit." Do you know God's peace? Do you know and have received the Holy Spirit, the "Comforter"? Daily, this is more important than exercise, its godliness. "bodily exercise profits for a little while, but godliness is profitable unto ALL THINGS, having promise of the life that is NOW, and of that which is to come." I Tim.4:8. Sports is nice, but godliness is a much more important daily workout. "exercise yourself rather unto godliness." I Tim.4:7.

2. **Take GOOD Vitamins and eat WISELY.** Why? Much of the food being grow in the world today is GMO modified food. This means its grown to "look" healthy, but all the vitamins are left out, in exchange for looks, shelf-life, and taste. I thank God that in no matter what country I am in, I look for the healthy food, the safe food, the safe water to drink. I grow my own food whenever I can. Sadly, much of the food in stores is like eating cardboard, a lot of sugar, filler, feeling of "full", and fake sugar "energy", but no real "full" no real "energy". Take NAC daily to DETOX and Resveratrol daily to Live Longer..

Finally, stand on God's promises. "They shall STILL bring forth fruit in old age; they shall be healthy and flourishing." Psalms 92:14. So don't rust out, don't burn out, just stay well "oiled in the Holy Spirit".

Shaikhe Agamy  
&

Saydna Isa al Masih  
[freejesusfilm.netlify.app](http://freejesusfilm.netlify.app)

Every year for 10 years, the Lord has allowed me to go to the UK (England). I am so thankful for just as Paul and Barnabas would be sent to large HUB cities, the Lord sends me to this beautiful country. Why? In the summer, around July or August, the weather is great, and it seems that in the nearby Middle Eastern countries, its SO HOT. So all the people who can, leave the very hot, dry climate, and retreat to the UK. In fact, there are so many Muslim people now in the UK, they call it "London-stan". Many people are not happy with this cultural invasion, yet everything has plus and minus issues attached. The down side is that sadly, many abuses have come to the UK such as "grooming gangs" which seduce, kidnap, and abuse children and adults. Many in these gangs are from Pakistan and live in the UK, and have given all their nation a bad image among the locals. The government knows that these Muslim peoples have brought a lot of MONEY into their economy, so too often they ignore problems, rather than address them. The plus side is that many Muslims who discover the bondage of this Islamic cultures break free, and decide to become Christians in greater numbers every year! Some churches also seem to avoid or ignore these "guests" yet those who understand true Christian "hospitality" be-friend, help, and share Jesus with all these hungry souls God sent to this place. On the street daily teams say, "A-salaam-a lekum" which means "Peace be unto you." Just like Jesus greeted his friends! "Ham-du-lee-lah" is also Arabic for "Praise the Lord!" so as the Muslims rush by, I say this, and they turn around and smile! I say, "I have a gift for you!" (a tract in my hand), some come, some hesitate so then we say, "Muhammad never refused a gift!" and many then turn and come to get the gift! They now wonder, "What is it?" I have a card with the [www.bible.is](http://www.bible.is) in 2300 languages, and I ask, "How many languages do you speak?" Some say ten, and name them, and I say, "Here is a gift in every language you speak, for free in audio, and written." Some see its a Bible and say, "But I'm a Muslim.." I then say, "I have studied your Book, have you read mine? Even Your Prophet said, "Seek knowledge, even unto China!" Sadly, most Muslims have not only not read a Bible, but they don't know their own Book well. So I ask, "Do you know the story of Saydna Ibrahim and his son?" Most say, "Of course, he took his son to the mountain to sacrifice him." (we avoid the debate of which son), then I say, "What free gift did God send Ibrahim as a SUBSTITUTE?" Why, they answer! "Would God be pleased if he REJECTED the free gift?" Not at all! "So Ibrahīm was happy to ACCEPT the free (fidya) SACRIFICE SUBSTITUTE?" Oh, yes!

"So just as God offered this first INVITATION, *INVITE YOU* to accept the Second Fidya gift! Jesus, aka Isa al Masih, the Messiah. Who died in Your place!" Oh, sorry, Jesus never died for me. "If I show you in the Quran, that Jesus died (past tense) will you pray with me and accept God's gift?" They say OK. "Surah 5: (Table) 117, (Jesus is speaking to God) saying, "but when You took me up" in Arabic "caused me to die" tawaf-faitanee" PAST TENSE, and even the Arab English translators know "caused to DIE" is the CLEAR way to say it! Not "Took me up? Could mean took me for a walk?? No hint of Death, but very CLEAR in Arabic. Do you agree? If they say yes, then ask, "Why did God cause Jesus to die?" Some say, "As my Substitute?" Yes, so in the Corban every year, my Muslim friends write the big sins of the past year on a paper before they sacrifice a sheep, and ask forgiveness, Jesus once and for all mankind died for YOU." "Will you pray and accept the free gift NOW?" As I raise both my hands palm up, many also do the same saying, "Yes" in sign language! "Abba Father, King of the Universe, Your love is so great, even Sayedna Adam sinned only once and was cast out of Jenna (heaven), yet Jesus (Isa al Masih) in Your Great MERCY died, was buried, and rose from the grave never to die again, to give us the great sacrifice free GIFT Fidya of Eternal Life! Jesus, the Eternal Word of God, Kalama-tu-allah, (Word of God in Arabic) Thank you for dying for me and taking all my sins to clean my soul, now and forever as I seek to follow You, In Jesus' name I pray. Ameen. Often, they are weeping as they pray...amazed at what is happening! Peace and JOY floods into their hearts! I exchange phone numbers and pass their contact to a new believer's group. Most of all, the Angels in Heaven are rejoicing over this one...Come join us in the UK!

## #25 Where is Pastor. Raymond Koh? 2026

The Malaysian Government admitted the “Enforced Disappearance:” yet has NOT released nor returned Pastor Koh to his family?

Pray this evil Government Repents, its Judge ruled In his families FAVOR! PTL

Read Proverbs 1:7

Malaysia’s human rights commission, Suhakam, has ruled that Pastor Raymond Koh and a Muslim social activist, Amri Che Mat, were the victims of state sponsored “enforced disappearances”. After a years-long inquiry, Suhakam reported on Wednesday (3 April) that the two were taken by a Special Branch – the police’s intelligence unit. Church leaders in Malaysia are now calling on the government to “Immediately take steps to clarify and separate the jurisdictions of the religious authorities and the Royal Malaysia Police.” It seems they are hiding the truth, hiding the perpetrators, hiding the victims, *So Pray Trump will stop all aide and help to this evil government until they fully repent. Return Him NOW.* Pray God reveal all the truth and pray that if these good men are alive, that they are released. In a statement in response to Suhakam’s report, the Council of Churches of Malaysia, which includes three Anglican dioceses of the Church of the Province of South East Asia, and the Mar Thoma Syrian Church in Malaysia, also called for the immediate launch of “an independent and impartial investigation into the Raymond Koh and Amri Che Mat cases, free of conflict of interest.” This evil Islamic State needs to free these men, whom they have lied about holding with no more “smoke & mirror” deceptions.

They also called for the families of the two men to be provided with remedies, “especially their right to know the truth about the fate and whereabouts of these two men, and full compensation for all loss extending into the future.” Economic sanctions need to be put into place, and tourism bans until this matter is fully resolved.

ID Cards serve as a way to persecute the Malaysian people and to grant the Malay people un-fair advantages, creating a caste system that grants great favor to the muslims and unequal rights to everyone else, this is bondage and social slavery, so those who can leave have fled to other safer, better countries. Pray God creates leaders to rise and improve this country for a bright and good future. Everyone knows that a very large part of Malaysia wants these biased ID cards cancelled. Pray that this will happen soon, and that a healthy government free of corruption will arise. Last month, a High Court judge found that among the named police officials and the Royal Malaysian Police, “one or more” of them were responsible for Raymond Koh’s abduction and a “conspiracy resulting in harm”.

Since these were public officials acting under the state’s authority, “the government must answer for the resulting harm” and thus was “vicariously liable”, the judge said.

Besides awarding several million ringgit to Ms Liew for emotional distress, the judge ordered that 10,000 ringgit (£1,830; \$2,385) be paid to a trust for each day of Mr Koh’s disappearance until his whereabouts are disclosed.

To date this sum has surpassed 32m ringgit, and the final figure is expected to be the largest payout in Malaysian history. The trust’s money, which will be paid out only once Mr Koh’s whereabouts are disclosed, will likely go to Ms Liew and her children.

Ms Norhayati, who also launched a lawsuit, won her case and received several million ringgit in compensation.

But the government is appealing against these verdicts, arguing there are “issues related to financial obligations” and that it needs to “uphold the principle of universal justice”.

It has also said the police are continuing to investigate the abductions.

Pray: “Abba Righteous Father in Heaven, Judge of the Universes, hear our petition. We bind every evil and dark force in this country, and loose Your angels to bring judgment and repentance forth in this case and country. Break every false religion to be fully exposed and rejected by all, expose the evil behind the evil in Jesus’ name.

## China Pastor's Miracle Love Story

WEF-2026

Jan. 2026- Davos, Switzerland

***Reality Hypocrisy:  
"saying things Nice,  
Doing the opposite"***

### World Economic Forum: Jan. 2026.

One year ago, I was researching to see the status of 48 Uyghurs in a Thai prison awaiting return to China's XinJiang Province, Feb.2025..Will they die? They were sent back to China...are they dead? China is using Computer Surveillance and Algorithms to "randomly profile and round up Uyghurs-1500 men per week, women and children also" to add them to their "re-education prisons" in which 3.6 million are now (2026) in Cultural "brain-washing" locked, jails. Many of these are good kind Uyghurs, Christians, Kazakhs, Central Asia peoples. Nothing is said about the "real economic issues" in the WEF. Bland, parroting, hypocrites, in risk assessment hand wringing...silence, called mutual respect? Win? Win? These are now slaves in a factory. Cultural hostages.

### ***The Islamic Cultures and the China Cultures have clashed!***

Yet, the Islamic world is still very quiet, no protests, and have ignored all. Money! The *China Silk-Belt Rd.* has poured billions of investment into all the ASEAN Islamic world so no one wishes to "rock the money boat". If you speak "honest and frank" you are called "disruptive, impolite, disrespectful" even an "economic bully" to sanction such a "green" slavery of Uyghurs! Is Afghanistan, Pakistan "roads" and people next? The new labor force? The historians of Asia all remember what it means to "build a Road" into Tibet meant to its people to build a way for the military invasion to happen faster.The excuse was to "liberate the ignorant Tibet folk, so to make a bigger Pie together?". In this "economic" slave globalization? Is there any HOPE?

A Chinese Christian pastor was arrested and sent to prison for many years. Once he was released, he and his wife one day saw the main official who persecuted him the most, walking down the street. They avoided him by crossing the street quickly to the other side, slipping away. Once they got home and were praying together, they said "Lord, if You want us to speak to him of Your love, we will, if You have us see him again, we will not avoid him." Later, they did see him again, and invited him to their home for home-made dumplings (bao zi). The official confessed he had no friends, since he persecuted so many. The miracle is that later, this lonely, cruel official, gave his life to Jesus! This filled them all with a great, deep Joy from the Holy Spirit."

### ***Jesus' love is the greatest power in heaven & earth in every Nation!***

***"For the love of money is a root of all kinds of evil, for which some have strayed from the faith, in their greediness, and pierced themselves through with many sorrows. But you, O man of God, FLEE these things and PURSUE righteousness, godliness, faith, love, patience, gentleness, Fight the Good Fight of Faith, lay HOLD on eternal life..." I Tim.6:10-12.***

## #27. “Mu-Dao-You” “Seeker Friend” Healing (Geno-Cura)?

### Memorize Rev. 22:2 The Healing of the Nations

**The Cross of Jesus is the Center,  
and Only True, Lasting, Healthy  
Way Change can ONLY Come.**

“Real Change first is an Inside Desire,  
In response to the Holy Spirit, and any  
Change forced from the Outside  
Methods of Control are Weak & Temporary.”

The New York Holocaust survivor, and UN Jewish lawyer, Mr. Lempkin, created the term “Genocide” i.e. “race mass murder”, because all the other terms seemed too weak to describe such inhumane terror. So likewise, we have felt the need to create a new word, “Geno-cura” because no term existed to express the “race mass healing” so badly needed in our world today, a word to describe the “revival healing” that will sweep the earth. In 2026, we see signs that the “harvest is plentiful”.

***Isa.53:5 “the chastisement of our peace was upon him (Jesus) and with his stripes we are healed.”***

Mark 5:34 “Jesus said to her, “Daughter, THY faith hath made thee whole, go in peace, and be whole of thy PLAGUE.”

All around the global community “Houses of Prayer for all Nations” have begun to rise more and more, see Blog info [www.thegatheringfamily.com](http://www.thegatheringfamily.com) Many more are needed as holy places to come seek the Lord in prayer and fasting together daily. James 5:15,16. Memorize 1 Peter 2:24.

People need BOTH “In-Reach Groups” and “Out-reach Groups”. Just meeting weekly for prayer and breakfast are fellowship, encouraging, growth-enhancing “In-Reach” groups. Then, a weekly meeting in a place focused on meeting “seekers” people of peace, are “Out-reach groups”. Both should be a weekly event in people's lives of faith.

Friends I know are involved in prison ministry, some go into the prison to share Jesus, and others meet with those released in “transition” houses, sharing Jesus. We need to fervently Pray, ektenēs (ἐκτενής) for earnest, stretched-out intensely zēō (ζέω) meaning to boil or glow with passion..

The Greek word intercede, to light upon, focus, ἐντυγχάνω (entynchanō) “Tyn-chon-o” means “to obtain something by hitting a mark/target”, and its the opposite of the word for sin, ἁμαρτία (hamartia) to “miss the mark”.

**Pray for Local People, pray for those in distress in other Nations too.**

**#28.**

## **The Free Iranian Revolution 2026**

**Thousands Dead,  
Murdered by  
Shia Government  
Assasins.**

**Pray for Iran**

It doesn't matter how great  
the pressure is; what really  
matters is where the pressure  
lies. Whether it comes  
between you and God or  
presses you nearer His heart.

Hudson Taylor

***#28. Pray for Iran to be Free! China his secretly behind the Iranian government, using it as a proxy protective Border State. Today they flew 16 Giant Chinese Transport planes into Iran, why? God knows their plans. USA super-carriers are on their way to the Persian Gulf with new hyper-sonic class ships assisting. Pray God delivers Iran.***

***January 23, 2026 has been designated as the "National Day of Mourning" on behalf of the 30,000 innocent protesters shot down by the evil Islamic government.***

***Pray USA President Trump will continue to faithfully keep his promise to come help these desperate precious Persian peoples. These people are done with Islam, done with evil oppression, done with lies and fear, they seek the Truth and the only True God! They are in complete "Internet Blackout" and all protesters have been given a 72 hour ultimatum to turn themselves into the police! Many to be executed!***

***"Abba Father, we ask You, Holy Spirit, do miracles to set these people of Iran free, just as You did for Egypt with Moses, we bind all demonic forces, and loose Your angels to defeat the evil Prince of Persia via Your Archangel Michael, thank You, In Jesus' name."***

***Read the story of Esther, and Daniel, in your Bible this week. These take place in Iran.***

## # 29. Israel and the Nations:

**“To the Jews First”**

**“From Now On”**

**The Acts 18:6  
Mandate**

***Acts 18:4-6 “And he (Paul) reasoned in the synagogue every Sabbath, and persuaded BOTH Jews and Greeks. When Silas and Timothy had come from Macedonia, Paul was compelled by the Spirit, and testified to the Jews that Jesus is the Christ (Anointed Messiah of Israel & Nations). But when they opposed him and blasphemed, he shook his garments and said to them, :Your blood be upon your own heads; I am clean. FROM NOW ON...I will GO to the Gentiles.”***

***In Acts 10: Peter had been convinced by the Holy Spirit to accept and even preach to the none Jewish peoples, the Nations. Then in Acts 15, the matter was brought before all the Christian leaders to clearly endorse. “James answered, saying, “Men and brethren, listen to me: “Simon (Peter) has declared how God at the first visited the Gentiles to take out of them a people for His name. “And with this, the words of the prophets agree, just as it is written: “After this I will return and will rebuild the tabernacle of David which has fallen down; I will rebuild its ruins, and I will set it up.” So the REST OF MANKIND may seek the Lord, even ALL the Gentiles who are called by My name, says the Lord who does all these things, Known to God from eternity are all His works.” Acts 15:13-18.***

**The Jewish Diaspora is scattered all over the world, and are in many nations throughout the world. The are considered an UNREACHED PEOPLE GROUP, (UPG), therefore the church is obligated to send Christian evangelists to ALL the scattered Jewish peoples first. I am willing to GO, will you help me? Will you even GO with me? I hope so. Yet, once this city they are in or region is preached to, those who accept are now obligated to continue as a church in this place. To those who rejected Jesus and the Gospel, Paul said, “I am clean”, he had fulfilled his obligation, so “From Now On,” I will Go to the Gentiles.” Why? Logistically, and spiritually, they were HUNGRY for God. Paul did not cast “pearls” or waste time with rejecters, he sought open hearts, so will we!**

## #30 Buddha Prophecied Of the Coming of Jesus!

**Like John the Baptist to the  
Jewish Nation,  
Buddha was the Same for  
Jesus Christ to the Asian  
Nations.**

**Memorize Philippians 2:5.**

Wat Phra Sing in Chiang Mai Province has a certified copy of the accurate translation of the Original, which is in the book of the district headman, the Religious Encyclopedia, Volume 23. book #29. This was confirmed October 13, 1954, (Buddhist era 2497) Phra Sriwisutthiwong is the Deputy Abbot and Director of Wat Pho Museum, Wat Pho Temple, Thailand. See <http://bibleprobe.com/buddhatoldofjesus.htm> also [www.thaivisa.com/forum/topic/153879-buddha-and-jesus-your-opinion-on-an-article/](http://www.thaivisa.com/forum/topic/153879-buddha-and-jesus-your-opinion-on-an-article/).

About 500 years before Christ, Buddha prophesied about the coming of a “Holy One” who Would come---one who would lead the people away from the old way, and introduce a new Way. (Dao). Once an old Brahman priest asked Buddha, “What should we do to be (saved)?” The Buddha answered, “...look for another Holy One who will come and help the world and all of you in the future.” Many think Jesus was a foreigner, but Jesus came from Ancient Israel of West Asia. All Asia can trace its roots back to the great Tower of Babel, and the Great Exodus from the Golden Cradle. Then the Brahman priest asked, “What will Be the characteristic of the Holy One be like? The Buddha answered, “The Holy One who will keep the world in the future will be like this:

“In the Palm of his hands and in the flat of his feet will be the design of a disk, in his Side will be a stab wound; and his forehead will have many marks like scars. The Holy One will be the Golden Boat who will carry you over the cycle of rebirths all the Way The Highest Heaven (Nirvana). Do NOT look for salvation in the old Way, (i.e. trying To merit salvation counting acts). There is no salvation in it alone. Quit the old Way, And there will be a New Spirit like the Light of a lightening bug which will come down From the sky, above to live in all your hearts, and you will be victorious over all Your enemies, Nobody will be able to destroy you. If you die, you will not come back To be born in this world again. You will go to the highest heaven (Nirvana). “

These same things are found in the Old Testament Prophets of Israel see Isaiah 53: also Zechariah 12:10, Daniel 2:14, also Chapter 7. he is called the “Prince of Peace.”

# GLOBAL CRISIS

## STOP the GLOBAL Christian GENOCIDE NOW

Syria: The SLOW GENOCIDE APPROACH. The massive surge in reported violence towards the minority Christians in Syria has put them back in the top ten most vulnerable groups in Open Doors' World Watch List. Now #6. "Just say, We want a Moderate Islam, and then Kill them." The latest Open Doors report was launched in Parliament on 14 January. It ranks the 50 countries where Christians face the *most extreme persecution*. North Korea remains top, and Somalia second, but Syria now ranks at sixth — up from 18th in 2025: the most dramatic change in ranking. Thousands fled after the fall of the Assad regime in December 2024. "Violent extremists are exploiting the country's instability as the new government tries to find its feet," the report says. It refers to the bombing of a Greek Orthodox church, St Elias's, Dweilaa, in Damascus, last June (News, 27 June 2025), when 22 Christians were killed, and others ceased to attend church altogether. "The broader threat of further attacks and rising Islamist radicalism has driven believers to hide Christian symbols and avoid any public display of their faith, especially in majority-Islamic areas or at checkpoints." Syria is now an "Underground Persecuted Church 2026."

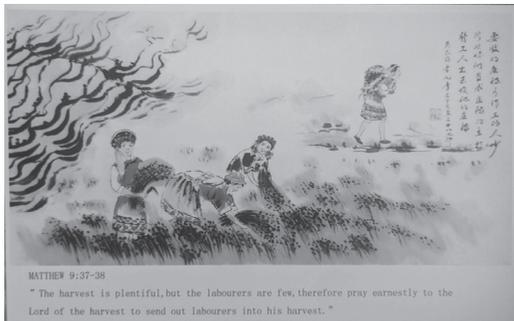

It also refers to the recent Closure of 14 Christian schools in the Kurdish region for refusing to adopt a new ISLAMIC curriculum. Pressure is high in cities such as Damascus and Aleppo, "where churches are under constant surveillance and endure bureaucratic delays affecting activities or renovations. Loudspeaker-equipped vehicles roam the Christian neighbourhoods of Damascus, exhorting residents to convert to Islam. No matter where they live, Christians are vulnerable." Islam must warn, but if rejected, THEN they KILL Christians! It says that the so called New Law gives little recognition to Baptist, Evangelical, and Pentecostal congregations, exposing them to significant pressure because of "the popular perception that they evangelise". THIS MEANS CENSORSHIP OF ALL PREACHING. Neither is the Orthodox Church free of risk, "because of its visibility in the community and its perceived ties to the previous regime". Pray President TRUMP gets GOOD DIPLOMATS not STUPID ones who fall for all the lies of the new Syrian leaders. They are freeing the ISSL prisons to release their terror in even greater killing of Christians who NEED HIS PROTECTION!

Open Doors estimates there about 300,000 Christians remain in Syria, down from 1.1 million in 2025, and says that their small numbers leave them exposed, particularly in areas with no state-provided security. But it also refers to an example of "resilience in the face of persecution and chaos": a church counselling school has opened, from which 27 trainees, both men and women, graduated from six different Syrian cities. They will "play a vital role in enhancing support within churches". More than 388 million Christians worldwide face high levels of persecution and discrimination for their faith, the report says. Three countries in Sub-Saharan Africa — Sudan, Nigeria, and Mali — have the maximum possible score for violence. Islam is the CAUSE ROOT. It concludes: "Persecution, both violent and non-violent, is increasingly subtle or targeted. In some countries, violent insurgency dominates in one region, but instability spreads through the whole country. In other parts of the world, particular denominations or leaders are singled out for attack, which undermines the human rights of all.

# Addendum: Suggested Weekly Projects:

I hope you can make a list with your child or grandchild of a list of weekly Projects they can look forward to doing with you! I mention idea throughout the Book 1-8, yet each family is different, and children have different gifts and interests:

1. Visit a Eating Place of a different Culture, and ask the people if they can teach them some special words in their language or something special children learn in their culture?
2. Create a Praise Song using Sumo AI free edition.

## Introduction:

G-d in His mercy, led me to the Hillal House at Kent State, Ohio and introduced me to Gideon, my Hebrew teachers. Before my uncle died at the age of 95, he told me, our family name was “changed” coming to America, so by the way, you are part Jewish! So it made sense to dive into the Library and explore my new heritage background. I have a USA passport, yet was intrested to go live on a “kibbutz” in Israel and to explore LIFE as a young man. I am still exploring and discovering many new things.

First, most Jewish people so far I have met around the world, are either “Secular” Jewish people, not very Jewishly religious and even atheists! Somehow, this shocked me! Then others are so Jewishly “religious” they refuse to talk to me because they think I am unclean! Then in between these are everyone else.

One Mexican former Mormon told me, “Tafoya is my last name and the Mormon church is big on geneologies, so I discovered my family came to Mexico fleeing Spain and that I was ...Jewish! Then I read a Bible for the first time and left the Mormon cult!”

*The Holy “Repair the World” Guide  
For Israel and the World  
By Ben Yakob*

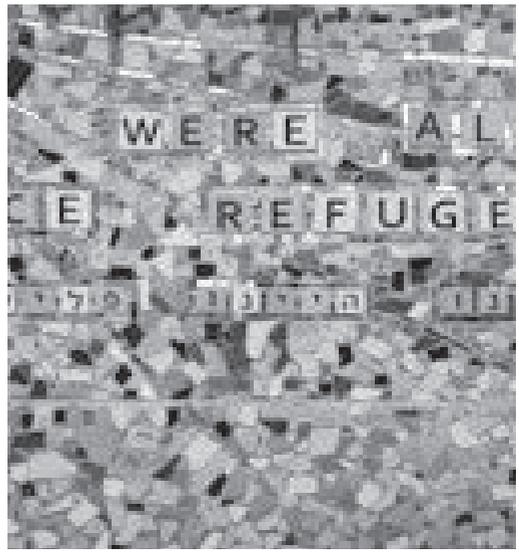

Look at the picture on the left, and you can immediately see the Root of the problem contrasted. The Israeli Flag and the Golden Islamic Dome. Like OIL and WATER people have tried to mix the two, shake them up together, hope they get along, and WALA, they fight to separate and repel each other! Why? WHY? If you have read the Quran, and then read a Bible, and wrote down what each says about each other, THEN and only then, it becomes clear this ETERNAL ENMITY AGAINST THE JEWS that is irreconcilable, and if you read the HADITHS, the High ones, its even more STARK.

## **The ZERO TOLERANCE POLICY OF ISLAM.**

The problem is NOT a Palestinian Problem, it is a Pan Global Islamic Problem! The Muslims in the Quran say very clearly, “We are the Best of Peoples” and the rest the “WORST of PEOPLES.: ZERO TOLERANCE. Islam teaches THEY must SUBMIT to us as SLAVES or NO PEACE. ZERO.

This is Islam AGAINST the ENTIRE GLOBAL POPULATION, not just Israel, this is Islam against every Jew, not just in Israel but in every country. This is Islam against every other nation in the world, NOT JUST the Jews. This is a Religious Eternal delaration of War, our Century will NO LONGER IGNORE nor COMPROMISE Islam is no longer TRUSTED, NO LONGER respected, NO LONGER BELEIVED IF IT PROMISED ANYTHING. IT HAS LOST ITS HONOR in the Global WORLD no matter how RICH or how POOR. It uses its funds to hide JIHAD and use its poor to raise MONEY or to be its SHIELDS. So how to respond? Look up in the Quran “Best people? Worst people? See, its true. 2

## CAN THIS PROBLEM EVER REALLY BE SOLVED?

How? How can such a One Billion Islamic Soul plus 7 Billion other SOULS SOLVE a problem so large? One WISE MOVE AT A TIME. I Love my Muslim friends, I Love my Jewish friends, I Love my Buddhist and Hindu friends. I love my Christian and athiest friends. I want to honor, love and respect everyone I can. Yet the G-d of Love, is very Interesting! If you study History and Science, real Moral Laws Exist just like, the Laws of Gravity, with a few exceptions G-d allowed.

These ANOMILIES are typically called MIRACLES! Do you believe in MIRACLES? WHY YES! Our world is very ANTHROMORPHIC which Means, “specifically and scientifically created with a focus to CARE for People/Humanity”, Yet, in this Broken World which devolves faster than we might wish, we find tthat it CAN be REPAIRED and HEALED!

## TIKKUN OLAM- “HEALING A BROKEN WORLD”

Often around the world, I hear people say, “Its TOO LATE, HOPELESS! The NATION, this EARTH, is BEYOND REPAIR! I seriously disagree. Why? As a young boy we use to go to Lake Erie to swim every year, but One year the entire Lake was CLOSED! The sign read, “MERCURY! POISON! DANGER! NO SWIMMING!” I remember praying, “Oh G-d, How terrible! Yet G-d healed the Great Lakes! This is a MIRACLE.

**Tikkun olam (/ti'ku:n ʌ'ɔ:m/;  
Hebrew: תיקון עולם \ תקון עולם,**

Tikkun olam is supposed to challenge us to move out of our comfort zone. It must be MORE than a Jewish way of embodying politically progressive orthodoxies or secular causes or it loses its TRUE Meaning. It IS Spiritual, and MIRACLES of Divine REPAIR DO HAPPEN! G-d IS REAL. G-D does CARE! Yet Its far more than Social Justice and Divorce Decree resolutions, its much DEEPER. Its about “Healing the Nations” Geno-Cura!, Yes, I had to make up a new Word for something so GOOD, just as another Jewish human right activist Lempkin needed to make up a word to define something so BAD, Holocaust.

A Global Movement has already begun, quietly, confidently, seriously, and It believes in G-d and His MIRACLE Desire to Heal the Nations and it involves Us all WORKING in G-d’s TRUE LOVE together in long term practical ways.
